2021 Business of Oncology Meeting Agenda | April 16, 2021

Gain insight as we explore ***Barriers to Access*** at the 2021 Business of Oncology Summit. We will be joined by leaders from ASCO, ASH, COA, NCCN, and ACCC each discussing their organization's perspectives on key strategies for the future of cancer care. Grow your knowledge of patient barriers to access for quality care, and identify potential opportunities to remove these barriers. Gain an understanding of local and national evolution in initiatives to maintain quality care for cancer patients as we review the role that different stakeholders play in resolving patient barriers to accessing quality cancer care.

KEYNOTE SPEAKERS

Impactful Leaders from National Oncology Associations

THE VISION FOR CANCER CARE

Clifford Hudis, MD
CEO
*American Society of
Clinical Oncology*

Christian Downs, MHA, JD
Executive Director
*Association of Community
Cancer Centers*

Ted Okon, MBA
Executive Director
*Community Oncology
Alliance*

THE FLASCO CONFERENCE GOAL is to continue to develop a comprehensive range of programs that emphasize the latest developments, healthcare policy, state-of-the-art information and enhanced educational strategies for the interprofessional team.

CONFERENCE OUTCOME MEASURES: Participants should be able to apply the knowledge acquired during this conference to improve their competence, performance, and/or patient outcomes in the daily work in the field of oncology. To measure attendees' perceptions of these gains, they will complete an evaluation form after the conference.

Accreditation and Credit Statements

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by the Medical Educator Consortium and the Florida Society of Medical Oncology. The Medical Educator Consortium is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

IPCE CREDIT™

This activity was planned by and for the healthcare team, and learners will receive 10.25 Interprofessional Continuing Education (IPCE) credit for learning and change.

Physician - The Medical Educator Consortium designates this live activity for a maximum of 10.25 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nursing - The Medical Educator Consortium designates this activity for 10.25 contact hours. Pharmacotherapy contact hours for Advance Practice Registered Nurses will be designated on your certificate.

Pharmacist - This Application based activity has been approved for 10.25 contact hours (1.0 CEUs) by the Medical Educator Consortium. The Universal Activity Number for this program is JA4008179-9999-21-004-L01-P. Your CE credits will be electronically submitted to CPE Monitor® within 60 days upon successful completion of the activity.

Physician Assistant - The Medical Educator Consortium has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 10.25 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Disclosure Policy - The Medical Educator Consortium (MEC) adheres to the Joint Accreditation Criteria and ACCME Standards for Commercial Support, which requires everyone in a position of controlling the content of a CME/CE activity to disclose all relevant financial relationships with commercial interests related to the activity content. MEC has implemented a mechanism to identify and resolve all conflicts of interest prior to the CME/CE activity being delivered to learners. The source of all support from commercial interests will also be disclosed to learners prior to the beginning of the educational activity. CME/CE activities must be balanced, independent of commercial bias, and designed to improve quality in health care. All recommendations involving clinical medicine must be based on evidence within the medical profession.

Disclosure of Unlabeled Use - This educational activity may contain discussion of published and/or investigational uses of agents that are not indicated by the FDA. The planners of this activity do not recommend the use of any agent outside of the labeled indications. The opinions expressed in the educational activity are those of the faculty and do not necessarily represent the views of the planners. Please refer to the official prescribing information for each product for discussion of approved indications, contradictions, and warnings.

Disclaimer - Participants have an implied responsibility to use the newly acquired information to enhance patient outcomes and their own professional development. The information presented in this activity is not meant to serve as a guideline for patient management. Any procedures, medications, or other courses of diagnosis or treatment discussed or suggested in this activity should not be used by clinicians without evaluation of their patient's conditions and possible contradictions and/or dangers in use, review of any applicable manufacturer's product information, and comparison with recommendations of other authorities.
