

The Grand Hotel Marriott Resort, Golf Club, and Spa at Point Clear dates back to 1847 and even has a Confederate cemetery on the grounds. Today it offers a dramatic departure from standard Gulf Shores resorts and boasts two challenging golf courses at the Lakewood Club as part of the Robert Trent Jones Golf Trail. Enjoy the luxurious 20,000 square foot European-style Grand Spa, or a fabulous array of exceptional dining options including fresh seafood at the Saltwater Grill and steak specialties at the Grand Steakhouse. A sizeable marina for sailboats, yachts, and fishing boats is also available.

The delightful white sand beaches, extraordinary pool complex, and kids Fun Camp offer plenty of entertainment for the whole family. Break a sweat at one of ten tennis courts on property. Guest rooms feature new deluxe Revive® bedding, coffee/tea maker, safe, Internet access, hair dryer, iron/board, and more. Experience coastal living at its best at the Grand Hotel Marriott Resort, Golf Club & Spa.

Located 46 miles from Mobile Regional Airport (MOB) and 65 miles from Pensacola Gulf Coast Regional Airport (PNS). Having a car here is handy so you can explore the entire coast line.

HOTEL RATES: A portion of the room rate is used to partially offset the cost of refreshments served during the meeting for participants only.

Resort View: \$254
• 1 King bed or 2 Double beds based on availability.
• Single or double occupancy plus 15% Resort Activity Package Fee and 6% tax.
• Maximum occupancy 4 adults. \$20 each additional person.

DEPOSIT REQUIRED: First night deposit via check or credit card required within 10 days of booking to hold your room.

CANCELLATIONS: Cancellation of room reservation accepted without penalty until 7 days prior to arrival. Early departure fees apply. **Travel insurance recommended.**

COURSE DIRECTOR: Mark T. Murphy, MD, MSN Education, Austin, Texas, and Medical Director, Northwest Anesthesia Seminars, Pasco, Washington

TARGET AUDIENCE: This course is designed for physicians, CRNAs, physician assistants, registered nurses, and other medical care providers who must maintain state-of-the-art knowledge of not only the specialty, but also of all additional related disciplines which may impact it.

PROGRAM PURPOSE: The practitioner of anesthesiology must possess the scientific background for clinical practice; maintain state-of-the-art knowledge of not only the specialty, but also of all additional related disciplines which may impact it; maintain an up-to-the-minute armamentarium of knowledge and skills for the selection and use of complex equipment, pharmacological agents, and procedures necessary for the provision of quality patient care; manage self and colleagues to function toward common goals in the clinical setting, the clinical and educational institutions, and the community in which the practice resides; serve as an expert in matters involving health care delivery; serve as an informed manager of clinical and educational services provided, including the acquisition and distribution of resources necessary in meeting professional goals; and provide assistance with and support of other service providers, departments, institutions, and organizations dependent upon the professional expertise of the practitioner. Presentations are designed to facilitate the physician, nurse specialist, and other providers maintaining skills of the same kind to review and update knowledge and abilities in one or more of these areas vital to the practicing professional.

OBJECTIVES: At the conclusion of this activity, the participant will be able to:

Apply the pertinent physical and behavioral sciences—to include but not be limited to advanced anatomy and physiology, pathophysiology, chemistry, physics, psychology, and social sciences—as they impact and are affected by the planning, delivery, and monitoring of anesthesia and related services inherent in the anesthesia professions.

Explain the selection, dosing considerations with methods of administration, safe use, and contraindications and precautions of presented pharmacological agents through the understanding of their physicochemical properties, pharmacokinetics and pharmacodynamics, updated uses, and more recently developed additional, related, and similar drugs.

Outline comprehensive management plans for the group of patients discussed, whether related in age, physical status, cultural background, invasive procedure, anesthetic or analgesic requirements, clinical setting, adverse reactions, and/or goals of care.

Apply the principles of safety and asepsis in the performance of anesthetic procedures and administrations, equipment use, and other applications encountered during the provision of anesthesia and analgesia whether in the surgical unit, the labor and delivery suite, the pain management clinic, or other more remote location of anesthetizing services.

Incorporate the appropriate recommendations and/or requirements of pertinent external organizations, institutions, and professional groups—recognized as serving as the authority for and/or holding the responsibility to compile and approve such tenets—in the provision of anesthesia and related services, whether medical, legal, philosophical, ethical, or health care management standards.

Apply the new techniques in the clinical setting of the participant.

ACCREDITATION: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health and Northwest Anesthesia Seminars. The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health is accredited by the ACCME to provide continuing medical education for physicians.

The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health designates this live activity for a maximum of 20 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Anesthesiology: CME credit will be sent directly to The American Board of Anesthesiology to fulfill the Part 2 requirement for the Maintenance of Certification in Anesthesiology Program (MOCA®).

Anesthesiologist Assistants: The National Commission for Certification of Anesthesiologist Assistants (NCCAA) will accept CME credit for programs approved for continuing medical education by the AMA, AAPA, and ACCME.

Canadian Physicians: This activity is eligible for Section 1 credits in the Royal College's Maintenance of Certification (MOC) Program. Participants must log into MAINPORT to claim this activity.

Certified Registered Nurse Anesthetists: This program has been prior approved by the AANA for 20 CEC; AANA Code #1033538; Expiration date 6/22/17.

Nurse Practitioners: The American Academy of Nurse Practitioners Certification Program (AANPCP) and the American Nurses Credentialing Center (ANCC) accept CME from organizations accredited by the ACCME.

Osteopathic Physicians: This program is eligible for Category 2 credit with the American Osteopathic Association (AOA).

Physician Assistants: The American Academy of Physician Assistants (AAPA) accepts certifications of participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 20 hours of Category I credit for completing this program.

Registered Nurses: NWAS is an approved provider for the following state nursing boards: California Board of Registered Nursing (Provider Number 4833), District of Columbia Board of Nursing (Provider Number 50-7480), Florida Board of Nursing (Provider Number 50-7480), and the Georgia Board of Nursing (Provider Number 50-7480). This program offers 20 contact hours.

†Pharmacology hours subject to change.

Point Clear The Gulf Coast of Alabama is steeped in history. Here numerous museums, forts, and historical parks dot the landscape, just waiting to share their secrets. Visitors can satisfy a passion for golf on challenging courses, launch a sailboat or cruiser from one of many marinas and launch sites. Fish or keep fit with tennis, swimming, or horseback riding. Be sure to stroll the Eastern Shore Trailblazers trail that winds 33 miles throughout the Eastern Shore all the way to Weeks Bay to experience an abundance of wildlife and the beauty of State Champion trees, wild flowers, and landscaped beds blooming year-round. The main attraction here is miles of sparkling turquoise Gulf waters and stunningly white sand that's so soft it squeaks under your feet. Shopping along the Eastern Shore is truly an exclusive experience where you can find unique clothing, home furnishings, native crafts, antiques, and collectibles. Year-round cultural activities include live theatre productions, fine art exhibitions, and concerts. History buffs will not be disappointed; the region's small towns have museums dedicated to their fascinating history. Near Mobile, be sure to visit Battleship Memorial Park, America's most unique military attraction. Prepare your imagination for takeoff as you walk the flight line of the historic aircraft inside the huge Aircraft Pavilion. Experience life the way it was over seven decades ago on one of America's most decorated Battleships, the U.S.S. Alabama and the submarine USS DRUM, a World War II veteran with 12 Battle Stars. When it's time to eat, sample fresh seafood, Creole and Southern favorites, innovative café cuisine, and ethnic delicacies served by the area's diverse restaurants.

We have a block of rooms for seminar participants. Once this block is sold, rooms are based upon availability only and may be at a higher rate. To make reservations, please visit our website: www.nwas.com or call (800) 222-6927.

Call Universal Travel for your airfare needs. Be sure to mention Northwest Anesthesia Seminars when booking. Booking fee applies. Contact Kellee Kilmer: Phone: (858) 456-7887 or E-mail: kellee@universaltavel1.com

NWAS Northwest Anesthesia Seminars

Continuing Education for the Anesthesia Professional

Topics in Anesthesia

Point Clear, Alabama

June 19-22, 2017

FACULTY	
Neil Roy Connelly, MD	
Springfield Anesthesia Services, Inc Department of Anesthesiology Baystate Medical Center Professor of Anesthesiology Tufts University School of Medicine Springfield, Massachusetts	
Thomas E. Grissom, MD, MSIS, FCCM	
Associate Professor, Department of Anesthesiology University of Maryland School of Medicine Division of Trauma Anesthesiology R Adams Cowley Shock Trauma Center Baltimore, Maryland	
Linda E. Pelinka, MD, PhD	
Professor of Anesthesiology and Critical Care Medicine University of Vienna and Ludwig Boltzmann Institute of Experimental and Clinical Traumatology Vienna, Austria, European Union	

Course Registration		17JPC		
TUITION: In USD		MD/DO	CRNA/PA	RN/Others
Early	(Paid by 3/21/17)	\$950	\$900	\$800
Regular	(Paid after 3/21/17)	\$1000	\$950	\$850
Daily:		\$255	\$243	\$218

PAYMENT METHODS: Payment methods accepted for tuition include Visa, Mastercard, American Express, Discover, check, or money order in US funds, payable to NWAS.

SCHEDULE AND FACULTY CHANGES: Factors beyond our control sometimes necessitate changes in the schedule and faculty. If time permits, we will inform all registrants of any changes prior to the program. Changes on site due to local conditions will be announced in class.

COURSE CANCELLATION BY PROVIDER: We reserve the right to cancel a course for any reason. In such case, a minimum of 30 days notice will be given to those registered and 100% of tuition paid will be refunded. NWAS and NWWT will not be responsible for any non-refundable airfare, hotel, or other liabilities you may incur. **We highly recommend purchase of travel insurance. Travel at your own risk.**

COURSE CANCELLATION FEE: \$100 April 20, 2017 to May 20, 2017. No refund after May 20, 2017; however, 50% of tuition paid may be applied toward tuition for another NWAS program within the next 12 months. **Cancellation must be made in writing.**

FAP (FREQUENT ATTENDEE POINTS): FAP lets you accumulate points based on dollars spent with NWAS including net hotel and tuition booked through NWAS (but not air). Once you have enough points to cover a full tuition they can be redeemed for tuition (no cash value). A great program to reward you for supporting NWAS.

ERRONEOUS PRICING NOTICE: Northwest Anesthesia Seminars, Northwest Seminars, and Northwest World Wide Travel reserves the right not to honor any published prices or coupons that it determines were erroneous due to printing, electronic, or clerical error.
