

Hilton Nashville Downtown Stay in the heart of 'Music City' at Hilton Nashville Downtown. You'll be treated to true Southern hospitality and premier accommodations. Dine in style at four on-site restaurants. You'll relish the hotel's central location in the midst of all there is to see and do in Nashville. Explore the history of country music, catch live performances and take in all the sights and sounds of the entertainment district, all near by. Celebrate all things country music at the Country Music Hall of Fame. Hilton Nashville Downtown is an all-suite hotel. Each suite has 1 king bed or 2 double beds (based on availability), plus a sofa sleeper in a separate parlor area with chair and ottoman. Suites also feature amenities such as a coffee maker, mini-refrigerator, two flat screen HDTVs, personal work station, iron/board, hairdryer, safe and more. The Hilton Nashville Downtown is located approximately 7 miles from the Nashville International Airport (BNA). Valet parking only at the hotel; approximately \$34 per night with in/out privileges.

HOTEL RATES: A portion of the room rate is used to partially offset the cost of refreshments served during the meeting for participants only. All rooms are non-smoking.

Run of House Room: Single/Double Occupancy: \$269
Run of House Room: Triple Occupancy: \$279
Run of House Room: Quad Occupancy: \$289
• Hotel rates are subject to a 15.25% tax + \$2.50 occupancy tax per night
• Guest room internet access is complimentary for those who book their room through NWAS/NWWT only.

DEPOSIT REQUIRED: First night's stay deposit plus tax within five days of booking to hold your room. Rooms are limited and available only through Northwest Worldwide Travel. Rate and availability not guaranteed until deposit received.

CANCELLATIONS: Cancellations of room reservations accepted until five days prior to arrival. Early departure fee applies.

COURSE DIRECTOR: Mark T. Murphy, MD, MSN Education, Austin, Texas, and Medical Director, Northwest Anesthesia Seminars, Pasco, Washington

TARGET AUDIENCE: This course is designed for physicians, certified registered nurse anesthetists, physician assistants, nurse practitioners, registered nurses and other medical care providers who must maintain state-of-the-art knowledge of the specialty or are impacted by it.

PROGRAM PURPOSE: The practitioner of anesthesiology must possess the scientific background for clinical practice; maintain state-of-the-art knowledge of not only the specialty, but also of all additional related disciplines which may impact it; maintain an up-to-the-minute armamentarium of knowledge and skills for the selection and use of complex equipment, pharmacological agents, and procedures necessary for the provision of quality patient care; manage self and colleagues to function toward common goals in the clinical setting, the clinical and educational institutions, and the community in which the practice resides; serve as an expert in matters involving health care delivery; serve as an informed manager of clinical and educational services provided, including the acquisition and distribution of resources necessary in meeting professional goals; and provide assistance with and support of other service providers, departments, institutions, and organizations dependent upon the professional expertise of the practitioner. Presentations are designed to facilitate the physician, nurse specialist, and other providers maintaining skills of the same kind to review and update knowledge and abilities in one or more of these areas vital to the practicing professional.

OBJECTIVES: At the conclusion of this activity, the participant will be able to:

Apply the pertinent physical and behavioral sciences—to include but not be limited to advanced anatomy and physiology, pathophysiology, chemistry, physics, psychology, and social sciences—as they impact and are affected by the planning, delivery, and monitoring of anesthesia and related services inherent in the anesthesia professions.

Explain the selection, dosing considerations with methods of administration, safe use, and contraindications and precautions of presented pharmacological agents through the understanding of their physicochemical properties, pharmacokinetics and pharmacodynamics, updated uses, and more recently developed additional, related, and similar drugs.

Outline comprehensive management plans for the group of patients discussed, whether related in age, physical status, cultural background, invasive procedure, anesthetic or analgesic requirements, clinical setting, adverse reactions, and/or goals of care.

Apply the principles of safety and asepsis in the performance of anesthetic procedures and administrations, equipment use, and other applications encountered during the provision of anesthesia and analgesia whether in the surgical unit, the labor and delivery suite, the pain management clinic, or other more remote location of anesthetizing services.

Incorporate the appropriate recommendations and/or requirements of pertinent external organizations, institutions, and professional groups—recognized as serving as the authority for and/or holding the responsibility to compile and approve such tenets—in the provision of anesthesia and related services, whether medical, legal, philosophical, ethical, or health care management standards.

Apply the new techniques in the clinical setting of the participant.

ACCREDITATION: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health and Northwest Anesthesia Seminars. The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health is accredited by the ACCME to provide continuing medical education for physicians.

The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health designates this live activity for a maximum of 20 *AMA PRA Category I Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Anesthesiology: CME credit will be sent directly to The American Board of Anesthesiology to fulfill the Part 2 requirement for the Maintenance of Certification in Anesthesiology Program (MOCA®).

Canadian Physicians: This activity is eligible for Section 1 credits in the Royal College's Maintenance of Certification (MOC) Program. Participants must log into MAINPORT to claim this activity.

Certified Registered Nurse Anesthetists: This program has been prior approved by the AANA for 20 CEC; AANA Code #1034657; Expiration date 5/24/18.

Nurse Practitioners: The American Academy of Nurse Practitioners Certification Program (AANPCP) and the American Nurses Credentialing Center (ANCC) accept CME from organizations accredited by the ACCME.

Osteopathic Physicians: This program is eligible for Category 2 credit with the American Osteopathic Association (AOA).

Physician Assistants: The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for *AMA PRA Category I Credit*™ from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 20 hours of Category I credit for completing this program.

Registered Nurses: NWAS is an approved provider for the following state nursing boards: California Board of Registered Nursing (Provider Number 4833), District of Columbia Board of Nursing (Provider Number 50-7480), Florida Board of Nursing (Provider Number 50-7480), Georgia Board of Nursing (Provider Number 50-7480), and the South Carolina Board of Nursing (Provider Number 50-7480). This program offers 20 contact hours.

†Pharmacology hours subject to change.

Nashville Attractions here cover the spectrum from the Civil War to Faith Hill's dress. There's something for everyone in Music City. Take a tour of an Antebellum home rich in history, visit the Grand Ole Opry, or take in a comedy while enjoying dinner with your date. Love the nightlife? You've come to the right place, because the "stars" come out at night. Hear blues, rock, country, gospel, jazz, or contemporary Christian. Only in Nashville can you step into a honky tonk on Broadway, look around and see famous faces. Small dives hidden away from the limelight showcase Nashville's true legends—songwriters. The music scene in Nashville is vibrant and contagious. Let Chopin and Mozart carry you away as you watch the Nashville Ballet or listen to the Grammy-nominated Nashville Symphony. Take in a performance of the Nashville Opera or enjoy an off-Broadway performance at the Tennessee Performing Arts Center. Beyond the great sounds is shopping. Posh boutiques, guitar stores filled with instruments, chic clothing and fashionable shops covering the gamut in style and appeal. When hunger strikes, Nashville's plate has many unique options. Known for "meat and threes" and zesty barbecue, Nashville specializes in New Southern and Southern fusion, a blend of down-home cooking and uptown dining. Are you asking yourself what makes Nashville family-friendly? Then think no further. Explore the Adventure Science Center, Cheekwood Botanical Garden and Museum of Art, Fort Nashborough, Bicentennial Capitol Mall State Park, Nashville Zoo at Grassmere, or Valley Amusement Park.

We have a block of rooms for seminar participants. Once this block is sold, rooms are based upon availability only and may be at a higher rate. To make reservations, please visit our website: www.nwas.com or call (800) 222-6927.

Call Universal Travel for your airfare needs. Be sure to mention Northwest Anesthesia Seminars when booking. Booking fee applies. Contact Kellee Kilmer: Phone: (858) 456-7887 or E-mail: kellee@universaltravel1.com

ACLS/PALS payments after 5/1/18 increase \$25.			

PAYMENT METHODS:

Payment methods accepted for tuition include Visa, Mastercard, American Express, Discover, check, or money order in US funds, payable to NWAS.

SCHEDULE AND FACULTY CHANGES:

Factors beyond our control sometimes necessitate changes in the schedule and faculty. If time permits, we will inform all registrants of any changes prior to the program. Changes on site due to local conditions will be announced in class.

COURSE CANCELLATION BY PROVIDER:

We reserve the right to cancel a course for any reason. In such case, a minimum of 30 days notice will be given to those registered and 100% of tuition paid will be refunded. NWAS and NWWT will not be responsible for any non-refundable airfare, hotel, or other liabilities you may incur. **We highly recommend purchase of travel insurance. Travel at your own risk.**

COURSE CANCELLATION FEE:

\$100 March 22, 2018 to April 21, 2018. No refund after April 21, 2018; however, 50% of tuition paid may be applied toward tuition for another NWAS program within the next 12 months. **Cancellation must be made in writing.**

FAP (FREQUENT ATTENDEE POINTS):

FAP lets you accumulate points based on dollars spent with NWAS including net hotel and tuition booked through NWAS (but not air). Once you have enough points to cover a full tuition they can be redeemed for tuition (no cash value). A great program to reward you for supporting NWAS.

ERRONEOUS PRICING NOTICE:

Northwest Anesthesia Seminars, Northwest Seminars, and Northwest World Wide Travel reserves the right not to honor any published prices or coupons that it determines were erroneous due to printing, electronic, or clerical error.
