

Paséa Hotel & Spa Located just steps from the Huntington Beach Pier, at the heart of a vibrant and emerging community, Paséa Hotel & Spa is a modern oasis with an unrivaled sense of clean, coastal style and comfort that guests can experience with a deep connection to the Huntington Beach surf culture. Paséa Hotel & Spa is designed to connect guests with nature and bring the warmth and artistry of the destination to life in a vibrant and energizing way.

Ocean View rooms offer 1 King or 2 Queen beds (based on availability), and views of Huntington Beach and the Pacific Ocean. Room amenities include custom Frette bed and bath linens, private balcony, spacious bathroom with either walk-in shower or deep soaking tub/shower combo, robes, 48"LED TVs with upgraded movie entertainment systems, Keurig coffee/tea maker and more.

Relax at Aarna, Paséa's Balinese-inspired spa that will feature both indoor and outdoor treatment areas, setting a new standard for relaxation and rejuvenation. Gather with friends and have a great meal at Tanner's, Paséa's signature restaurant with exhibition cooking and communal dining. Huntington Beach is a rich and diverse community that annually attracts millions of visitors from around the globe. A place where brilliant sunrises give way to the promise of a new day and golden coastlines with their impending swells beckon surfers, visitors, and locals alike. Life is lived outdoors here, especially along the oceanfront. Whatever your reason for visiting, Paséa Hotel & Spa invites you to come eat, come stay, come play. Check in and get lost into the blue!

Paséa Hotel & Spa is located approximately 14 miles from John Wayne/Orange County Airport (SNA), and 16 miles from Long Beach Airport (LGB), 35 miles from Los Angeles International Airport (LAX), 45 miles from Burbank Bob Hope Airport (BUR), and 49 miles from Ontario International Airport (ONT). Valet parking at the hotel only; cost is approximately \$25 for day parking or \$35 overnight. Pricing subject to change without notice.

MEDICAL DIRECTOR: Mark Murphy, MD, MSN Education, Austin, Texas and Northwest Seminars, Pasco, Washington

TARGET AUDIENCE: This course is designed for physicians, physician assistants, nurse practitioners, registered nurses, paramedics, pre-hospital emergency medicine care providers and all other medical care providers who must maintain state-of-the-art knowledge of the specialty or are impacted by it.

PROGRAM PURPOSE: The practitioner of emergency medicine must possess evidence-based scientific background for competent clinical practice; maintain state-of-the-art knowledge of the specialty and all additional related disciplines; maintain an up-to-the-minute armamentarium of knowledge and skills for the selection and use of complex equipment, pharmacological agents, and procedures; manage self and colleagues to function toward common goals in providing consistent care in all settings in which emergency care is provided; serve as an expert in matters involving quality, safe and equitable health care delivery and support of other service providers, departments, institutions, and organizations dependent upon professional expertise. Presentations are designed to facilitate the acquisition of cognitive and technical skills as defined through evidenced based data translated to best practice standards by the pertinent governmental and professional organizations including the American College of Emergency Physicians, American College of Surgeons and the Emergency Nurses Association and abilities in one or more of the disciplines vital to the practicing professional.

OBJECTIVES: At the conclusion of this activity, the participant will be able to:

Apply the pertinent physical and behavioral sciences as they impact and are affected by the planning, delivery, and monitoring of services inherent in the professions

Explain the selection, dosing considerations with methods of administration, safe use, contraindications and precautions of drugs based on their chemical and pharmacologic properties

Outline comprehensive patient management plans for the special patient population

Apply the principles of safety and asepsis in the performance of all aspects of patient care regardless of the clinical environment in which the practice resides

Incorporate the published tenets of pertinent, recognized external organizations, institutions, and professional groups defining medical, legal, philosophical, ethical, and health care management standards.

ACCREDITATION: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health and Northwest Seminars. The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health is accredited by the ACCME to provide continuing medical education for physicians.

The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health designates this live activity for a maximum of 20 *AMA PRA Category I Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Approved by the American College of Emergency Physicians for a maximum of 20.00 hour(s) of ACEP Category I credit.

American Board of Anesthesiology: CME credit will be sent directly to The American Board of Anesthesiology to fulfill the Part 2 requirement for the Maintenance of Certification in Anesthesiology Program (MOCA®).

Canadian Physicians: This activity is eligible for Section 1 credits in the Royal College's Maintenance of Certification (MOC) Program. Participants must log into MAINPORT to claim this activity.

Certified Registered Nurse Anesthetists: This program has been prior approved by the AANA for 20 Class A CEC; AANA Code #1033811; Expiration Date 8/6/2017.

Nurse Practitioners: The American Academy of Nurse Practitioners Certification Program (AANPCP) and the American Nurses Credentialing Center (ANCC) accept CME from organizations accredited by the ACCME.

Osteopathic Physicians: This program is eligible for Category 2 credit with the American Osteopathic Association (AOA).

Physician Assistants: The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for *AMA PRA Category I Credit*™ from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 20 hours of Category I credit for completing this program.

Registered Nurses: NWS is an approved provider for the following state nursing boards: California Board of Registered Nursing (Provider Number 4833), District of Columbia Board of Nursing (Provider Number 50-7480), Florida Board of Nursing (Provider Number 50-7480), Georgia Board of Nursing (Provider Number 50-7480), and the South Carolina Board of Nursing (Provider Number 50-7480). This program offers 20 contact hours.

†Pharmacology hours subject to change.

Christopher Coyne, MD, MPH Clinical Faculty Department of Emergency Medicine University of California San Diego Health System San Diego, California	
Matthew Murray, MD Assistant Clinical Professor Departments of Emergency Medicine Rady Children's Hospital San Diego University of California San Diego Health System San Diego, California	
Aaron Schneir, MD, FACEP, FAAEM, FACMT Professor of Clinical Medicine Division of Medical Toxicology Department of Emergency Medicine University of California San Diego Health System San Diego, California Program Coordinator	
Gabriel Wardi, MD, MPH Critical Care Fellow Division of Pulmonary Critical Care Department of Emergency Medicine University of California San Diego Health System San Diego, California	

Course Registration		17EMAHB		
TUITION: In USD		MD/DO	CRNA/PA	RN/Others
Early	(Paid by 5/5/17)	\$850	\$750	\$650
Regular	(Paid after 5/5/17)	\$900	\$800	\$700
Daily		\$230	\$205	\$180

PAYMENT METHODS:
Payment methods accepted for tuition include Visa, Mastercard, American Express, Discover, check, or money order in US funds, payable to NWS.

SCHEDULE AND FACULTY CHANGES:
Factors beyond our control sometimes necessitate changes in the schedule and faculty. If time permits, we will inform all registrants of any changes prior to the program. Changes on site due to local conditions will be announced in class.

COURSE CANCELLATION BY PROVIDER:
We reserve the right to cancel a course for any reason. In such case, a minimum of 30 days notice will be given to those registered and 100% of tuition paid will be refunded. NWS and NWWT will not be responsible for any non-refundable airfare, hotel, or other liabilities you may incur. **We highly recommend purchase of travel insurance. Travel at your own risk.**

COURSE CANCELLATION FEE:
\$100 June 4, 2017 to July 4, 2017. No refund after July 4, 2017; however, 50% of tuition paid may be applied toward tuition for another NWS program within the next 12 months. **Cancellation must be made in writing.**

FAP (FREQUENT ATTENDEE POINTS):
FAP lets you accumulate points based on dollars spent with NWS including net hotel and tuition booked through NWS (but not air). Once you have enough points to cover a full tuition they can be redeemed for tuition (no cash value). A great program to reward you for supporting NWS.

ERRONEOUS PRICING NOTICE:
Northwest Anesthesia Seminars, Northwest Seminars, and Northwest World Wide Travel reserve the right not to honor any published prices or coupons that it determines were erroneous due to printing, electronic, or clerical error.
