WORK HARD, LEARN MORE

This April, ACOEP's 2018 Spring Seminar is headed west! Across the bay from downtown San Diego, Coronado is the perfect location to hone your skills while networking with leading medical professionals from across the country.

The 2018 Spring Seminar includes general session lectures, breakout tracks, and hands-on labs on a variety of hot and trending topics in emergency medicine including:

- Critical Care
- Pulmonology
- Neurology/Stroke
- Infectious Diseases
- Hematology
- Toxicology
- Trauma
- Cardiology
- Endocrinology
- Pediatrics
- Palliative Care
- OB/Gynecology
- Non-clinical topics such as Physician Wellness and Medical Malpractice

WORKSHOPS AND LABS (ADDITIONAL COSTS)

Advanced Airway

Tuesday, April 3, 2018: 1:00 pm - 5:00 pm

Direct laryngoscopy is no longer the single means of intubating a patient. This hands-on workshop will explore varying technological intubation modalities for the treatment of patients with difficult airways in the ED.

The Unbeaten Path: Arrhythmias, Mimickers, and Hidden Concerns (Cardiology Lab)

Wednesday, April 4, 2018: 1:00 pm - 4:30 pm

There are common EKG subtleties that are overlooked with early chest pain. This interactive workshop provides ample opportunity for learners to practice identifying arrhythmias, ischemic mimickers and other abnormalities using actual EKGs. Additionally, this workshop will highlight the subtle signs of ischemia that emergency practitioners should be aware of.

2018 COLA Review

Thursday, April 5, 2018: 5:00 pm - 10:00 pm

Earn five additional hours of CME credit and gain all of the knowledge and information you need to pass the 2018 COLA exam.

Building Bridges: Healthcare Professionals Uniting to Curb the Opioid Abuse Epidemic

Friday, April 6, 2018: 1:00 pm - 4:30 pm

All healthcare practitioners must work together to find ways to turn the tide of the opioid epidemic. This workshop is designed to provide learners with the practical skills, tools, and strategies needed to effectively treat, manage, and counsel patients of opioid abuse and identify opioid alternatives to avoid dependence.

THE 2018 SPRING SEMINAR KEYNOTE SPEAKERS

Anand K. Swaminathan, MD, MPH

Anand Swaminathan is an assistant clinical professor of Emergency Medicine in the Ronald O. Perelman Emergency Department at NYU and Bellevue Hospitals. His main interests are in resident education, resuscitation, and knowledge translation. A firm believer in FOAMed, Dr. Swaminathan is the creator and editor-in-chief of the Core EM project, an associate editor and the co-host for EM: RAP, as well as faculty at the Essentials of Emergency Medicine. He is also an assistant editor for REBEL EM and REBELCast and a regular contributor to Life in the Fastlane, ER Cast, and The Skeptics Guide to Emergency Medicine.

Sherry Turner, DO, FACOEP

Sherry Turner graduated from Nova Southeastern College Osteopathic Medicine in Ft. Lauderdale, Florida in 2007 and completed residency in Emergency Medicine in Charleston, West Virginia. She is the Director of Graduate Medical Education and an Emergency Medicine Residency Core Faculty Member at Merit Health Wesley in Hattiesburg, Mississippi. She has been Clinical Professor of Emergency Medicine at William Carey University College of Osteopathic Medicine. She serves on the ACOEP Graduate Medical Education Committee, the ACOEP Research Committee and as the Past President for the Foundation for Osteopathic Emergency Medicine, which sponsors faculty development and research in emergency medicine nationwide.

PLAY HARD, STRESS LESS

You spend countless hours working day in and day out. That's why ACOEP's Spring Seminar provides the perfect balance between hard work and relaxation. We make it a priority to provide superior medical education while also giving you a chance to catch your breath and escape from the chaos of life in the ED.

ACOEP'S 2018 SPRING SEMINAR WEEK EVENTS

Spring Seminar Opening Reception

Tuesday, April 3, 2018: 5:30 pm - 7:00 pm

Enjoy the echo of the ocean waves as you sip tropical drinks and enjoy small bites with colleagues at Spring Seminar's Kickoff Party, located on the stunning Loews' terrace overlooking the beach.

FOEM Case Study Poster Competition

Wednesday, April 4, 2018: 2:00 pm - 5:00 pm

The Foundation for Osteopathic Emergency Medicine (FOEM) is proud to present the annual Case Study Poster Competition. For the first time ever attendings are now also encouraged to participate with interesting or unique cases that have been presented at their hospital. Students and residents can win cash prizes, attendings are eligible to earn scholarly activity, and all winners will receive certificates and recognition in FOEM publications throughout the year. The deadline for submission of applications and abstracts is January 31, 2018.

New Physicians in Practice Social

Wednesday, April 4, 2018: 3:30 pm - 5:00 pm

New physicians and all residents and students are invited to mix and mingle with fellow colleagues at the annual NPIP social, located on the Loews' Sunset Terrace. Refreshments and light appetizers will be provided.

FOEM 5K and 1-Mile DO Dash

Wednesday, April 4, 2018: 5:30 pm - 6:30 pm

Take in the beautiful sights of Coronado Bay as you run with old and new friends, while supporting FOEM and raising money for research grants, competitions, mission trips, and more.

ACOEP's Council for Women in Emergency Medicine Meeting and Social

Wednesday, April 4, 2018: 7:00 pm - 8:00 pm

Learn about and discuss topics that many female physicians come across in their everyday work in the ED. Stay tuned for more information regarding a social gathering for the Council.

FOEM VIP Donor Lounge*

New this year! FOEM donors with a lifetime total of \$2,500 or more will be celebrated in the VIP Donor Lounge, an exclusive escape from the hustle and bustle of the conference.

**By invitation only.*

RESIDENT STUDENT ORGANIZATION EVENTS

After a wildly successful inaugural event at the 2017 Scientific Assembly, ACOEP's Spring Seminar is the perfect opportunity for residents and students to learn from some of the top names in emergency medicine. RSO social events run throughout the week of the conference.

FOEM CASE STUDY POSTER COMPETITION

Join fellow residents and students and compete in FOEM's Case Study Poster Competition. Students and residents can win cash prizes, and everyone will receive certificates and recognition in FOEM publications throughout the year. The deadline for submission of applications and abstracts is January 31, 2018.

RESIDENTS

General Lectures

ACOEP and the RSO are switching things up this year! Instead of having resident-specific events, resident attendees are encouraged to attend the conference's general lectures, learning from some of the top names in emergency medicine. This is a great opportunity to network with your future colleagues as you make the transition from resident to attending.

STUDENTS

Rapid Fire Lectures

During Spring Seminar, student attendees will have the chance to attend 30-minute lectures covering a variety of today's most pertinent emergency medicine topics.

EKG Lecture and Competition

Students will learn pearls of EKG interpretation before splitting into teams and putting their skills to the test in an EKG competition. The winning team will win both prizes and bragging rights!

Ultrasound Lecture and Workshop

Students will learn the basics of emergency department ultrasound as well as some advanced skills from Dr. Amir Aminlari, Program Director of the UC San Diego Ultrasound Fellowship. The session will begin with a lecture and end with a hands-on workshop.

CME INFORMATION

Intended Outcomes of the CME Program

ACOEP CME activities are designed to offer tools, strategies, and practical skills that emergency healthcare professionals can immediately integrate into their daily practice.

At the conclusion of the 2018 Spring Seminar participants will be able to:

- Alter their current practice patterns in accordance with the latest data.
- Apply and/or perform new techniques based on best practices.
- Practice evidence-based, informed emergency medicine.
- Demonstrate change in competence and performance to improve patient care.

Accreditation & Credit Statements

DO Learners

ACOEP is accredited by the AOA to provide osteopathic continuing medical education for physicians.

ACOEP designates this program for a maximum of 37.50 of AOA Category 1-A credits and will report CME and specialty credits commensurate with the extent of the physician's participation in the activity.

A maximum of 21.00 CME credits may be earned for the general conference. Additional CME credits may be earned from participating in special conference events (i.e. workshops) not to exceed 37.50 CME credits.

MD Learners

CME credit for MD learners participating in this activity will be available. Specific credit amounts will be communicated to learners upon approval from the accrediting organization.

Allied Health Learners

American Academy of Physician Assistants

This program is not yet approved for CME credit. Conference organizers plan to request 32.00 AAPA Category 1 CME credits from the AAPA Review Panel. The total number of approved credits is yet to be determined.

American Association of Nurse Practitioners

This education activity will be submitted to the American Association of Nurse Practitioners for approval up to 32.00 contact hours of accredited education.
