WHY ATTEND?

The SGNA 48th Annual Course: A Virtual Experience combines renowned industry leaders, focused educational sessions, insights from colleagues and product service highlights—this year in a virtual format! SGNA gives you the tools and knowledge-base you need to bring value to your job and patients every single day to accelerate our impact in the specialty. The SGNA 48th Annual Course is the best educational investment your unit or facility will make all year.

Take advantage of these event features:

- Education focused on topics of importance: infection prevention, disease, endoscopic procedure skills, and facility reopening
- Opportunity to earn up to 43.25+ contact hours
- A flexible schedule with live and recorded education sessions available until **July 5, 2021**
- An interactive look at the latest products and services in the Virtual Exhibit Hall
- Networking with like-minded professionals

ANNUAL COURSE REGISTRATION

Amplify Your

VOICE

ACCELERATE OUR
IMPACT

Login to www.sgna.org if you are a member or have an existing account with SGNA. Logging in ensures that you receive any discounts you are entitled to and avoids creating multiple accounts. To register for the SGNA Annual Course, visit the **48th Annual Course website**, click **"For Attendees"** and proceed to the **"Registration"** webpage:

- On the webpage, click the "Register Today" button.
- Once you have completed the information on each page, click "NEXT" to proceed. Select your registration type, add Pre-conference Workshops to your schedule and proceed to the final payment step.
- For your convenience, the online registration system accepts payment by credit card, or you can select "Send Me an Invoice" to receive an emailed order confirmation showing your balance due that can be mailed in with check payment. Please read and follow the instructions in the registration system.
- You will have an agenda builder on the event website to select the specific concurrent sessions and other events you plan to attend while at the Annual Course. Anyone who wants to attend a live session will be able to. You do not need to pre-register for any regular conference sessions. You do need to pre-register for Pre-conference Workshops.
- You will be given the option to print the confirmation page for your records. A confirmation will also be sent to you at the email address on file.
- You will receive an email one week before the event begins with information on how to login to the event website.
- If you have any questions about the registration process, please contact info@sgna.org.

Special Registration Rates

Join SGNA and save! To receive discounted SGNA member rates, join today at www.sgna.org/Join. Student members can register with an exclusive discounted rate of \$100. When you join online, your membership will go into effect immediately. Your SGNA membership dues must be paid or renewed for 2021 (January 1 – December 31, 2021) to receive member rates.

The discounted early-bird registration rate will apply for all registrations received on or before **April 15, 2021**.

Order Confirmation

You will receive an order confirmation by email when you register online. Check this order confirmation carefully to see whether your registration fee is paid or has a balance due. If you select the "Send Me an Invoice" option when registering online and mail in a check, you can see whether check payment has been processed by logging into your **"SGNA Portal"** and looking at the "My Account" section.

Registration Confirmation

You will receive a registration confirmation by email when you register online. This email will contain important details about the Annual Course.

Cancellation Policy

SGNA will not accept cancellation requests for registrations for the SGNA 48th Annual Course: A Virtual Experience.

Pre-conference Workshops

Sign-up for Pre-conference Workshops will be on a first-come, first-served basis and can be completed during the registration process or by modifying your registration. You can view all Pre-conference options and pricing on our [website](#).

Tax Note

Fees paid to SGNA for products, services and dues are not tax deductible as charitable contributions for income tax purposes. However, they may be tax deductible as ordinary and necessary business expenses. Please consult your tax advisor.

PRE-CONFERENCE WORKSHOP POLICIES

Pre-conference Workshop Access to Evaluations

Contact hours are awarded by participating in the entire duration of the educational session and completing an evaluation for each session you attended. In order to obtain access to the online evaluation for a Pre-conference Workshop, attendees must attend the session in its entirety. Access to pre-conference evaluations will not be granted unless both of these criteria are met. Attendees who meet these criteria can expect to access the online evaluation within 24 hours of session completion.

Pre-conference Workshop Waiting Lists

Waiting lists will be created for Pre-conference Workshops that are full. If you registered and paid for a Pre-conference Workshop that is full, you were placed on the waiting list. If you do not get a seat in the session, a refund will be issued. SGNA will not accept responsibility for any misunderstanding about your workshop selection(s) if you did not receive a confirmation.

EARN UP TO 43.25+ CONTACT HOURS

Amplify Your
VOICE
ACCELERATE OUR
IMPACT

The Society of Gastroenterology Nurses and Associates, Inc. (SGNA) is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

As currently planned, participants in the course may report up to 43.25+ contact hours of continuing education.

SGNA 48th Annual Course sessions granted with gastroenterology-specific content hours for recertification as defined by the American Board of Certification for Gastroenterology Nurses (ABCGN), The Certification Board for Sterile Processing and Distribution, Inc. (CBSPD) and the International Association of Healthcare Central Service Materiel Management (IAHCSCMM) for contact hour credit have been determined. The approval code for each qualifying session will be listed on your certificate of completion. Visit the Annual Course website for the most up-to-date information on GI-specific, IAHCSCMM and CBSPD designations.

An entire session must be attended to receive contact hours. The total number of contact hours awarded is determined by the number of sessions an individual attends, pays for and evaluates. Please note that one contact hour is equal to 60 minutes of educational content.

The goals of the 48th Annual Course are to:

1. Enrich participant's knowledge in current and emerging diagnostic and therapeutic techniques in gastroenterology/endoscopy to transform and advance the professional practice of GI nursing.
2. Promote innovative networking and exchange of ideas among participants for the purpose of improving nursing and associate practice and patient care.
3. Foster gastroenterology/endoscopy nursing practice changes based on evidence-based practice, professional development, research and innovation.

Poster Presentations

The 48th Annual Course will feature poster presentations in the Virtual Poster Center throughout the Annual Course. Several of our distinguished poster authors will summarize their work in brief presentations. After watching the presentations, we encourage you to visit the Poster Center to review the selected Education, Evidence-Based Practice/Research and Industry posters to enrich your virtual learning experience with information developed by our respected colleagues.

We are still accepting poster abstracts on a rolling basis. Visit the **Call for Posters webpage** to learn more.

EVALUATIONS

All session and overall evaluations for the 48th Annual Course will be available online. Each session evaluation link will be located on the session details page. Access to online evaluations will remain available after the Annual Course through July 5, 2021. Instructions on how to access the full conference evaluations will be emailed to you after the event.

ON-DEMAND EDUCATION

In addition to the live education sessions, on-demand sessions will be available beginning May 25, 2021 and close July 5, 2021. All of these sessions are included in your conference registration and are available for contact hours. Additionally, all live sessions will be recorded and available to watch at any time until July 5, 2021.

Navigating Education Sessions

Follow the key below to navigate this year's schedule of events:

 **PC** | Pre-conference Workshops

 **GS** | General Sessions

 **CS** | Concurrent Sessions

 **RS** | On-Demand Sessions

CONTENT LEVEL DEFINITIONS

The experience level, which is designated under each session title in the descriptions section, is based on Benner's Stages of Clinical Competence. These levels are meant to help you choose your classes based on your own experience level in the various topics offered at the Annual Course.

 **Novice:** Beginners that have had no experience of the situations in which they are expected to perform. Novices are taught rules to help them perform.

 **Competent:** Competence, typified by the nurse who has been on the job in the same or similar situations two or three years, develops when the nurse begins to see his or her actions in terms of long-range goals or plans. The conscious, deliberate planning characteristic of this level helps achieve efficiency and organization. The competent nurse lacks the speed and flexibility of the proficient nurse. The associate or technician can be found competent when he/she performs assigned tasks with this same longer range planning and more efficiency.

 **Expert:** The expert performer has an enormous background of experience and has an intuitive grasp of each situation. The expert operates from a deep understanding of the total situation. His/ her performance is highly proficient.
