

COLORADO FOOT & ANKLE SOCIETY

Colorado Podiatric Medical Association

Educational Conference

October 2-3, 2015

Doubletree Hotel, Greenwood Village, CO

10% PICA Credit

Up to 17 Hours of CME

2015 EDUCATIONAL CONFERENCE SCHEDULE

THURSDAY, OCTOBER 1

6:00-8:00 pm Residents Grand Rounds (additional CME credits for attending)

FRIDAY, OCTOBER 2

- 7:15 am **Registration. Breakfast with Exhibitors**
- 7:55 Welcome: **Dr. Matthew Paden**, Program Chairman
- 8:00-8:30 **Richard Derner, DPM**
How to Deal with Bunion Complications
- 8:30-9:00 **John Levin, DPM**
Posterior Tibial Tendon Dysfunction
- 9:00-9:30 **John Levin, DPM**
Pes Cavus
- 9:30-10:00 **Richard Derner, DPM**
Surgical Repair of Pes Cavus
- 10:00-10:30 **Break. Visit Exhibitors. Break snacks in Exhibit Hall**
- 10:30-11:00 **Michael Gentile, DPM**
Peroneal Pathology
- 11:00-11:30 **Kelly Lindauer, MD**
Imaging Case Studies
- 11:30-12:00 **Michael Gentile, DPM**
Acquired Achilles Pathology
- 11:30- 12:15 **Annual Meeting for Colorado Foot & Ankle Society Members**
- 12:00-1:00 **Lunch**

1:00-1:30	Richard Derner, DPM Hallux Limitus
1:30-2:00	Michael Gentile, DPM Periarticular Osteotomies in Flat Feet
2:00-3:00	Expert Panel Predislocation Syndrome
3:00-3:25	Break. Visit Exhibitors. Break snacks in Exhibit Hall
3:30-4:30	John Sacha, MD Current Topics in Pain Management
4:30-5:00	Michael Gentile, DPM Ankle Instability
5:00-5:30	Dustin Kruse, DPM Vitamin D Deficiency and Metabolic Nonunions
5:30	Adjournment

SATURDAY, OCTOBER 3

7:15 am	Registration. Breakfast with Exhibitors
8:00-8:30	Richard Derner, DPM 4-5 Metatarsal Cuboid Fusion
8:30-9:10	Jack Schuberth, DPM State of the Art of Calcaneal Fracture Treatment
9:10-9:40	Raymond Blum, MD Emerging Resistance in the Community
9:40-10:10	Michael Gentile, DPM Ankle Arthroscopy
10:10-10:35	Break. Visit Exhibitors. Break snacks in Exhibit Hall
10:40-11:10	Alan Synn, MD Endovascular vs. Bypass
11:10-11:50	Jack Schuberth, DPM Practical & New Concepts in Inarticular Derangement of the Ankle
11:50-12:40	Lunch

- 12:45-1:15 **Michael Gentile, DPM** Deltoid Reconstruction
- 1:15-2:00 **Jack Schuberth, DPM**
Pushing the Limits of Total Ankle Arthroplasty
- 2:00-3:00 **June Baker Laird, JD**
✓ PICA Credit Presentation
Top Ten Reasons for Law Suits against Podiatrists
- 3:00-3:20 **Break. Visit Exhibitors. Break snacks in Exhibit Hall**
- 3:20-4:00 **Jack Schuberth, DPM**
Simplifying the Mystique of Bunion Surgery
- 4:00-5:00 **Jack Schuberth, DPM**
The Influence of Industry on Practice Patterns and the Orthopedic Literature
- 5:00 **Adjournment**

FACULTY

Raymond N. Blum, MD, is Board Certified in internal medicine and infectious disease and has a special interest in patients with osteomyelitis. As Assistant Clinical Professor of Medicine at University of Colorado, he has been recognized as an outstanding physician-teacher. He's in private practice with Infectious Disease Consultants in Denver. A Denver native, he received his MD from the University of Colorado where he also completed residency and fellowship training.

Richard Derner, DPM, FACFAS, completed his DPM degree at Ohio College of Podiatric Medicine, his residency at Highlands/Doctors Hospital in Denver and a fellowship in trauma at the A.O. Clinic, St. Elizabeth Hospital, Ravensburg, Germany. He's in private practice at Lake Ridge/Stafford Foot and Ankle Centers in Virginia.

Michael A. Gentile, DPM, is Board Certified in Foot and Rearfoot and Ankle Reconstructive Surgery. He is an attending surgeon/teacher for the Legacy/Kaiser Portland Hospital podiatric residency program. A frequent national lecturer and teacher of surgical workshops, he's a contributor to the ACFAS Textbook on Foot and Ankle Arthroscopy. He's also a co-designer of an innovative foot and ankle plating system. His interests include sports medicine. He's in a group practice in Portland, OR. He confesses to being a foodie and passionate about literature, music, useless pop culture, yoga and hiking.

Dustin Kruse, DPM, MA, FACFAS, received his bachelor's degree (chemistry) and master's degree (bioethics) from Case Western Reserve in Ohio. He attained his DPM from Ohio College of Podiatric Medicine and completed his residency at Highlands/Presbyterian St. Luke's Hospital in Denver. He's in a group practice at Rocky Mountain Foot and Ankle Center, Wheat Ridge, CO. His interests include trauma and reconstructive surgery.

June Baker Laird, JD, is a Partner at McElroy, Deutsch, Mulvaney & Carpenter, Greenwood Village, CO. She is well known as an attorney who is highly knowledgeable about Colorado podiatric issues and practice.

John S. Levin, DPM, FACFAS, specializes in reconstructive surgery of the foot and ankle. He has a special interest in limb salvage surgery including complex reconstructions of infections and failed surgery. He is the Director of the Foot and Ankle Residency at JFK Medical Center, Atlanta, FL. He has extensive presentation and research experience on studies including gout, neuropathic diabetic foot ulcers and ankle sprain. He's in practice at the Orthopedic Center of Palm Beach County, FL.

Kelly Lindauer, MD, is a graduate of Duke University School of Medicine, is board certified in diagnostic radiology and has authored several articles on various radiology topics. He's a member of Diversified Radiology of Colorado.

John T. Sacha, MD, is a nationally recognized expert in interventional pain management and complex spinal disorders. He's board certified in Physical Medicine and Rehabilitation, Pain Management and Electrodiagnostic Medicine. He is the Director of Colorado Pain and Rehabilitation's Interventional Pain Fellowship Program. He's a member of state and national medical committees and is former Chair of the State of Colorado Workers Compensation Guidelines Committee. He's a world-ranked tournament poker player.

Jack Schuberth, DPM, is recognized as an outstanding educator at various residency programs and has authored over 85 publications. He is well known as an expert on ankle replacement including arthritic ankles with severe concomitant foot deformities. He's established an extensive data base to assess outcomes of ankle replacement over the long term. He's had over 100 residents and visiting fellows from all over the world rotate through his hospital for training. He is a member of the Department of Orthopedic Surgery at Kaiser Permanente San Francisco.

Alan Synn, MD, is Board Certified in Vascular Surgery and General Surgery. He is in private practice at the Vascular Institute of the Rockies, Denver, CO. His special interests include complex arterial surgery and endovascular therapies. He's a scientific investigator and instructor for medical students and trainees. His research has been published in the areas of complex leg artery bypass surgeries, noninvasive vascular lab, arteriography, carotid arterial reconstructions, venous disease, thrombolysis and thoracic outlet surgery. He's past president of Denver Medical Society and the Rocky Mountain Vascular Surgical Society.

MEETING GOALS AND OBJECTIVES

- Identify interventions for bunion complications
- Understand principles of tibial tendon dysfunction
- Review the pes cavus and surgical repair
- Understand pathology of acquired Achilles and peroneal pathology
- Learn orthotic interventions for the cavus foot and lateral ankle instability
- Review hallux limitus
- Review osteotomies in flat foot
- Identify and manage predislocation syndrome
- Understand management of patients with CRPS
- Identify pain management resources
- Review ankle instability
- Understand the relationship between Vitamin D deficiency and metabolic nonunions
- Review principles of metatarsal cuboid fusion
- Understand state of the art calcaneal fracture treatment
- Understand the causes of emerging resistance to antibiotics in the community
- Review current techniques for ankle arthroscopy
- Understand the benefits of endovascular repair vs. bypass surgery
- Review concepts in derangement of the ankle
- Identify major reasons for podiatric law suits
- Review techniques of bunion surgery
- Recognize the influence of industry on practice patterns and the orthopedic literature

CONTINUING MEDICAL EDUCATION

This program may be approved for up to 15.5 hours (or 17 hours if Grand Rounds are attended as well) of Continuing Education Contact Hours. The Colorado Podiatric Medical Association is approved by the Council on Podiatric Medical Education as a sponsor of continuing education in podiatric medicine.

HOTEL INFORMATION

The Doubletree Hotel is at 7801 East Orchard Road, Greenwood Village, CO. The preferred room rate is \$99 plus tax for single or double.

Please register by Saturday Sept. 12 to ensure the preferred rate. To make your reservation please call 303-779-6161 or 800-222-8733 and ask for the Colorado Foot & Ankle Society or the Colorado Podiatric Medical Association.

Driving Directions are on our web site: www.colopma.org. Click on Annual Conference. The hotel is just off Interstate 25. Exit Orchard Road going west and the hotel is about a half mile on your right.

STAFF

There is a one-day staff program on Friday, Oct. 2. Please contact **Anne-marie Zuccarelli** for further information.
