CONFERENCE DESCRIPTION

Our **28th Annual Winter Conference on Emergency Medicine** is designed to provide emergency physicians, nurses, nurse practitioners, PAs, as well as out-of-hospital providers, with state-of-the-art information on a wide variety of topics in emergency medicine. The goal of this conference is to increase knowledge and enhance the competence of attendees. Emphasis will be placed on practical application of the evidence-based topics presented.

Topics for this year's conference have been selected based on the educational needs determined from the identified professional practice gaps. The gaps were derived from a variety of sources including evaluations and outcomes data from past participants; clinical expert input; Symposia Medicus' online survey; and other medical and nursing data.

Conference format will include didactic lectures, smaller group breakout and interactive sessions, case studies, and question and answer sessions.

An outstanding faculty has been assembled for this conference. Each member was selected based on their individual area of expertise and ability to communicate current, evidence-based, and practical information to participants.

You are sure to enjoy our **28th Annual Winter Conference on Emergency Medicine** while sharing ideas and experiences with colleagues from across the country on the beautiful island of Kauai, Hawaii.

CONFERENCE OBJECTIVES

As a result of participating in this conference, you should have increased knowledge and enhanced competence to...

- Perform ultrasound evaluation of the trauma patient
- Provide options for non-pharmacologic intervention in pediatric psychiatric emergencies
- Decide the optimal antibiotic(s) for various forms of MRSA infection
- Identify key visual findings associated with specific diagnoses
- Recognize the physiologic changes associated with pregnancy and how these changes modify the typical approach to trauma diagnosis and resuscitation
- Appropriately monitor a child who is receiving medications for pain or sedation

ATTENDEE REQUIREMENTS

At the conclusion of attending this conference, participants are entitled to a certificate of credit which will be available online. Successful completion of this activity is determined by attending the live activity, review of the educational session materials, and submission of the pre/post case study survey, evaluations, and attendance verification form. CONFERENCE LOCATION

Aloha! Kauai, known as Hawaii's "Garden Island," offers scenic splendor along its 90 miles of coastline. Kauai is famous for its breathtaking botanical beauty and spectacular white-sand beaches. The island offers a wealth of diverse ecosystems that can be explored with a rental car. You can head to the north shore, where you will find the legendary Napali coast with its rich green cliffs and breathtaking waterfalls. Or, head into the heart of Kauai to discover Waimea Canyon, the "Grand Canyon of the Pacific," with its unforgettable views of crested buttes and deep valley gorges.

The Sheraton Kauai Resort sits on the southern shore of Kauai, on stunning **Poipu Beach**. The crescent-shaped white sand beach is a local favorite for its sunny weather and crystal-clear ocean water. You will have plenty of time to enjoy the beautiful beach or one of the resort's two swimming pools: an ocean front pool or a tranquil garden pool. The resort also offers a complete fitness center and two wonderful restaurants. Also, located on property is the ocean front Aulii Luau, featuring a lavish Hawaiian buffet and authentic cultural entertainment. Various restaurants and shopping centers are just a short walk away at the Poipu Shopping Village. During conference breaks, you can enjoy a wealth of activities in the area such as surfing, sailing, scuba diving, or snorkeling.

Take this opportunity to relax and rejuvenate in the beautiful environment of The Sheraton Kauai Resort while attending our **28th Annual Winter Conference on Emergency Medicine**.

For our complete calendar of conferences, please visit www.symposiamedicus.org. Brochures are available 6-8 months prior to the conference.
