CREDIT

The Southern Alliance for Physician Specialties CME is accredited by the Medical Association of Georgia to provide continuing medical education for physicians.

The Southern Alliance for Physician Specialties CME designates this live activity for a maximum of 22.25 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

TARGET AUDIENCE

Clinical and academic dermatologists, residents, fellows, and mid-level providers and other allied healthcare providers and students with a special interest in dermatology.

EDUCATIONAL OBJECTIVES

At the conclusion of this learning activity, participants will have:

- Access and apply new treatment modalities for atopic dermatitis, eczema, psoriasis, acne, melasma, and other skin conditions, to gain knowledge and competence in these therapeutic areas.
- Describe the safety profile, risks and side effects of new medications; explain how to dose and monitor therapy; and assess their efficacy depending on the severity of disease.
- Identify present and emerging treatment strategies for melanoma, weighing their risk-benefit profiles in the setting of patient cases.
- Identify present and emerging treatment strategies for pediatric dermatology patients.
- How to maximize coding and improve cosmetic techniques.
- Interpret management guidelines for dermatologists that address various rheumatologic diseases.

CONFLICT OF INTEREST POLICY

It is the policy of the Congress of Clinical Dermatology to require disclosure of any significant financial interest or any other relationship a faculty member or planning committee member has with the manufacturer(s) of any commercial products or services discussed in an educational presentation. The information will be shared with all participants at the conference.
