

The Rianna Wingett Award 2017

Beyond the Call of Duty for FH

NOMINATIONS INVITED FROM PATIENTS ONLY

For patients, this is your opportunity to nominate your GP or healthcare professional who you feel has gone beyond the call of duty in terms of early detection of FH or raised cholesterol, or perhaps has championed new ideas on screening for these conditions or has helped you in some other way pre or post diagnosis.

The award of £150 to the winning nomination

will be presented at

HEART UK's Annual Cholesterol Conference (5-7 July)

HOW TO APPLY:

- Step 1:** Go to www.heartuk.org.uk/conference
- Step 2:** Click on "**Prizes and Awards**" along the left menu and scroll down to the details on the Rianna Wingett award.
- Step 3:** In no more than 200 words submit your nomination to the conference office by email (wheldonevents@btconnect.com) detailing why you feel your GP or healthcare professional is worthy of this award.
- Step 4:** Remember to include within the email the contact details for your nominee (address, telephone and email).
- Step 5:** For yourself, as proposer, please make sure you include your contact details including email and telephone number so we can advise you of the outcome of the nomination.

***Rianna Wingett**, who fell victim, aged 12, to FH (Familial Hypercholesterolaemia); 'Familial' because it runs in families and 'Hyper' because cholesterol deposits in the blood can be off-the-scale, compared to levels seen in those who don't have the condition.*

Deadline for applications:
Friday 7 April
