

AAOS BOARD MAINTENANCE OF CERTIFICATION PREPARATION AND REVIEW

November 2 – 4, 2017
Boston, MA

A key component of your MOC plan

As you prepare for the computer-based ABOS General Clinical Recertification Examination, turn to the AAOS for support!

Focus on advances across the orthopaedic specialties, management options for reconstructive and traumatic musculoskeletal conditions, assess evidence-based orthopaedic literature, and “check-up” on your knowledge in every area of orthopaedics. Your faculty uses and references *AAOS Comprehensive Orthopaedic Review 2*, *Orthopaedic Knowledge Update*, *JAAOS*, and other orthopaedic evidence-based literature as a basis for the lectures. 30% of your time is spent answering assessment questions using an audience response system with immediate faculty review and comment.

O. Alton Barron, MD
Course Director

Albert J. Aboulafia, MD
Course Director

Continue the challenge!

- **Electronic syllabus** – available with course registration
- **Select course faculty presentations** for additional high-yield review
- **400+ take-home questions** include discussion, preferred response, and reading recommendations
- **90 Minute On-Demand Webinar** on test-taking strategies

At the conclusion of this course, learners should be able to:

- Interpret current clinical, laboratory, and diagnostic imaging studies for musculoskeletal conditions
- Demonstrate clinical decision-making skills in pediatric and adult musculoskeletal disorders
- Differentiate between current operative and non-operative treatment strategies for a wide spectrum of adult and pediatric, upper and lower extremity, and traumatic and non-traumatic orthopaedic conditions
- Apply evidence-based orthopaedic literature to your practice concerning a wide array of common musculoskeletal conditions in children and adults

The **American Board of Orthopaedic Surgery (ABOS)** does not provide content or material for this educational program. ABOS does not recommend or endorse any review course or preparatory materials.

Accreditation Statement

The American Academy of Orthopaedic Surgeons is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education (CME) for physicians.

AMA Credit Designation Statement

AAOS designates this live activity for a specific number of *AMA PRA Category 1 Credits™*. Physicians should claim only the credits commensurate with the extent of their participation in the activity.

Obtaining CME Credit

Course participants must complete and submit an online evaluation form to receive CME credit.

Course Cancellation

The Academy reserves the right to cancel a course thirty (30) days prior to the course start date. Any person who has registered for the course will be notified by email at the address noted in the AAOS member database. A telephone call will also be made to each registrant for whom a number is available. Persons whose registration is received after a course is cancelled will be notified by telephone and email. Registration fees will be refunded in full. However, other costs incurred by the registrant, such as airline or hotel penalties are the responsibility of the registrant.

“A perfect forum for exam prep. Super-efficient. All presenters brought pertinent points forward throughout entire course.”

“This was exactly what I needed to help me get started in my preparations for the MOC.”
