Correctional Health Care

1145 W. Diversey Parkway • Chicago, IL 60614
Phone: 773-880-1460 • Fax: 773-880-2424 • info@ncchc.org • www.ncchc.org/national-conference

Celebrating the Past. Shaping the Future

Choose from more than 100 concurrent sessions, including:

- The Science of Violence Risk Assessment
- Contracting for Health Services: From RFP Development to Contract Monitoring
- Outbreak! Are You Ready?
- Acute and Chronic Pain: Safe Treatment Without Opioids
- New Models of Care in Corrections
- Why Food Matters: Physical and Psychosocial Health of Incarcerated Women
- The Impact of Class Action Litigation on You as a Provider
- Substance Use, Health History and Sociodemographic Factors of Youth: How Do They Intersect?
- The Hidden Dangers of Tattoos
- Telehealth: Improving Clinical Outcomes and Reducing Costs
- Diagnostic Maneuvers You May Have Missed in Nursing School
- Death in a County Jail: An Interactive Discussion of What to Do
- Become More Patient-Centered by Leveraging Your Electronic Health Record
- Nursing in Corrections: Top Legal and Ethical Issues

Did you know?

You'll **SAVE UP TO \$75** and you could win two free nights at the Paris Hotel if you **register by September 14.**

GAIN KNOWLEDGE AND EXPERTISE

Whether you're a seasoned leader or a newcomer to corrections, you are sure to find valuable guidance at the 40th National Conference. With sessions geared toward basic, intermediate and advanced levels of experience and knowledge, this conference will deliver an unparalleled array of opportunities to learn and grow.

MAKE VALUABLE CONNECTIONS

The National Conference is the perfect place to meet new people and talk shop. Built-in networking opportunities include scheduled coffee breaks, lunches and exhibit hall breaks. Strike up a conversation, and chances are you'll make an important professional connection – and maybe a new friend.

LEARN ABOUT NEW PRODUCTS

The National Conference is home to the largest exhibit hall in correctional health care. This is your chance to experience the goods and services that make your work more efficient and effective, with knowledgeable representatives from the top names offering state-of-the-art products.

Educational Poster Display

From research results to program innovations, poster presenters will share their findings during the exhibit hall opening reception on Sunday evening. Posters also are available for viewing during exhibit hall hours.

NCCHC's 40th National Conference on Correctional Health Care is shaping up to be the biggest and best ever! In addition to the timely topics, breadth of knowledge and depth of expertise you've come to expect at NCCHC conferences, you'll find extra activities and surprises to make it a truly memorable, fun and festive 40th. Come celebrate correctional health care's history and welcome its bright future in Las Vegas, the brightest spot on earth!

CONFERENCE BENEFITS

- Discover the latest tools, techniques and solutions from top professionals in correctional health care
- Learn how other organizations have successfully implemented programs
- Gain insights from national experts during keynote presentations
- Choose from more than 100 content-filled educational sessions
- Deepen your knowledge by taking part in preconference seminars
- Earn up to 32 hours of continuing education credit (includes preconference seminars; separate registration required)
- Network with colleagues, from top decision makers to in-the-trenches staff
- View new products and services in the exhibit hall
- Download the PowerPoint presentations before and after the conference
- Explore Las Vegas

Roundtable Breakfast Discussions

Participate in discussions on hot topics and emerging issues, seek advice and share insights. Open to all attendees and a great way to start the day!

Viva Las Vegas!

What better place for a celebration than Las Vegas?

Vibrant, colorful, glitzy Las Vegas – the Entertainment Capital of the World – attracts more than 41 million visitors each year, making it one of the top tourist destinations in the world. They come for the entertainment, shopping, fine dining, nightlife and, of course, the casinos. With its neon opulence and around-the-clock excitement, there really is no place quite like Las Vegas.

Inside the Paris Hotel, guests are transported from the bustle of the Strip into the romance of the City of Lights, complete with bubbling fountains, winding alleyways, charming boutiques and restaurants that resemble Parisian cafes. Dining, entertainment, nightlife and accommodations at the Paris Hotel are très magnifique!

CONTINUING EDUCATION CREDIT

The maximum CE hours indicated below include participation in preconference seminars.

CCHPs: Certified Correctional Health Professionals may earn up to 32 contact hours of Category I continuing education for recertification.

Dentists: The National Commission on Correctional Health Care is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

NCCHC designates this activity for 32 continuing education credits.

Nurses: The National Commission on Correctional Health Care is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

NCCHC designates this educational activity for a maximum of 32 contact hours.

Physicians: The National Commission on Correctional Health Care is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. NCCHC designates this live activity for a maximum of 32 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Psychologists: The National Commission on Correctional Health Care is approved by the American Psychological Association to sponsor continuing education for psychologists. NCCHC maintains responsibility for this program and its content. This educational activity has been approved for up to 32 hours of credit. (See the Schedule at a Glance for sessions that have been approved for APA credit.)

Social Workers: NCCHC has applied for 32 credits from the National Association of Social Workers.

To receive continuing education credit, log in on-site or from your home or office after the conference.

Did you know?

Sixteen of the original group of CCHPs who received certification in 1991 are still certified today.

CONFERENCE EDUCATIONAL OBJECTIVES

- Demonstrate understanding of correctional health care issues, including quality of care, access to care, financial management and workforce development
- Identify major health care, research and policy issues facing incarcerated individuals, including infectious diseases, mental illness, substance abuse and special needs (e.g., women's issues, juvenile health, geriatrics, disability)
- Demonstrate increased understanding of skills necessary to better manage common medical, nursing, dental and psychological problems found in correctional settings
- Describe legal, ethical and administrative issues and develop solutions for the correctional setting

CCHP: CELEBRATING 25 YEARS OF LEADERSHIP, COMMITMENT AND EXPERTISE

Participation in NCCHC's Certified Correctional Health Professional program is an investment in your future and a symbol of your professionalism. Certification recognizes the mastery of national standards and the knowledge expected of leaders in this complex, specialized field.

The CCHP and all specialty exams will be offered at the National Conference. What better time to take the next step in your career than during CCHP's 25th anniversary year?

CCHP, CCHP-MH, CCHP-RN exams: Sunday, October 23, 1 pm

CCHP-P exam: Monday, October 24, 3 pm

CCHP-A exam: By special arrangement

Find more information and register at www.ncchc.org/cchp. Applications must be received by September 15.

Current CCHPs: Be on the lookout for more information about anniversary surprises, including a special reception, fun photo booth and more!

CCHP The Mark of Professional Leadership, Commitment and Expertise

A program of the National Commission on Correctional Health Care

For all professionals working in correctional health, including administrative and support staff

CCHP The NCCHC Certified Correctional Health Professional program recognizes your mastery of national standards and the knowledge expected of leaders in this complex, specialized field. The CCHP credential is a symbol of achievement and leadership that provides immeasurable benefits, including professional recognition and pride. It is also a stepping-stone (and an eligibility requirement) toward advanced and specialty certifications.

SPECIALTY CERTIFICATIONS

CCHP-MH Correctional mental health professionals face unique challenges. They must provide effective, efficient care to a high-acuity population while facing strict security regulations, crowded facilities and myriad legal and public health concerns. Specialty certification for qualified mental health professionals recognizes dedication to quality service delivery.

CCHP-P Specialty certification as a CCHP - Physician provides validation of a commitment to maintain the knowledge necessary to augment competent and appropriate clinical care to incarcerated patients. A CCHP-P has shown a mastery of specialized content developed by physician experts in the field of correctional health care.

CCHP-RN Specialty certification makes a difference—to the patients whose care is provided by certified correctional nurses, to employers who desire top-notch nurses on staff and to the nurses who attain the credential. CCHP-RN certification recognizes registered nurses who have demonstrated the ability to deliver specialized nursing care in correctional settings.

ADVANCED CERTIFICATION

CCHP-A The CCHP - Advanced program recognizes CCHPs who have demonstrated

excellence, commitment and contribution to the field of correctional health care and their relative discipline or profession. Advanced certification requires at least three years of participation in the certification program, and demonstration of extensive experience in and 360-degree knowledge of correctional health services delivery.

Exams are administered several times throughout the year. Apply today and join the thousands of correctional health professionals who have earned the distinction of certification from NCCHC.

For more information, visit www.ncchc.org/CCHP.

Topical, informative seminars will help you stay up-to-date on critical issues facing the field. Maximize your education and CE hours while you learn about NCCHC standards and other vital subjects. Separate registration fee is required.

P-01 An In-Depth Review of NCCHC's 2014 Standards for Jails and Prisons

Saturday, October 22, 9 am – 5 pm, \$195

Richard Clarke, MD, CCHP-P, Consultant; Tracey Titus, RN, CCHP-RN, National Commission on Correctional Health Care

This seminar will discuss the 2014 *Standards*, which are NCCHC's recommendations for managing medical and mental health care delivery in adult correctional facilities and the foundation of its accreditation program. These editions recognize current best practices and conditions for the field, with new recommendations for continuous quality improvement, clinical performance enhancement, patient safety, initial health assessment, pharmaceutical operations and women's health. Whether or not your facility is accredited (or plans to be), this practical seminar will give an overview of the changes and guidance in how to achieve and demonstrate compliance. You will leave equipped to implement quality improvements that will lead to more efficient and effective delivery of services, better patient health care, fewer adverse events and reduced liability risk. The registration fee includes a copy of the relevant *Standards* (jail or prison), an \$80 value. **7 CE credits**

P-02 An In-Depth Review of NCCHC's 2015 Standards for Mental Health Services

Saturday, October 22, 9 am – 5 pm, \$195

Judith Cox, MA, CCHP, JFC Consulting; Steven Helfand, PsyD, CCHP, Consultant

The 2015 edition of the groundbreaking *Standards for Mental Health Services* will be reviewed at this seminar. The *Standards* provide a framework for improved mental health care delivery and outcomes in adult correctional facilities. The foundation of NCCHC's mental health accreditation program, these standards parallel those for health services in format and substance, but they make more explicit what the standards require for adequate delivery of mental health services. Whether or not your facility plans to be accredited, this seminar will explain what the standards say with regard to the areas of care and treatment, clinical records, administration, personnel, legal issues and more. You will leave equipped to implement quality improvements that will lead to more efficient and effective delivery of services, better patient care, fewer adverse events and reduced liability risk. The registration fee includes a copy of the *Mental Health Standards*, an \$80 value. **7 CE credits**

P-03 An In-Depth Review of NCCHC's 2015 Standards for Juvenile Facilities

Saturday, October 22, 9 am – 5 pm, \$195

Joseph Penn, MD, CCHP, University of Texas Medical Branch; Steven Shelton, MD, CCHP-P, CCHP-A, Oregon Department of Corrections

This seminar will discuss the 2015 *Standards*, NCCHC's recommendations for managing medical and mental health care delivery in juvenile detention and confinement facilities. These standards parallel those for adult health services in format and substance while making more explicit what the standards require for adequate delivery of health services for juveniles. Whether or not your facility plans to be accredited, this practical seminar will explain what the standards say with regard to care and treatment, clinical records, administration, personnel, legal issues and more. You will leave equipped to implement quality improvements that will lead to more efficient and effective delivery of services, better patient care, fewer adverse events and reduced liability risk. The registration fee includes a copy of the *Standards*, an \$80 value. **7 CE credits**

P-04 Beyond Good and Evil: The Soul of the Psychopath

Sunday, October 23, 9 am – 12:30 pm, \$99

Joel Andrade, PhD, LICSW, CCHP, MHM Correctional Services; Thomas Fagan, PhD, CCHP-MH, Nova Southeastern University

Take an extraordinary journey through the twisted corridors of the mysterious mind of the psychopath. This session will explore the origins and evolution of the concept of the psychopath while peeling back layers of criminal thinking to discover how and why psychopaths see the world as they do. Participants will learn about the genetic, environmental and neuropsychological correlates with psychopathic behavior; investigate why the minds of some individuals may be wired for crime; and consider how their distorted inclinations truly are beyond good and evil. Using videotaped interviews, participants will learn to identify the unique signs, symptoms and traits of the psychopathic personality and mind. **3.5 CE credits**

Did You Know?

By attending preconference seminars,
you can earn up to 14 additional hours of CE.

P-05 Continuous Quality Improvement: Strategies to Measure Change

Sunday, October 23, 9 am – 12:30 pm, \$99

TBA

Effective continuous quality improvement programs advance patient care, improve efficiencies in medical and mental health services delivery, help health professionals practice smarter, enable analysis of outcomes and lead to objective analyses of areas needing improvement. A well-formulated CQI program also enables a correctional system to effectively respond to litigation. Despite these benefits, health professionals often view CQI as an accreditation requirement rather than as an essential component of the overall program. Participants will gain appreciation for the clinical and administrative value of a comprehensive CQI program and learn how to implement a useful program. **3.5 CE credits**

P-06 Gender Dysphoria: A Comprehensive Approach to Treatment and Policy Management

Sunday, October 23, 1:30 pm - 5 pm, \$99

Mark Fleming, PhD, CCHP-MH, Jessica Lee, MSN, RN, CCHP, Mariann Burnett-Atwell, PsyD, CCHP, Katie West, JD, Scott Eliason, MD, CCHP-MH, and Laura McKinnon, MA, CCHP-MH, Corizon Health

Multiple systems are affected when treating patients with gender dysphoria in the correctional environment. This presentation will explore current thoughts on treating gender dysphoria and managing in multiple areas including mental health, psychiatry, nursing, correctional administration, PREA and legal issues. The panel will provide concrete examples on what to include in creating policy for this population and will share examples of policies used across the country. **3.5 CE credits**

P-07 How to Maximize the Affordable Care Act Provisions to Your Benefit

Sunday, October 23, 1:30 pm – 5 pm, \$99

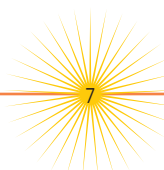

Deana Johnson, JD, MHM Correctional Services

The Affordable Care Act is perhaps the most significant and transformative development in correctional health care in recent history. Its adoption and implementation varies among the states that have undertaken Medicaid expansion. This seminar explores the legal impact, including how this law interacts with other federal laws and regulations, such as HIPAA, and details operational aspects of how the ACA is changing the field. Participants will learn a practical framework for implementing the ACA into correctional health care systems, from enrolling eligible patients to developing provider networks to processing and paying claims. This session will encourage dialogue with some of the leaders on this subject. **3.5 CE credits**

Did You Know?

100% of CCHP exam-takers who attended a Standards preconference seminar before taking the exam at the 2015 National Conference passed.

We have taken systems proven effective in large state Medicaid programs and introduced them to corrections with strong positive results.

Engolve is a suite of care management solutions proven effective in freeworld managed care settings and is now available to correctional agencies through Centurion. Engolve encourages inmates to take a more active role in their overall health, better preparing them to manage their health in the community after release from prison.

When it comes to innovative ideas in correctional health care, we've taken the shackles off.

Wexford Health is stretching the boundaries of innovation to bring you more efficient, safer, and smarter health care. Our 340-B pharmacy, re-entry, and Medicaid reimbursement programs are at the forefront of the industry. And with our telehealth services and electronic medical records, we can speed up care, improve outcomes, and save you money. For ideas that break out of the box, but don't break the bank, visit wexfordhealth.com.

SUNDAY – TUESDAY

Visit the exhibition to meet new suppliers who can save you time and money and help you maintain and improve quality of care. From medications to health care management, from mental health to dental, pharmacy and optometry services, you'll find the resources you need in the exhibit hall.

Contact sales@ncchc.org for more information.

Did you know?

More than 100 companies exhibited
at the National Conference in 2015!

Lucky Stars Raffle

You don't need to be a high roller to win big at the always-popular NCCHC raffle. Gift cards, electronics and a two-night stay at the Paris Hotel are among the prizes to be raffled.

This could be your lucky day!

EXCEPTIONAL VALUE

Early registration is \$445 for up to 18 hours of stellar continuing education designed specifically for correctional health professionals. That's only \$25 per credit hour! The registration fee also includes breakfasts, lunches, beverage breaks and a reception.

Register online at **www.ncchc.org/national-conference**. For fax or mail, use the registration form on the inside back cover.

MEETING LOCATION AND HOUSING

All conference activities will take place at the Paris Hotel in Las Vegas. NCCHC has reserved a block of rooms at the hotel. Reserve your room by September 29 to ensure availability and lock in the special NCCHC conference rate of \$155 + tax. For a link to hotel registration, go to **www.ncchc.org/national-conference**, or call 877-603-4389. Please be aware that a \$15 processing fee will be incurred for reservations made over the phone. If you choose to call, mention the National Commission on Correctional Health Care to receive the group rate.

PAYMENT AND CONFIRMATION

Registration will not be processed without payment, which may be made by credit card, check or purchase order. Purchase orders are accepted only from government agencies and their contractors, and must accompany the registration form. A \$30 fee will be assessed for purchase orders.

Online registrants receive immediate confirmation and payment receipt. Registrants submitting via mail or fax will receive confirmation via email within three weeks of receipt. Please bring your confirmation notice when you check in at the NCCHC registration desk. Badges and materials will be distributed on-site.

GUEST REGISTRATION

A special rate of \$75 is available for guests (outside of the field) or spouses of registered attendees. Guest registration provides access to all exhibit hall events, including the opening reception and lunch. It does not include access to educational sessions or provide continuing education credit.

CANCELLATION POLICY

Notification of cancellation must be made in writing. Cancellations received by September 23 will be refunded less a \$100 processing fee. No refunds will be made for cancellations after September 23. Delegate substitutions are allowed at any time, but NCCHC must be notified in writing. Registrants who fail to attend the conference and do not notify NCCHC are responsible for full payment.

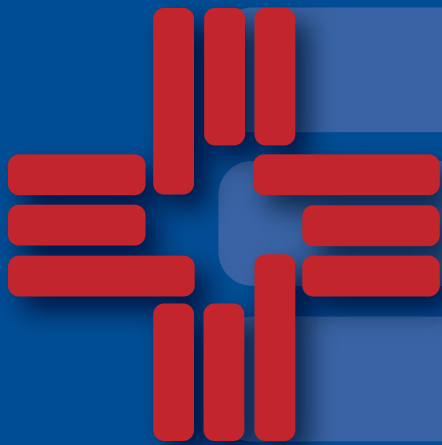

REGISTRATION/INFORMATION DESK

Attendees may pick up their badges and conference materials beginning on Saturday at 8 am.

Saturday, October 22	8 am–5 pm
Sunday, October 23	8 am–6:30 pm
Monday, October 24	7 am–5 pm
Tuesday, October 25	7:45 am–5:30 pm
Wednesday, October 26	7:15 am–4:15 pm
