This course will be complimentary for participants. Details inside!

ADVANCES IN DEVICE-BASED THERAPIES FOR HEART FAILURE

OCTOBER 21, 2017 • NEWPORT BEACH MARRIOTT BAYVIEW, NEWPORT BEACH, CALIFORNIA

Course Overview

Advances in the treatment and management of heart failure continue to emerge, compelling the practice of cardiology to constantly evolve. These advances must be implemented into clinical practice to guarantee the best care for patients affected by these cardiovascular conditions. Expert faculty will cover a wide range of topics including the management and state-of-the-art treatment for heart failure and cardiac arrhythmias. Participants will return to their practice equipped with the latest evidence base and practical information to improve patient outcomes.

Educational Objectives

After attending this live activity, participants should be able to:

- Incorporate recent guidelines for the assessment and management of patients with heart failure into practice.
- Describe the indications and basic concepts for device therapy in heart failure, including percutaneous and durable ventricular assist devices.
- Evaluate numerous device-based therapies for managing heart rhythm disorders.
- Outline best practices for stroke risk management in patients with atrial fibrillation.
- Integrate new medical, percutaneous, device-based, and surgical therapies for the treatment of heart failure.
- Determine when to consider palliative care in advanced heart failure.

Accreditation & Disclosure

Physicians

Scripps Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Scripps Health designates this educational activity for a maximum of **4 AMA PRA Category 1 Credit(s)**[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Commercial Support

This course is supported, in part, by educational grants from industry, in accordance with ACCME accreditation Standards for Commercial Support. Appropriate acknowledgement will be given to all supporters at the time of the educational activity.

Target Audience

- Cardiologists
- Electrophysiologists
- Internists
- Family Medicine Physicians
- Nurse Practitioners
- Physician Assistants

FACULTY

Scripps Course Directors

J. Thomas Heywood, MD, FACC
Director, Advanced Heart Failure and Mechanical Circulatory Support
Scripps Clinic
La Jolla, California

Ajay V. Srivastava, MD, FACC
Director
Acute Mechanical Circulatory Support/Heart Failure Program
Scripps Clinic
La Jolla, California

Course Co-Directors

Brian H. Kim, MD
Cardiac Electrophysiology
St. Joseph Heritage Medical Group
Orange, California

Thomas C. Kim, MD
Medical Director
Non-invasive Cardiology
St. Joseph Heritage Medical Group
Orange, California

Faculty

Michael Y. Chan, MD, FACC
Cardiologist
St. Joseph Heritage Medical Group
Orange, California

Douglas N. Gibson, MD, FHRS
Director
Cardiac Electrophysiology Laboratory
Scripps Clinic
La Jolla, California

Jennifer Nowaczyk, PA
LVAD Program Coordinator
Scripps Prebys Cardiovascular Institute
La Jolla, California

Aidan R. Raney, MD, FACC
Interventional Cardiologist
St. Joseph Heritage Medical Group
Orange, California

Faculty Disclosure

In accordance with the ACCME Standards for Commercial Support, course directors, planning committees, faculty and all others in control of the educational content of the CME activity must disclose all relevant financial relationships with any commercial interest that they or their spouse/partner may have had within the past 12 months. If an individual refuses to disclose relevant financial relationships, they will be disqualified from being a part of the planning and implementation of this CME activity. Owners and/or employees of a commercial interest with business lines or products relating to the content of the CME activity will not be permitted to participate in the planning or execution of any accredited activity.

AGENDA

Saturday, October 21, 2017

7:30 a.m. Registration & View Exhibits

8 a.m. **Breakfast Symposium**

Contemporary Management of Cardiogenic Shock

Non-CME Symposium Sponsored by Abiomed, Inc.

Overview of Cardiogenic Shock

Ajay V. Srivastava, MD

The Role of the Interventional Cardiologist

Michael Y. Chan, MD

Early Recognition: The Role of the Advanced Practice Provider

Jennifer Nowaczyk, PA

“SHOCK Team” Approach

Ajay V. Srivastava, MD

8:30 a.m. Break & View Exhibits

8:45 a.m. **Welcome and Educational Overview**

Ajay V. Srivastava, MD and Brian H. Kim, MD

9 a.m. **What's New in Heart Failure Guidelines? Beyond Beta Blockers, ACE Inhibitors and Diuretics**

J. Thomas Heywood, MD

9:30 a.m. **Device-based Therapies for Treating Heart Failure and Recent Advances in Cardiac Rhythm Management**

Brian H. Kim, MD

10 a.m. **What to Do with the “Failing” Heart Failure Patient: CRT, LVAD, MitraClip®, Heart Transplant, or Palliative Care?**

Ajay V. Srivastava, MD

10:40 a.m. Break & View Exhibits

10:55 a.m. **The Evolution of Heart Failure: Revisiting Old Friends**

Thomas C. Kim, MD

11:25 a.m. **Interventional Therapies in Heart Failure: Beyond Coronary Artery Stenting**

Aidan R. Raney, MD

11:55 a.m. **Warfarin, NOAC or LAA Closure for Stroke Prevention in Atrial Fibrillation: Identifying the Patient Who Might Benefit From LAA Closure**

Douglas N. Gibson, MD

12:25 p.m. Lunch Service

12:40 p.m. **Comprehensive Approach to Pulmonary Hypertension: From Hemodynamic Monitoring to Pulmonary Vasodilators**

J. Thomas Heywood, MD

1:10 p.m. **Bringing It All Together: Case Presentations and Discussion**

J. Thomas Heywood, MD

Brian H. Kim, MD

Thomas C. Kim, MD, and

Ajay V. Srivastava, MD

1:40 p.m. **Closing Remarks and Final Adjournment**

Ajay V. Srivastava, MD and

Thomas C. Kim, MD
