Adolescent Medicine 2017

May 15-17, 2017

Back Bay Hilton
40 Dalton Street, Boston, MA 02115

**PART 2
MOC**

THE AMERICAN BOARD OF PEDIATRICS

➤ **REGISTER NOW** | bostonchildrens.org/adolmed2017

About the course

Lifelong health begins during adolescence, which is why it is crucial to provide the highest quality of care to adolescent patients. An overload of information and pediatric literature make it difficult for clinicians to stay up to date with the best care initiatives and evidence-based practices. This conference will focus on the latest research, clinical innovations and community initiatives in adolescent medicine. It will also teach participants how to incorporate their findings into daily clinical practice.

The conference will cover a wide variety of adolescent medical, emotional and social problems and provide attendees with tools to implement office-based prevention services and counseling to adolescents. The course's collaborative format will include lectures with Q&A session, panels and workshops. The course is also an opportunity to network with your colleagues as well as our renowned faculty. Don't miss this wonderful opportunity to learn about adolescent health.

Topics include:

- › adolescent vaccinations
- › TB testing
- › Zika virus
- › cardiovascular risks
- › obesity
- › chronic disease
- › gynecologic issues
- › substance abuse and more

Target audience

- › pediatricians
- › primary care physicians
- › RNs
- › NPs
- › PAs

Registration fees

Physicians	\$575
Trainee	\$385
Allied Health Professionals	\$385

Course directors

- › S. Jean Emans, MD
- › Rebecca Flynn O'Brien, MD
- › Elizabeth R. Woods, MD, MPH
- › Maurice W. Melchiono, RN, MS, C-FNP-BC, NE-BC

Learning objectives

- › Integrate findings from research and clinical innovations with the delivery of adolescent patient-centered care.
- › Apply the principles of quality improvement, addressing systems and practice issues, into clinical activities.
- › Model communication skills with adolescents and their families.
- › Identify the newest recommendations for topics such as Adolescent Vaccinations and TB testing, Zika virus, and Chronic fatigue: Systemic Exertional Intolerance Disease.
- › Develop strategies to diagnose, treat or manage adolescent conditions, including; depression, cardiovascular risks, obesity, gynecologic issues and substance abuse.

Accreditation

In support of improving patient care, Boston Children's Hospital is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Category 1

Boston Children's Hospital designates this live activity for a maximum of 18.25 *AMA PRA Category 1 Credits*™. Physicians should claim only credit commensurate with the extent of their participation in this activity.

AAPA accepts AMA category 1 credit for the PRA from organizations accredited by ACCME.

Nurse CE

Boston Children's Hospital designates this activity for 18.25 contact hours for nurses. Nurses should only claim credit commensurate with the extent of their participation in the activity.

Risk management

Challenging Legal Issues in Adolescent Health, Opioid and Prescription Drug Misuse, and Adolescent Marijuana Use in 2017: Screening and Brief Intervention meet the requirements for 1.5 Risk Management Credit as proscribed by the Massachusetts Board of Registration in Medicine and defined in 243 CMR 2.06(5)(d) I.

MOC Part 2

Successful completion of this CME activity, which includes participation in the activity, with individual assessments of the participant and feedback to the participant, enables the participant to earn 7 MOC points on day 1, 7 MOC points on day 2 and 3.5 MOC points on day 3 in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the (BCH CME) activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABP MOC credit.

Registration and refund policies

Registration by credit card can be made at bostonchildrens.org/adolmed2017. Registration by check (draft on a United States bank): please make payable to Boston Children's Hospital and contact the CME Department at cmedepartment@childrens.harvard.edu to discuss payment. Telephone or fax registration is not accepted. Registration with cash payment is not permitted. Upon receipt of your paid registration, an email confirmation from the Boston Children's CME office will be sent to you. Be sure to include an email address that you check frequently. Your email address is used for critical information, including registration confirmation, evaluation and certificate.

Fifty-percent (50%) refunds will be issued for all cancellations received prior to the start of the course. Refund requests must be received by postal mail, email or telephone. "No shows" are subject to the full course fee, and no refunds will be issued once the conference has started.

Disclosure policy

Boston Children's Hospital adheres to all ACCME Essential Areas, Standards, and Policies. It is Boston Children's policy that those who have influenced the content of a CME activity (e.g. planners, faculty, authors, reviewers and others) disclose all relevant financial relationships with commercial entities so that Boston Children's may identify and resolve any conflicts of interest prior to the activity. These disclosures will be provided in the activity materials along with disclosure of any commercial support received for the activity. Additionally, faculty members have been instructed to disclose any limitations of data and unlabeled or investigational uses of products during their presentations.

Inquiries

cmedepartment@childrens.harvard.edu or at 617-919-3108.

Hotel information

Back Bay Hilton
40 Dalton St, Boston, MA 02115

A limited number of rooms have been reserved at the Back Bay Hilton until April 14, 2017. Please specify that you're enrolled in the "Adolescent Medicine Conference" for a reduced room rate.

- Call 1-800-HILTONS and reference our group code **ADMED**
- Call directly at 617-236-1100 and reference our group code **ADMED**

The cutoff date for all reservations with the special rate is Friday, April 14, 2017. In order to ensure that you are getting the best rate possible, please book prior to this date.

Airport Shuttle Information

The Back Bay Hilton does not offer a specialized airport shuttle. There is a city owned airport shuttle that has a drop off down the street from the hotel at the Hynes Convention Center. It is \$5 per person or free with a Charlie Card.
