Course Objectives

This 2½ day course will address the most current standards in obstetric ultrasound, emphasizing both the early identification of fetal anomalies and the integration of ultrasound findings into a multidisciplinary model of care.

Through lectures, workshops, debates, live scanning sessions and panel discussions, participants will be brought up to date on current national and international practice standards.

Accreditation

- This event is an accredited group learning activity under Section 1 of the Framework of CPD option for the **Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada** and has been assigned **17.5 credits**.
- This event has been accredited **17.5 credits** by the Continuing Education Office, Faculty of Medicine, University of Toronto for category 1 credits toward the **AMA Physician's Recognition Award**. Each physician should claim only those credits that he/she actually spent in the activity
- Canadian Society of Diagnostic Medical Sonographers**
- This course will fulfill the requirement for reflective nursing practice

Accommodation

A block of rooms is being held at the Toronto Downtown Marriott Eaton Centre, \$189 CAD single/double, (plus taxes). Rooms at the conference rate are available until the bedrooms block fill or January 19, 2017, whichever occurs first. Hotel rooms in Toronto are at a premium; please book early to avoid disappointment. Please direct your reservation requirements to the hotel reservations office stating “Obstetric Ultrasound”.
