Purchase specially priced Disneyland® Resort Theme Park tickets!

These special ticket prices are not available once you arrive at the Resort.

Must be registered for DFCon *before September 27, 2023* for best Disneyland ticket availability. Once registered for DFCon, information for purchasing discounted Disneyland tickets will be emailed to registrant.

These specially priced tickets are for sale only to individuals attending the DFCon for use only by DFCon attendees and their travel party during their stay. Each DFCon attendee (with a DFCon registration confirmation) may purchase up to six (6) tickets from this ticket store. Disney reserves the right to contact the ticket purchaser to request that the ticket purchaser provide their DFCon registration confirmation. If it is discovered that the ticket purchaser is not participating in or attending the DFCon, it will be considered a violation of the ticket store terms and conditions, and the ticket(s) will be de-activated and will not be eligible for a refund. To enter a theme park, Guests (ages 3 and older) need both valid admission and a theme park reservation for the same day and same park they want to visit. Park reservations are limited in number; subject to the availability of park reservations allocated to park tickets as determined by Disney, and theme park capacity; and are not guaranteed. Additional restrictions apply. This ticket store is for individual DFCon attendees; if you are interested in ordering tickets in bulk (13 or more), please contact your Disneyland Resort Sales representative no less than 60 days prior to your arrival date.

CONFERENCE INFORMATION

COURSE DESCRIPTION

On September 28-30, 2023, The 23rd Edition of the Interdisciplinary Global Diabetic Foot Conference (DFCon) is scheduled to take place in Anaheim, California. This event provides a unique opportunity for members in the world-wide Diabetic Foot Space to discover, interact and collaborate with one another. Each year, DFCon gathers influential speakers and delivers outstanding scientific content. This three-day conference allows the best in their field to come together and learn from each other. DFCon also serves as a hands-on, dynamic congress where delegates can use the experience to immediately bring impact to their daily clinical practice.

DFCon is widely acknowledged as being a leader in discovery. Next generation endovascular therapies, wearable robots, spray-on skin, sociomicrobiology, smart textiles, phage therapy, augmented reality and injectable sensor have all made their debut at DFCon. Throughout the years, DFCon has been recognized as the premier scientific and educational diabetic foot event. DFCon's ambition hopes to cultivate the advancements of the diabetic foot space and continue to learn from each other.

COURSE OBJECTIVES

By the end of the course, participants will be able to:

- Identify updated information to provide patient care in the discipline of limb preservation.
- Explain new techniques in collaborating and communicating with teams to ensure best practices in patient care, education and research in limb preservation.
- Apply quality improvement in areas of limb preservation.
- Utilize updated information as outlined in the program related to limb preservation diagnosis and diseases.

ACCREDITATION STATEMENT

The Keck School of Medicine of the University of Southern California is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION

The Keck School of Medicine of the University of Southern California designates this live activity for a maximum of 16.75 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credits commensurate with the extent of their participation in the activity.

The following may apply *AMA PRA Category 1 Credit(s)*[™] for license renewal: Registered Nurses may report up to 16.75 credit hour(s) toward the CME requirements for license renewal by their state Board of Registered Nurses (BRN). CME may be noted on the license renewal application in lieu of a BRN provider number.

Physician Assistants: The National Commission on Certification of Physician Assistants states that *AMA PRA Category 1 Credit(s)*[™] accredited courses are acceptable CME requirements for recertification.

USC is an approved provider of physical therapy CE units through the Physical Therapy Board of California. This activity is designated for 1.6 PT CEU.

TARGET AUDIENCE

This course is intended for physicians, nurses, physician assistants and nurse practitioners working in the field of diabetic foot care, as well as all allied health professionals who care for patients in podiatric medicine, vascular surgery, interventional radiology, orthopedic surgery, wound care, foot and ankle and infectious disease who seek to enhance their understanding of and treatment options to optimize management of their patients.
