

Association of Asthma Educators'
National Asthma Educator Certification and Re-Certification Review Course
May 1-2, 2020

Course Goal

Present an in-depth review of asthma education based on the National Asthma Educator Certification Board (NAECB) detailed content outline.

Objectives

(1) Explain trends in asthma prevalence. (2) Determine individual patient's levels of severity and control. (3) Evaluate barriers to adherence as they apply to self-assessment and self-management of asthma. (4) Utilizing problem-based learning, optimize a plan of care for patients with asthma.
