

WHX Leaders Africa

Formerly **International Health Ministerial Summit**

Partnering to advance health equity in Africa

9 - 10 December 2025 | Kempinski Hotel Gold Coast City, Accra, Ghana
worldhealthexpo.com/leaders-africa

Welcome to WHX Leaders Africa

Formerly **International Health Ministerial Summit**

After an amazing launch in Kigali, Rwanda, we are delighted to announce that the next edition of WHX Leaders Africa will take place from 9-10 December 2025 in Accra, Ghana, under the esteemed patronage of His Excellency John Dramani Mahama, President of Ghana.

Under the theme “Catalyzing Africa’s Health Revolution through Investment, Innovation, Impact and Infrastructure”, **WHX Leaders Africa 2025** will ignite bold discussions and drive transformative change in Africa’s healthcare landscape.

Building on the success of our inaugural edition, this year’s event promises to be even more impactful. We will bring together heads of state, health ministers, policymakers, and private- public pioneers to collaborate, strategise, and unlock Africa’s healthcare potential.

This is a unique platform to foster partnerships, shape resilient healthcare systems, and create lasting impact.

➤ **Join us in Ghana** as we continue this transformative journey- working together to build a stronger, more equitable, and progressive healthcare future for Africa.

2024 Overview

15
health ministers

60
renowned speakers

25
high-impact sessions

350
c-suite leaders

Hon. Dr. Sabin Nsanzimana

Minister of Health, Rwanda

“It’s a pleasure to join you today, as the topic is very dear to all our hearts, especially those working in the health sector. There is nothing more important than the lives of people and their health.”

Dr Sameh El-Saharty

Lead Health Policy Advisor,
The World Bank, Washington, USA

“Attending the International Health Ministerial Summit in Rwanda was an incredibly enriching experience. One of the standout moments for me was the panel discussion on building a sustainable Africa through access to affordable, quality medicines. Overall, the summit was a well-organized and highly informative event that has left me inspired and more equipped to contribute to strengthening health systems and advancing global health policy for a better tomorrow.”

2024 Esteemed visionaries

The summit brought together an elite gathering of ministers, VIPs, senior government officials, and industry leaders, all united by a shared vision for the future of healthcare.
