ABOUT CONFERENCE

Following the remarkable success of the 1st World Conference on Dementia, Alzheimer’s, Parkinson and Neurodegenerative Disorders, held on July 09–10, 2026, in Frankfurt, Germany, we are delighted to announce the 2nd World Congress on Brain Aging and Neurodegenerative Disorders (WNND 2027), scheduled for **June 03–04, 2027, in London, UK.**

Building on the momentum of our inaugural meeting, WNND 2027 will bring together world-renowned researchers, clinicians, healthcare professionals, academicians, industry experts, and policymakers to advance the understanding and treatment of neurodegenerative disorders. This is more than a scientific congress—it’s a global platform for collaboration, innovation, and transformative discoveries that will shape the future of brain health.

WHAT TO EXPECT?

Explore the latest breakthroughs in dementia, Alzheimer’s disease, Parkinson’s disease, and other neurodegenerative disorders.

Gain insights into innovative diagnostic technologies, emerging therapies, and precision medicine approaches.

Participate in engaging keynote sessions, expert panel discussions, and thought-provoking scientific debates.

Discover advances in translational neuroscience, brain aging research, biomarkers, neuroimaging, and clinical care.

Network with leading neurologists, neuroscientists, geriatricians, psychiatrist, psychologists, pharmaceutical innovators, and healthcare leaders from around the world.

Whether you are conducting groundbreaking research, delivering patient care, developing novel therapies, or shaping healthcare policies, **WNND 2027** provides an exceptional opportunity to exchange knowledge, foster collaboration, and contribute to the future of neuroscience.

WHY LONDON?

As one of the world’s leading centers for medical research, innovation, and education, London offers the perfect backdrop for meaningful scientific exchange. Beyond the conference, attendees can experience the city’s rich history, iconic landmarks, vibrant culture, and world-class hospitality.

SCIENTIFIC SESSIONS

- 1
- Brain Aging and Healthy Brain Function
- 2
- Alzheimer’s Disease and Related Demyias
- 3
- Parkinson’s Disease and Movement Disorders
- 4
- Other Neurodegenerative Disorders – ALS, Huntington’s, MSA, PSP
- 5
- Cognitive Decline, Mild Cognitive Impairment and Dementia Prevention
- 6
- Molecular Neuroscience, Genetics and Neuroinflammation
- 7
- Biomarkers and Neuroimaging
- 8
- Regenerative Neuroscience and Emerging Therapies
- 9
- Drug Discovery, Clinical Trials and Precision Neurology
- 10
- Lifestyle, Nutrition and Brain Health
- 11
- Artificial Intelligence, Digital Health and Neurotechnology
- 12
- Aging, Geroscience and Neurodegeneration
- 13
- Dementia Care, Caringive and Long-Term Neurological Support
- 14
- Public Health, Policy and Population Brain Health
- 15
- Future Directions in Brain Aging and Neurodegeneration Research

TARGET AUDIENCE

Neurologists	Alzheimer’s and Parkinson’s Disease Specialists
Neuroscientists	Pharmaceutical and Biotechnology Professionals
Geriatricians	Healthcare Professionals and Nurses
Psychiatrists	Academic Faculty, Postdoctoral Researchers, and Students
Clinical Researchers	Healthcare Policymakers and Patient Advocacy Organizations

THE CPD GROUP

CPD is a global undertaking, and THE CPD GROUP pride themselves on accrediting CPD Activities such as Online Courses, Classroom Courses, Conferences, Events, Webinars, Seminars and Workshops. Each course they afford receives its own unique, verifiable, and searchable accreditation number!

United Research Forum is an CPD Recognized Provider with Accreditation Number **# 778533** and is now officially committed to being a valuable and knowledgeable partner with “The CPD Group”. We designate this activity for continuing education credits on an hour for hour basis. Attend in person or on-line via live stream and earn your CPD Credits for hour basis spent in the Educational Activity.

VENUE DETAILS

HOLIDAY INN LONDON - HEATHROW BATH ROAD BY IHG
