

EORTC-CLTG

2024 ANNUAL MEETING

LAUSANNE

09–11 OCTOBER 2024
Lausanne, Switzerland
Beaulieu Conference Center

Preliminary Program

Last update 22/07/2024

Dear Colleagues and Friends,

We are excited that the Olympic Capital Lausanne will host the 2024 European meeting on skin lymphoma and inflammatory mimickers (EORTC CLTG 2024 ANNUAL MEETING). This renowned European Congress with international participation will be held from October 9th to 11th, 2024 at the BEAULIEU CONFERENCE CENTER in Lausanne, Switzerland.

At the core of this gathering resides a pivotal objective – to facilitate the convergence of experts, delegates, and sponsors from Europe and around the globe, all convened to deliberate upon the latest advancements in skin lymphoma as well as the common ground between malignant and benign skin inflammation's research, diagnostics and treatment.

We aim to spark conversations that pinpoint key research areas and priorities. Plus, we're addressing current patient care challenges and raising the bar for clinical practices. This event is a place for diverse minds to come together, collaborate, and find fresh solutions to today's problems.

We look forward to welcoming you in Lausanne!

Emmanuella Guenova & Evangelia Papadavid
