

Diabetic Limb Salvage/Critical Limb and Woundcare: A Team Approach 2015

October 2 – 3, 2015

Cleveland Clinic Administrative Campus, Building #4 | Beachwood, OH

Register Today! [**ccfcme.org/GoDLS**](http://ccfcme.org/GoDLS)

Diabetic Limb Salvage/ Critical Limb and Woundcare: A Team Approach 2015

You Don't Want to Miss This Activity

The increasing incidence of diabetic foot ulcers and wounds creates challenges for practitioners regarding strategies to treat this complex comorbidity; however, not all practitioners are able to stay abreast of the most recent advances and techniques resulting in practice gaps among some patients.

This educational activity will provide an in-depth review of limb revascularization and wound care for patients with diabetes and update health care practitioners regarding the current understanding of the biologic basis of vascularization in diabetes, assessment and classification of wounds, and current therapies. Through a knowledgeable approach to treating this patient population, practitioners will be able to incorporate the latest research and clinical trial findings into their practice.

By Attending, You Will Be Able To:

- Compare and contrast outcomes data on interventional strategies for revascularization for limb salvage
- Select the most appropriate surgical approach to limb revascularization
- Present an evidence-based discussion of strategies for diagnosing and treating diabetic wounds
- Implement offloading strategies and therapeutic adjuncts to improve wound care
- Define the changes in coding related to vascular interventions and summarize the common pitfalls of wound care coding
- Present novel strategies for reducing readmissions and meeting CMS quality outcomes
- Identify and characterize atypical nonvascular wounds
- Discuss alternative and unique uses of negative pressure wound therapy to treat chronic wounds
- Identify the distinguishing features of venous and mixed venous pathology and select the most appropriate therapy for venous intervention in both the acute and office-based settings
- Describe the role of team collaboration in wound care

Who Should Attend

Internists, vascularologists, surgeons, interventional cardiologists, podiatrists, wound and acute care specialists, physician assistants, hospital and skilled nursing staff, and administrators of wound care centers will gain knowledge from attending this activity.

Two Ways to Register

ONLINE

ccfcme.org/GoDLS

Cleveland Clinic employee fees and registration are available online only.

BY MAIL

The Cleveland Clinic Educational Foundation
PO Box 931653, Cleveland, OH 44193-1082

Registration form can be downloaded from the activity website.

Fee includes: Continental breakfasts, refreshment breaks, lunches, program booklet, and faculty PowerPoint presentations in PDF format, available online.

Fees	On or Before Aug 4	After Aug 4
Physician	\$275	\$325
Resident*/Fellow*	\$200	\$250
Nonphysician	\$200	\$250

*Letter from program director is required to receive the discounted fee. If letter is not received two weeks prior to the activity, the full physician fee will be charged.

Visit **www.ccfcme.org/GoDLS** for complete registration information.

Registration and Cancellation

Preregistrations are accepted until 2:00 pm ET September 30. Register on site after this date. In case of cancellation, a full refund will be made if canceled by September 25. After September 25, a \$100 cancellation fee will be deducted from your refund. Email notification of your cancellation by October 31 is required to process your refund. For questions about registration or cancellation, email us at cmeregistration@ccf.org or call 216.448.8710.

Cleveland Clinic Center for Continuing Education reserves the right to cancel or postpone an activity at our sole discretion. In the unlikely event that this occurs, any registration fee(s) paid will be refunded. Be advised that Cleveland Clinic is not responsible for related costs including airline tickets, hotel costs, or any similar fee penalties incurred as a result of any trip cancellations or changes.

Faculty

Activity Director

Lee Kirksey, MD

Vascular Surgeon
Heart & Vascular Institute

Guest Faculty

David Armstrong, DPM, MD, PhD

Director, Southern Arizona Limb
Salvage Alliance
Professor of Surgery
The University of Arizona Medical Center
Tucson, AZ

Allan M. Boike, DPM, FACFAS

Dean, Kent State University's College of
Podiatric Medicine
Kent State University
Kent, OH

Peggy Dotson, RN, BS

Owner
Healthcare Reimbursement Strategy Consulting
Yardley, PA

Cleveland Clinic Faculty

George Anton, MD

Chief

Agenda

Friday, October 2, 2015

7:00 am	Registration, Continental Breakfast, and Exhibits	11:40 am	Digit vs Trans Metatarsal Amputation for Diabetic Foot Infection – Is Achilles Tendon Lengthening Necessary?
7:45 am	Welcome and Introduction	12:00 pm	Lunch and Keynote Speaker The State of Diabetic Limb Salvage
8:00 am	Revascularization for Limb Salvage; Endoscopy vs Open: What the Data Really Say	1:00 pm	Charcot Arthropathy Surgery: When and What Approach
8:20 am	Angiosomal Directed Revascularization: Fact or Myth	1:20 pm	ERTL: A More Durable Below the Knee Amputation Reconstruction
8:40 am	Interventional Approaches to Venous Disease in Chronic Leg Ulcers	1:40 pm	When to Say When: Amputation Does Not Equal Failure
9:00 am	Making the Diagnosis: Non-Invasive Vascular Lab Imaging -OR- Live Case: Superficial Femoral Artery Chronic Total Occlusion	2:00 pm	Soft-Tissue Coverage: Negative Pressure Wound Therapy vs Free Flap: An Algorithm
9:20 am	The Team Approach to Limb Salvage: How and Why It's Important	2:20 pm	Elective Reconstruction in the Diabetic Patient
9:40 am	Top Ten Rules of Successful Chronic Total Occlusion Management -OR- Live Case/Taped Cases: May-Thurner Syndrome	2:40 pm	Current Data on Optimal Glycemic Control
10:00 am	Refreshment Break and Exhibits	3:00 pm	Panel Discussion
10:20 am	Wound Ischemic Foot Infection: Validating the New Model of Wound Classification	3:20 pm	The Evidence on Hyperbaric Oxygen Therapy
10:40 am	Surgery vs Medical Therapy for Osteomyelitis: What Does the Data Show?	3:40 pm	Refreshment Break and Exhibits
11:00 am	Reality Based Ambulatory Approach to Offloading Diabetic Foot Ulcer: Are There Good Alternatives to Total Contact?	4:00 pm	Updates in Reimbursement Vascular Surgery
11:20 am	Current State of Platelet Rich Plasma in Wound Healing	4:20 pm	Integrated Approach to Woundcare: Acute, Postacute, Ambulatory
		4:40 pm	Panel Discussion
		5:00 pm	Atypical Wounds: Recognizing the Uncommon
		5:20 pm	Orthopedist vs Podiatrist: Living Collaboratively in the Changing Face of Healthcare
		5:40 pm	Adjourn
		5:45 pm	Reception and Exhibits

Saturday, October 3, 2015

7:00 am	Registration, Continental Breakfast, and Exhibits	10:20 am	Complications of Endovenous Ablation: Avoidance Strategies and Treatment
7:45 am	Welcome Breakout	10:40 am	IVC Thrombosis with Filter Extraction
8:00 am	Woundologist: The State of Woundcare as a Specialty	11:00 am	Reimbursement Strategies for a Profitable Woundcare Center
8:20 am	Nonhealing Wound with Normal Arterial Circulation: Understanding Venous Disease	12:00 pm	Lunch and Exhibits
8:40 am	Achilles Tendon Lengthening vs Gastroc Recession in Diabetic Foot Ulcer	12:30 pm	Billing and Coding Skin Substitutes, Common Coding Errors
9:00 am	The Vascular Lab in Diagnostic Venous Imaging	1:30 pm	Tools Tips in Tricks for Complex Cutaneous Fistulas
9:20 am	Endovenous Practice 2015: What Catheter to Foam or Not	2:10 pm	The Changing Face of WOC Nursing Education – From Classroom to Laptop
9:40 am	Panel Discussion	2:50 pm	Adjourn
10:00 am	Refreshment Break and Exhibits		

General Information

Location

Cleveland Clinic Administrative Campus
25875 Science Park Drive
Building #4 – Auditorium
Beachwood, OH 44122

Directions

From the North: Take I-271 south to the Chagrin Blvd. exit. Turn right onto Chagrin Blvd. Turn right onto Enterprise Parkway. Turn right onto Science Park Drive. The surface lot is on the last driveway on your right. Drive to Building 4.

From the South: Take I-271 north to the Chagrin Blvd. exit. Turn left onto Chagrin Blvd. Go across the bridge and turn right onto Enterprise Parkway. Turn right onto Science Park Drive. The surface lot is on the last driveway on your right. Drive to Building 4 (it is the building that is farther back on your right).

Recommended Area Hotels

Hilton Cleveland East/Beachwood

3663 Park East Drive
Beachwood, OH 44122
216.464.5950
\$109 plus tax

Hotel INDIGO

3581 Park East Drive
Beachwood, OH 44122
216.454.8000
\$115 plus tax

Complimentary shuttle available to meeting from both hotels.

Parking

Free parking is available in the parking lot outside the building.

Information

For further information about this activity, contact the Center for Continuing Education at:

Local: 216.448.0770

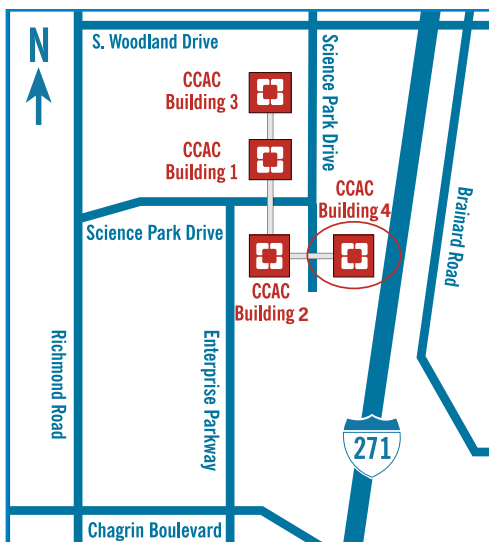

Web Address: ccfcme.org/GoDLS

For questions about registering online, call 216.448.8710 or email cmeregistration@ccf.org.

Faculty Disclosure

The Cleveland Clinic Foundation Center for Continuing Education has implemented a policy to comply with the current Accreditation Council for Continuing Medical Education Standards for Commercial Support requiring resolution of all faculty conflicts of interest. Faculty declaring a relevant commercial interest will be identified in the activity syllabus.

Recording or reproducing of this activity in any format is prohibited.

Accreditation

The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this live activity for a maximum of 15.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the **American Osteopathic Association** for Category 2 credit.

The **Ohio Board of Nursing** will accept at face value the number of contact hours awarded for an educational activity that has been approved for CE by a nationally accredited system of CE approval.

Nurses are able to obtain CE that has been approved or provided by a nationally recognized accreditation system of continuing education.

Examples include:

- The American Nurses Credentialing Center (ANCC)
- The Accreditation Council for Continuing Medical Education (ACCME)
- The International Association for Continuing Education and Training (IACET)

Americans with Disabilities Act

The Cleveland Clinic Foundation Center for Continuing Education fully intends to comply with the legal requirements of the Americans with Disabilities Act. If you need assistance, please notify us at least two weeks prior to the activity.
