

17th International Congress  
Myeloproliferative Neoplasms  
November 6-7, 2025 ■ Brooklyn, New York

Founded in 2001, the MPN Congress serves as a cornerstone for promoting collaboration and knowledge exchange among specialists dedicated to advancing MPN research and treatment.

**Program features:**

- World-renowned faculty
- Active audience participation
- Q&A session after each presentation
- Numerous networking opportunities
- Abstracts and poster session
- CME/CE-accredited education for physicians, nurse practitioners, PAs and nurses
- Exhibit hall and networking lounge

**Program Committee:**

**Richard T Silver, MD**  
Weill Cornell Medicine  
New York, New York  
Chairman

**John Mascarenhas, MD**  
Icahn School of Medicine  
at Mount Sinai  
New York, New York

**Jerry L Spivak, MD**  
Johns Hopkins University  
School of Medicine  
Baltimore, Maryland  
Chairman and Convener

**Naveen Pemmaraju, MD**  
The University of Texas  
MD Anderson Cancer Center  
Houston, Texas

## Location & Accommodations

**New York Marriott at the Brooklyn Bridge**  
**333 Adams Street | Brooklyn, NY 11201**

The MPN Congress will be held at the New York Marriott at the Brooklyn Bridge in Brooklyn, New York. Located within the famous neighborhood of Brooklyn Heights, with a beautiful view of the Brooklyn Bridge, this hotel is one of the most sought-after event venues in the area.

A discounted group rate of **\$319++** is being offered to our attendees and will be available until October 15, or until the block sells out, whichever happens first.

[Click here for location & accommodation details.](#)

## Continuing Education

The MPN Congress offers CME/CE-accredited education for physicians, nurse practitioners, PAs and nurses

[Click here for details.](#)

## Call for Abstracts

The committee seeks original papers that address basic or clinical issues specifically related to the diagnosis or management of patients with MPNs or CML.

**Abstract submission deadline is September 22.**

The winner of the most outstanding abstract will receive a travel grant to attend the congress, as well as the opportunity to give an oral presentation during the general session.

| 9:30am - 10:00am                                             | Artificial Intelligence in marrow interpretation                                                                                                                                                      | Daniel Royston, MBChB, DPhil                 |
| 10:25am - 12:25pm                                            | SESSION 6                                                                                                                                                                                             |                                              |
| Session Chairs: Ronald Hoffman, MD and Linda Resar, MD       |                                                                                                                                                                                                       |                                              |
| 10:25am - 10:55am                                            | Diagnosis and management of pulmonary hypertension in PV and ET                                                                                                                                       | Joseph Scandura, MD, PhD                     |
| 10:55am - 11:25am                                            | Targeting the MPN stem cell - what is missing?                                                                                                                                                        | Ronald Hoffman, MD                           |
| 11:25am - 11:55am                                            | Update on stem cell transplant in myelofibrosis                                                                                                                                                       | Nicolaus Kröger, MD                          |
| 11:55am - 12:25pm                                            | Critical appraisal of the new ELN recommendations for treating CML                                                                                                                                    | Rüdiger Hehlmann, MD, PhD                    |
| 12:35pm - 1:20pm                                             | Lunch / Educational Session                                                                                                                                                                           |                                              |
|                                                              | MPN Symptom Management: Practical Insights from a Nurse and PA Perspective                                                                                                                            |                                              |
|                                                              | This interactive, case-based session will explore the critical role of advanced practice providers in managing symptoms associated with myeloproliferative neoplasms.                                 | Kathryn Johnson, DNP<br>Maureen Thyne, RPA-C |
| 1:30pm - 3:00pm                                              | SESSION 7: Debates                                                                                                                                                                                    |                                              |
| 1:30pm - 2:15pm                                              | JAK inhibitor combination regimens in PMF: induction versus salvage?<br>Moderators: John Mascarenhas, MD and Hans Hasselbalch, MD, PhD<br>Induction: Ghaith Abu-Zeinah, MD<br>Salvage: Ruben Mesa, MD |                                              |
| 2:15pm - 3:00pm                                              | Transplant timing in MF: scoring system versus clinical judgement<br>Moderator: Koen van Besien, MD, PhD<br>Scoring system: Nicolaus Kröger, MD<br>Clinical judgement: Sergio Giralt, MD              |                                              |
| 3:00pm - 3:05pm                                              | Closing Remarks / Prize Giveaways / Adjourn                                                                                                                                                           |                                              |

## Congress Chairmen

**Richard T. Silver, MD<sup>1</sup>**  
Weill Cornell Medicine  
New York, New York, USA

**Jerry L. Spivak, MD<sup>1,2</sup>**  
Johns Hopkins University  
School of Medicine  
Baltimore, Maryland, USA

## Program Faculty

**Ghaith Abu-Zeinah, MD**  
Weill Cornell Medicine  
New York, New York, USA

**Shannon Elf, PhD**  
University of Utah School of Medicine  
Salt Lake City, Utah, USA

**Robert P. Gale, MD, PhD<sup>2</sup>**  
Imperial College of Science,  
Technology and Medicine  
London, United Kingdom

**Aaron T. Gerds, MD**  
Cleveland Clinic Taussig Cancer Institute  
Case Comprehensive Cancer Center  
Cleveland, Ohio, USA

**Sergio Giralt, MD**  
Memorial Sloan Kettering Cancer Center  
Weill Cornell Medicine  
New York, New York, USA

**Jason Gotlib, MD**  
Stanford Cancer Institute  
Stanford, California, USA

**Michael R. Grunwald, MD**  
Levine Cancer Institute, Atrium Health  
Charlotte, North Carolina, USA

**Hans Hasselbalch, MD, PhD**  
Roskilde Hospital  
University of Copenhagen  
Copenhagen, Denmark

**Rüdiger Hehlmann, MD, PhD**  
ELN-Foundation  
Weinheim, Germany

**Gabriela S. Hobbs, MD**  
Harvard Medical School  
Massachusetts General Hospital  
Boston, Massachusetts, USA

**Ronald Hoffman, MD**  
Icahn School of Medicine at Mount Sinai  
The Tisch Cancer Institute  
New York, New York, USA

**Kathryn Johnson, DNP, MSc, FNP-BC**  
Icahn School of Medicine at Mount Sinai  
New York, New York, USA

**Nicolaus Kröger, MD**  
University Hospital Hamburg-Eppendorf  
Hamburg, Germany

**Andrew Kuykendall, MD**  
H. Lee Moffitt Cancer Center  
Tampa, Florida, USA

**John Mascarenhas, MD<sup>1</sup>**  
Icahn School of Medicine at Mount Sinai  
Tisch Cancer Institute  
New York, New York, USA

**Adam J. Mead, MD, PhD**  
University of Oxford  
John Radcliffe Hospital  
Oxford, United Kingdom

**Ruben A. Mesa, MD**  
Wake Forest Baptist Comprehensive  
Cancer Center  
Wake Forest University School of Medicine  
Charlotte, North Carolina, USA

**Tariq Mughal, MD<sup>2</sup>**  
Tufts University Medical Center  
Boston, Massachusetts, USA

## Meeting Organizer

PO Box 341414  
Austin, TX 78734  
☎ 512-619-5534  
✉ info@MeltonMedEd.com

**Mrinal S. Patnaik, MBBS**  
Mayo Clinic - Rochester  
Rochester, Minnesota, USA

**Naveen Pemmaraju, MD<sup>1,2</sup>**  
The University of Texas  
MD Anderson Cancer Center  
Houston, Texas, USA

**Josef T. Prchal, MD**  
University of Utah Health  
Salt Lake City, Utah, USA

**Linda M. S. Resar, MD**  
Johns Hopkins University School of Medicine  
Baltimore, Maryland, USA

**Daniel J. Royston, MBChB, BMSc, DPhil**  
University of Oxford  
John Radcliffe Hospital  
Oxford, United Kingdom

**Joseph Scandura, MD, PhD**  
Weill Cornell Medicine  
New York-Presbyterian Hospital  
New York, New York, USA

**Andrew I. Schafer, MD**  
Weill Cornell Medicine  
New York, New York, USA

**Michael B. Streiff, MD**  
Johns Hopkins University School of Medicine  
Baltimore, Maryland, USA

**Maureen Thyne, RPA-C**  
Weill Cornell Medicine  
New York, New York, USA

**Koen van Besien, MD, PhD**  
Case Western Reserve University  
University Hospitals Seidman Cancer Center  
Cleveland, Ohio, USA
