

SEPTEMBER 20-21

# 15<sup>th</sup> Annual **Dermoscopy** **Intermediate Course**

**Memorial Sloan Kettering Cancer Center**  
**Zuckerman Research Center**

417 East 68th Street • New York, NY

**Memorial Sloan Kettering**  
**Cancer Center**

## Overview

Dermoscopy permits the observer to visualize skin structures located below the stratum corneum that are not visible to the unaided eye. The morphology visualized through dermoscopy has led to improve clinical diagnostic accuracy with increased sensitivity and specificity for the detection of cutaneous malignancies.

This educational activity is designed for Dermatologists, Family Physicians, General Internists, Nurse Practitioners and Physician Assistants.

### Learning Objectives

- Outline a logical and easy to follow framework for the dermoscopic evaluation of cutaneous lesions.
- Identify the features of both melanocytic and non-melanocytic lesions.
- Describe a management approach, based on dermoscopic findings, to correctly identify lesions requiring biopsy.

### Educational Workshop Room

Equipment will be available for hands-on practice and demonstrations for attendees throughout the course.

### Course Directors

**Ashfaq A. Marghoob, MD**  
Associate Attending Physician  
Director of Clinical Dermatology  
Memorial Sloan Kettering Cancer Center  
Hauppauge, New York

**Michael A. Marchetti, MD**  
Assistant Attending Physician  
Director, Melanoma Screening and Surveillance Program  
Clinical Director, Dermatology Service  
Memorial Sloan Kettering Cancer Center  
New York, New York

**Ralph P. Braun, MD**  
Consulting Staff  
Department of Dermatology  
University of Zürich  
Zürich, Switzerland

**Harold S. Rabinovitz, MD**  
Skin & Cancer Associates  
Plantation, Florida  
Clinical Professor of Dermatology  
University of Miami School of Medicine  
Miami, Florida

### Additional MSK Course Faculty

**Konstantinos Liopyris, MD**  
Research Fellow  
Dermatology Service  
Department of Medicine

**Cristian Navarrete, MD**  
Research Fellow  
Dermatology Service  
Department of Medicine

### 2<sup>nd</sup> Annual Basic Course in Reflectance Confocal Microscopy: Non-Invasive Diagnosis of Skin Cancer

#### Sunday, September 22

Reflectance confocal microscopy (RCM) is a non-invasive device that images skin lesions at cellular resolution in vivo. This one day course will help attendees develop familiarity with the basic principles and terminology of RCM. Space is very limited for this course; early registration encouraged: [mskcc.org/ConfocalCourse](https://mskcc.org/ConfocalCourse)

## Registration Details

| REGISTRATION FEES                                       | EARLY*       | GENERAL        |
|---------------------------------------------------------|--------------|----------------|
| Physicians (MDs, PhDs & DOs)                            | <b>\$800</b> | <b>\$850</b>   |
| Advanced Practice Providers                             | <b>\$650</b> | <b>\$700</b>   |
| Residents, Fellows, Nurses & Other Healthcare Providers | <b>\$525</b> | <b>\$575</b>   |
| Industry Professionals**                                | --           | <b>\$1,475</b> |

\*Early Registration Expires July 31, 2019

\*\*Industry professionals may attend MSK CME activities for their own education. Marketing, sales, and promotion of products and services is strictly prohibited at MSK CME activities.

REGISTER ONLINE:

**[mskcc.org/DermoscopyCourse](https://mskcc.org/DermoscopyCourse)**

Course registration includes continental breakfast, lunch, and refreshment breaks. Please contact [cme@mskcc.org](mailto:cme@mskcc.org) at least one week prior to the course if you have any special dietary requests or require any specific accommodations.

### Registration Discounts/Promotions

Please contact [cme@mskcc.org](mailto:cme@mskcc.org) for more information or a promotion code.

- **Military Discount** - Active military email address required.
- **Resident/Fellow Group Rates** - Group rates only apply to groups of 5 or more Residents/Fellows and cannot be used individually.
- **MSK Alumni, MSK Cancer Alliance and Cancer Care Partner Discounts Available**
- **Complimentary Registration for MSK Employees** - Please note that course registration required in order to attend.

MSK has negotiated special rates and amenities at select hotels in Manhattan. For more information, visit: [mskcc.org/cme](https://mskcc.org/cme)

### Accreditation

Memorial Sloan Kettering Cancer Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

### AMA Credit Designation Statement

Memorial Sloan Kettering Cancer Center designates this live activity for a maximum of **13.00 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### Faculty Disclosure

It is the policy of MSK to make every effort to insure balance, independence, objectivity, and scientific rigor in all continuing medical education activities which it provides as an ACCME accredited provider. In accordance with ACCME guidelines and standards, all faculty participating in an activity provided by MSK are expected to disclose any significant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services which are discussed by the faculty members in an educational presentation. As required by the ACCME, when an unlabeled use of a commercial product or an investigational use not yet approved for any purpose is discussed during an educational activity, MSK requires the speaker to disclose that the product is not labeled for the use under discussion or that the product is still investigational.

### 2<sup>nd</sup> Annual Basic Course in Reflectance Confocal Microscopy: Non-Invasive Diagnosis of Skin Cancer

MSK COURSE DIRECTORS

Manu Jain, MD  
Anthony Rossi, MD

Space is very limited for this course; early registration encouraged. Register by July 31 for early rates.

OCTOBER  
31

### Transforming Dermatology in the Digital Era

MSK COURSE DIRECTORS

Allan Halpern, MD, MS  
Steven Q. Wang, MD

NOVEMBER  
1-2

### Contemporary Management of Complex Skin Cancers

MSK COURSE DIRECTORS

Kishwer S. Nehal, MD  
Bhuvanesh Singh, MD, PhD

Includes a Reflectance Confocal Microscopy Workshop.  
Early rates valid through August 9.
