

RHEUMCONNECT REGIONAL SERIES

CME Credits are Available!

Join the CME conference,
Music City Rheumatology Review

Saturday, September 30, 2023

Hilton Nashville Downtown

121 4th Avenue South
Nashville, TN 37201

Target Audience:

This initiative is designed for rheumatology clinicians and health care professionals who treat rheumatic disease.

Goal:

The RheumConnect regional series will employ a multi-faceted approach for the delivery of content using didactic and performance-based active learning. The focus will be new concepts regarding disease etiology, clinical presentation and phenotype and emerging therapies.
