3:00 pm	Adjourn

GENERAL INFORMATION

CONCEPT

The 7th Annual Management of the Complex Hospitalized Patient conference is designed to provide physicians, physician assistants, and nurse practitioners with information and skills to improve their care of hospitalized patients. Topics presented will focus on special populations, such as geriatrics, and medical problems that span a spectrum of sub-specialties, such as end of life care, prognostication, and wound care. In addition, we will examine growing trends, such as accountable care organizations and information technology systems, and what that means for our patient population and care. We will also address upcoming regulatory changes and review existing definitions. Optional modules from the American Board of Internal Medicine Maintenance of Certification will be available at an additional fee.

This program has been designed to reflect the changing epidemiology of our hospitalized patients, from age to obesity. It will feature an interactive, computerized audience response system which will be employed to facilitate audience participation and teach-back techniques.

OBJECTIVES

After participating in this comprehensive activity, the learner should be able to:

- Apply evidence based updates in multidisciplinary care of the hospitalized patient to their daily practice
- Delineate recent regulatory, legal, and scientific changes that will impact hospital based practice
- Acquire tools to evaluate current systems, make changes, and deliver best practice models within a hospital

SPONSORSHIP

This program is sponsored by the Department of Medicine, Baylor Scott & White Health, Temple, Texas, Texas A&M Health Science Center College of Medicine, College Station, Texas and the Central Texas Chapter of the Society of Hospital Medicine.

ACCREDITATION

The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CONTINUING EDUCATION CREDIT

The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health designates this live activity for a maximum of 22 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Please note that 22 *AMA PRA Category 1 Credits*[™] is inclusive of a total of 4 credits for the Optional ABIM SEP Module Workshops (additional fee required for each module).

CANCELLATION/REFUND POLICY

We request that all conference attendees pre-register to assure the availability of all conference materials. No refunds will be provided for cancellations received after July 27. Refunds (minus \$100 administration fee) will be provided to registrants who cancel their registration in writing up to July 27.

The conference organizers will not be responsible for reimbursement of airline fees and other accommodation expenses. Walk-in registrations are accepted, but we cannot guarantee seating or conference materials the day of the conference.

MEETING AND LODGING

This activity will be held and a block of sleeping rooms reserved at the Hyatt Regency Hill Country Resort and Spa, 9800 Hyatt Resort Drive, San Antonio, Texas 78250. A special guest room rate of \$210 single/double (plus tax) has been granted for attendees of this meeting.

An additional resort fee of \$35 per day covers hard wired and wireless Internet in guest rooms, unlimited access for local, 800 or 888 and in-state credit card calls, unlimited access to the Health Club, tennis courts, bicycles, golf club storage, unlimited access to golf practice facilities, and 10% discounts on golf and spa merchandise, and complimentary self-parking.

To make reservations at this rate, visit the conference website at <http://cme-hospitalist.sw.org>, or telephone the hotel directly at 888-421-1442 and identify yourself as attending the Scott & White Management of the Complex Hospitalized Patient. Reservations requested after July 18, 2018, will be accepted only on a space available basis.
