

NATCO Transplant Nutrition Conference

August 8-9, 2018

JW Marriott Indianapolis, IN

Start to Finish

**Together Towards Tomorrow...
Improving Donation and Transplant
Outcomes**

Registration Brochure

The goal of the Transplant Nutrition Conference is to provide state-of-the-art information on the science and practice of transplant nutrition to solid organ transplant dietitians and other transplant professionals. The workshop offers continuing education lectures on current adult and pediatric topics as well as a practice poster session, round-table sessions, and other opportunities for networking and informal practice discussions. New this year, we will be offering adult and pediatric specialty breakout sessions on Wednesday afternoon. This workshop is appropriate for both the entry level and the advanced practice transplant dietitian and provides content to maintain required competency in transplant nutrition.

At the conclusion of the 2-day Transplant Nutrition Workshop, the attendees will be able to:

- *evaluate and recommend appropriate nutrition treatment for the solid transplant patient, in both the adult and pediatric transplant population, while considering vitamin and mineral needs, nutritional and functional status, metabolic derangements, and medication update.*
- *Understand the application of frailty assessments and NFPE techniques as well as the concepts of pre-habilitation and re-habilitation.*
- *Have an opportunity for interaction and network building with your peers.*

The 2-day Transplant Nutrition Conference offers 15 hours of CPEUs in accordance with the Commission on Dietetic Registration.

NATCO will apply for 15.0 CEPTC, nursing contact hours for the Transplant Nutrition Conference.

This activity has been submitted to the Ohio Nurses Association (OBN-001-91) for approval to award contact hours. The Ohio Nurses Association is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation. Please call the NATCO Executive Offices at 703-483-9820 for more information about contact hours.

Please join us at the JW Marriott Indianapolis!
