TESTIMONIALS

It's such an event **full of energy** and a **perfect mixture** between clinical insight, technology and decision makers.

AENGUS TRAN – CO-FOUNDER
AND CLINICAL AI DIRECTOR

Great people. Wonderful speakers.
Super focus on companies changing the world for the better ... IHUK has honestly been very rewarding ... **we'll be back next year, and the year after that!**

KYLE GIDDENS
– CEO AND CO-FOUNDER

You guys have gone, not only to what you would normally **expect in a good experience, but beyond that!** As a partner, we didn't expect half of the things you've done for us. **We had a really good 2 days!**

TIRATH BANSAL
– CEO & FOUNDER

The experience has been so positive – **there's so much energy here.**

The **optimism on what the future holds for healthcare is a joy.** It's a privilege to be here and TPP are proud to be sponsors of the event.

MATT CURTIS
– CLINICAL ADVISOR

The **relationship building component has really been turbo charged.**
The quality of the summit and the conversations we had have been great.

ROSS HARPER
– CEO & CO-FOUNDER

WHAT IS INTELLIGENT HEALTH?

In partnership with NIHR, The Health Innovation Network, AHSN Network, AI Multi-Agency Advisory Service, DigitalHealth. London, National Association of Primary Care and the AI Centre, will be bringing together our collective health communities for a breath-taking two days of London action in May 2023.

THE MISSION?

We want to accelerate the safe adoption of AI, to fully harness its benefits but to do so safely and ethically as well as, at scale. We're on a mission to drive forward technological collaboration and adoption of AI in health and care, by connecting clinicians, patients and decision makers in healthcare settings with technologists – and to inspire you, along the way! Get ready to think like a clinician and code like a developer.

WHY PARTNER WITH INTELLIGENT HEALTH UK?

We bring together the full health and AI community to learn, improve and reach new heights. Nowhere else will you find big brains, big entrepreneurs and big tech all in one place.

Our partners are on a mission to drive innovation forward and make the world a better and healthier place.

Do you have an AI solution ready to challenge the norms in medicine? Have you created an AI product breaking science's glass ceiling. Whether you're an ambitious start-up, a forward-thinking investor, a relationship builder, an innovator or a deal maker – this event is for you.

Is this you? Then we invite you to partner with us.

HOW?

Exhibit: showcase your products, test the appetite for your services, engage in lead generation, network. All exhibiting packages include our Marketing campaign (website, social media, newsletter, blog, app) and a number of free passes to the event.

Sponsor: includes all the 'Exhibit' elements + massive exposure on our website + dedicated marketing campaign – we take your exposure pre/at/post show to the next level!

Want to be a thought leader at the event? Lead a workshop? Run a Hackaton? Host a networking party? We're here to make it happen.

TALK TO US

We want to hear about your goals.
We want to know what makes you tick.
We don't do 'one size fits all'; we're here to make it special for you.
