**COURSE DIRECTOR:** Mark Murphy, MD, MSN Education, Austin, Texas and Medical Director, Northwest Anesthesia Seminars, Pasco, Washington

**TARGET AUDIENCE:** This course is designed for physicians, certified registered nurse anesthetists, registered nurses, physician assistants, and other medical care providers who need to obtain or update resuscitation skills and documentation.

**PROGRAM PURPOSE:** Due to the inherent knowledge, skills, practice locations, and populations of patients served by practitioners of anesthesiology and/or emergency and critical care medicine, the physicians, nurses, and other such advanced care providers are summoned to serve the dying patient, particularly those whose death is sudden and unexpected. This program is designed to update these practitioners with the latest consensus on this body of scientific information in the form of formal guidelines provided by national agencies, recognized to possess the resources to develop guidelines and identify mandatory skills, which are required to provide quality resuscitative care for patients of all ages in all clinical and non-clinical locations.

**OBJECTIVES:** At the conclusion of this program, the participant will be able to:

**Explain** the latest guidelines for resuscitation, including but not limited to basic scientific studies, pharmacology, dysrhythmia identification, pertinent equipment, and recommended therapeutic intervention, featuring those most recently added or altered, through the citation of the specific scientific background for each and the description of how this newer information impacts the performance of resuscitative procedures.

**Successfully** meet the current requirements of the American Heart Association and, as appropriate, other pertinent agencies jointly sponsoring guidelines with this association, in documenting proficiency in providing resuscitative care

**Apply** this information in the clinical setting most commonly encountered in the day-to-day clinical practice of the participant.

**ACCREDITATION:** This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint provider-ship of The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health and Northwest Anesthesia Seminars. The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health is accredited by the ACCME to provide continuing medical education for physicians. The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health designates this live activity for a maximum of 5 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**American Board of Anesthesiology:** CME credit will be sent directly to The American Board of Anesthesiology to fulfill the Part 2 requirement for the Maintenance of Certification in Anesthesiology Program (MOCA®).

**Anesthesiologist Assistants:** The National Commission for Certification of Anesthesiologist Assistants (NCCAA) will accept CME credit for programs approved for continuing medical education by the AMA, AAPA, and ACCME.

**Canadian Physicians:** This activity is eligible for Section 1 credits in the Royal College's Maintenance of Certification (MOC) Program. Participants must log into MAINPORT to claim this activity.

**Certified Registered Nurse Anesthetists:**

**ACLS:** This program has been prior approved by the AANA for 5 CEC; AANA Code #1033682; Expiration date 11/15/2017.

**PALS:** This program has been prior approved by the AANA for 5 CEC; AANA Code #1031994; Expiration date 11/16/2017.

**Nurse Practitioners:** The American Academy of Nurse Practitioners Certification Program (AANPCP) and the American Nurses Credentialing Center (ANCC) accept CME from organizations accredited by the ACCME.

**Osteopathic Physicians:** This program is eligible for Category 2 credit with the American Osteopathic Association (AOA).

**Physician Assistants:** The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit*™ from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 5 hours of Category I credit for completing this program.

**Registered Nurses:** NWAS is an approved provider for the following state nursing boards: California Board of Registered Nursing (Provider Number 4833), District of Columbia Board of Nursing (Provider Number 50-7480), Florida Board of Nursing (Provider Number 50-7480), and the Georgia Board of Nursing (Provider Number 50-7480). This program offers 5 contact hours.

### IMPORTANT PAYMENT INFORMATION:

Due to costs associated with late and on-site registrations, the following policy is in effect: Payment for courses must reach NWAS no less than 21 days prior to course. Failure to pay the tuition by 21 days prior will result in a late fee of \$25 per course. This includes on-site registrations. Credit cards are accepted for tuition including Visa, Mastercard, American Express, and Discover. Check or money order in US funds, payable to NWAS also accepted.

### COURSE CANCELLATION BY PROVIDER:

We reserve the right to cancel a course for any reason. In such case, a minimum of 30 days notice will be given to those registered and 100% of tuition paid will be refunded. NWAS and NWWT will not be responsible for any non-refundable airfare, hotel, or other liabilities you may incur. We highly recommend purchase of travel insurance. **Travel at your own risk.**

### COURSE CANCELLATION FEE:

\$100 from 30 days until 15 days prior to start of course. No refund if canceled less than 15 days prior to course; however 50% of tuition paid may be applied toward tuition of another NWAS program within 12 months. Cancellation must be in writing.

### SCHEDULE AND FACULTY CHANGES:

Factors beyond our control sometimes necessitate changes in the schedule and faculty. If time permits, we will inform all registrants of any changes prior to the program. Changes on site due to local conditions will be announced in class.

### FAP (FREQUENT ATTENDEE POINTS):

FAP lets you accumulate points based on dollars spent with NWAS, including net hotel (but not air). Once you have enough points to cover a full tuition, points can be redeemed for free tuition (no cash value).

### ERRONEOUS PRICING NOTICE:

Northwest Anesthesia Seminars, Northwest Seminars and Northwest World Wide Travel reserves the right not to honor any published prices or coupons that it determines were erroneous due to printing, electronic, or clerical error.
