Winter Workshop

INTERACTIVE MICROSCOPE TUTORIAL IN GI AND LIVER PATHOLOGY

Friday January 22, 2016

University Hospital, 3rd Floor, Room A3-100 | 1151 Richmond St | 12:00 - 4:30 pm

MEETING DESCRIPTION

Join us for an afternoon of interactive learning around the multiheader microscope. Topics will include diagnosis and management of colorectal polyps, practical approach to medical liver disease, and inflammatory disorders of the upper gastrointestinal tract.

Sessions are designed to improve diagnostic skills and provide practical tips for solving diagnostic dilemmas. This course is relevant to practising pathologists involved in the interpretation of GI and liver biopsies. Cases will be available for online review prior to the session.

FACULTY

David Driman, MD, FRCPC
Professor

Carolyn McLean, MD, FRCPC
Associate Professor

Joanna Walsh, MBBCh, MRCP, FRCPC
Assistant Professor

For Inquiries, Contact:

PROGRAM SCHEDULE

12:00 pm Lunch, registration and welcome

12:45 pm **Session 1**
Colorectal Polyps
Dr. D. Driman

At the end of this session participants will be able to identify key diagnostic features used in the diagnosis of colorectal polyps and formulate a clinically meaningful pathology report.

1:45 pm Break

2:00 pm **Session 2**
Medical liver disease
Dr. C. McLean

At the end of this session participants will be able to identify key diagnostic features to differentiate between the common causes of medical liver disease, and understand the importance of correlation with other clinical and laboratory investigations when making a diagnosis.

3:00 pm Break

3:15 pm **Session 3**
Inflammatory disorders of the upper GI tract
Dr. J. Walsh

At the end of this session participants will be able to diagnose uncommon types of gastritis, recognize features of upper gastrointestinal involvement by inflammatory bowel disease, and create a differential diagnosis for duodenal inflammation.

4:10 pm Completion of evaluations

4:15 pm Close

ACCREDITATION

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of The Royal College of Physicians and Surgeons of Canada and approved by Continuing Professional Development, Schulich School of Medicine & Dentistry, Western University (3.00 hours). Each participant should claim only those hours of credit that he/she actually spent participating in the educational program.

POLICIES

Cancellation Policy:

Western University Canada reserves the right to cancel this program due to insufficient registrations or circumstances beyond its control. Registrants will be notified at the earliest possible date in the event of a cancellation. Tuition fees for courses cancelled by Western will be refunded in full, however Western will not be liable for any loss, damages or other expenses that such cancellations may cause.

Privacy Policy:

Western respects your privacy. The personal information collected on this form is collected under the authority of The University of Western Ontario Act, 1982, as amended, and is used for the following purposes:

- Provide you with confirmation of registration for this program;
- Provide follow-up info to you about this course, as necessary;
- Inform you of future educational opportunities;
- Maintain class lists and attendance records so that you can obtain study credits/certificate of attendance where applicable.

This information may be disclosed to professional bodies, as required. Please note that no information about you, including your e-mail address, will be disclosed to external third-party organizations without your consent. Your name and contact information can be removed from our database at any time by contacting Continuing Professional Development by telephone, fax, e-mail or by regular mail. Please direct questions about this collection, use or disclosure of personal information to the Manager, Continuing Professional Development by telephone 519-661-2111, ext. 82936. By submitting your information, you are giving consent to Western to use your information as stated above.

Refund Policy

For courses with a tuition fee, a notice of cancellation must be received in writing 10 business days prior to the program date. A minimum of \$20 up to a maximum of 20% of the tuition fee, whichever is greater, will be charged for cancellations received on or before this date. Western regrets that refunds cannot be offered after the notice of cancellation deadline. Receipts are issued on the day of the course.

This program was supported in part by an educational grant from the following:
Cancer Care Ontario.
