LIVE
CASES

CSI 2018

JUNE 27 – 30, 2018 | FRANKFURT, GERMANY

CSI Frankfurt will provide a deep dive into major topics in catheter-based therapy of congenital, structural and valvar heart disease. Join us for 4 days of lectures by leading experts in the field, live case transmissions, step-by-step demonstrations, hands-on simulator training, debates, and discussion rounds. On the first day of the conference we will run a number of focus workshops including Imaging, Innovation and other hot topics of the year. For more information, please visit www.csi-congress.org

WHO SHOULD ATTEND?

The congress is designed for adult and pediatric interventional cardiologists as well as cardiothoracic surgeons and colleagues of other specialties who are interested in these topics.

TOPICS

CONGENITAL HEART INTERVENTIONS

- Atrial and ventricular septal defect closure
- Coarctation and pulmonary artery stenosis stenting
- Patent arterial duct closure
- Pulmonary arteriovenous fistula closure
- Catheter interventions in infants
- Fetal interventions
- Interventions in adult congenital heart defects

STRUCTURAL HEART INTERVENTIONS

- Patent foramen ovale closure
- Post-myocardial infarction ventricular septal defect closure
- Left atrial appendage closure
- When to close patent foramen ovale to prevent paradoxical embolism
- How to treat heart failure by interventional techniques

VALVAR HEART INTERVENTIONS

- Paravalvar leak closure
- Valvoplasty
- Transcatheter mitral valve repair
- Transcatheter tricuspid valve repair
- TAVI in aortic stenosis and insufficiency
- Mitral valve implantation
- Pulmonary valve implantation
- Tricuspid valve implantation

CALL FOR ABSTRACTS AND CASES

At CSI 2018, we offer you the opportunity to submit abstracts of scientific work or challenging cases. For more information, please visit www.csi-congress.org/abstracts

CSI Frankfurt is a CSI FOUNDATION EVENT

We are dedicated to the development of congenital, structural and valvar heart interventions worldwide. Our members receive discounted entry to CSI events. Join us at www.csi-foundation.org
