In compliance with

THE REGION'S LARGEST SKIN CARE EVENT

Welcome Message

Dear Colleagues,

On behalf of the scientific committee, it gives us great pleasure to announce the **"5th Abu Dhabi International Conference in Dermatology and Aesthetics"** which is going to be held on **12-14 September, 2019** at Jumeirah Etihad Towers Hotel in Abu Dhabi, UAE

Our past events have proven to be major success and have been instrumental in further developing and solidifying our field as an important part of healthcare.

Now in its fifth edition, our AIDA Conference is gaining a reputation as one of the world's largest skin care meetings and an inspirational and empowering event tackling all dermatology and aesthetic medicine challenges and offering new ideas and latest innovation in dermatology within healthcare in the UAE, the Middle East and the Region.

This year the scientific committee works towards raising the bar of excellence in terms of formulating a rich comprehensive scientific program, inviting world-class renowned speakers for their unique insights, featuring high quality lectures on many key topics related to skin health and creating a rich interactive atmosphere for the exchange of knowledge and ideas to advance and develop the future of this important field in the UAE and the region.

The program aims to offer reliable scientific updates and to focus on the latest developments in current and controversial issues in dermatologic surgery, aesthetic dermatology and laser technology in order to meet the challenges and opportunities that arise and to improve patients outcomes. A whole range of scientific and educational activities will be presented by leading experts to provide the practical needs to the skin care professionals. Additionally, more attention is paid on featuring multiple best practice workshops, meet the experts session, IMCAS Alert session, Key note presentations, case studies and demonstrations, poster display competitions and abstract submissions dedicated to skin care specialists who are involved in the treatment of various types of skin diseases.

During the conference, awards will be attributed to the best case awards, the most interactive candidates and the best poster presentation.

The event will be a great opportunity to share views, exchange knowledge and establish collaborations and networking with colleagues in the field from across the globe.

We believe the event will be of interest to all varying specialties and we look forward to welcoming you in Abu Dhabi in September, 2019

This is an event not to be missed !
