

Mauna Lani Bay Hotel & Bungalows

The Mauna Lani Bay Hotel and Bungalows is not just a hotel, but a secluded oceanfront playground set on three miles of pristine coastline. The name Mauna Lani means mountain reaching heaven, a name given by the Hawaiian elders. Embrace the spirit of aloha and share the love for Hawai'i - the weather, beaches, tropical energy, unique island culture and most importantly, the people. The feeling of being in Hawai'i will overcome you as you enter Mauna Lani's breezy atrium: cascading waterfalls, lush foliage, the sound of tropical songbirds, and ponds filled with colorful koi fish and baby green sea turtles. The Mauna Lani invites you to experience paradise. Each guest room has a private lanai, one of the best places on island for whale watching.

2013 TRAVEL + LEISURE - *World's Best Awards*
Mauna Lani Bay Hotel & Bungalows is ranked in the "Top 25" Hawaii Resorts by Travel + Leisure magazine's Reader Poll. Aug 2013

2013 GOLF WEEK MAGAZINE - *Best Courses to Play*
Mauna Lani is ranked as one of the Best Courses to Play. May 2013

2013 CONDÉ NAST TRAVELER - *Top 270 Spas*
In North America, Caribbean and at Sea Mauna Lani Spa is ranked in the Top 10 Spas in Hawaii. March 2013

2013 TRAVEL + LEISURE - *World's Best T+L 500*
Mauna Lani Bay Hotel & Bungalows is ranked #2 on the Island of Hawaii by magazine's T + L 500 List. Jan 2013

SPECIAL ACCOMMODATION RATE FOR THE SYMPOSIUM VALID ONLY UNTIL :

November 18, 2015

\$189 Garden View

\$235 Ocean View

\$310 Ocean Front

A deposit equal to two (2) night's room revenue and applicable taxes will be required to guarantee reservations at the time of booking.

These Rates are subject to availability and to the prevailing Hawaii State General Excise and Room Occupancy Taxes, currently at a combined rate of 13.4166% (subject to change) and a \$10 Resort Activity Package.

Reservations can be booked via hotel link at: **ccmmeetings.com** or phoned into the reservations department at **1-800-367-2323**.

The Mauna Lani Bay Hotel Concierge offers personalized services. Some of the most popular activities "available only on the Big Island" include taking a flight over the lava flow, snorkeling with the gentle giant manta rays, swimming with the wild Hawaiian spinner dolphins, stargazing atop Mauna Kea, and of course, visiting the Hawaii Volcanoes National Park. Many of these excursions are popular, so they recommend booking in advance. They can be reached at **808-887-1708** or at **Maunalanibayconcierge@pleasant.net**. They are available daily from 7am to 7pm (Pacific Time).

COURSE DESCRIPTION CME ACCREDITATION

The 5th Annual International Hawaii Symposium on Diagnostic and Therapeutic Modalities in Heart Failure will be held from December 3-5, 2015 at the delightful Mauna Lani Hotel on the beautiful Island of Hawaii. This year's Symposium will detail exciting advances in heart failure, biomarkers, interventional therapy, devices, and arrhythmias. The agenda for 2015 incorporates lectures, panel discussions and case presentations presented in an environment that is ideally suited for both learning and relaxation. Attendees will have the opportunity to hear leaders in heart failure and biomarkers discuss the newest important advances in their fields as well as provide practical guidance for optimizing patient care.

LOCATION

The Mauna Lani Bay Hotel & Bungalows

68-1400 Mauna Lani Drive
Kohala Coast,
Island of Hawai'i 96743
Phone 808-885-6622
Fax 808-881-7000
www.maunalani.com

Hotel Reservation Deadline: November 18, 2015.

If your reservation is not received prior to cut-off date, reservations will only be accepted subject to availability. Please specify that you plan to attend the 5th Annual International Hawaii Symposium on Diagnostic and Therapeutic Modalities in Heart Failure so you can receive our special symposium rate.

CANCELLATIONS

Because of advance planning requirements, a full refund less a \$75.00 processing fee will be given if you cancel. Please cancel in writing and postmark by **November 2, 2015**. No refunds will be given after **November 2, 2015**.

TARGET AUDIENCE

The target audience for this activity includes Cardiologists, Internists, Primary Care Physicians, Nurses and Allied Health Care Professionals.

Officially endorsed by the **Heart Failure Society of America**. The opinions presented in this educational activity do not necessarily reflect the opinions or recommendations of the HFSA.

This Live activity, **5th Annual International Hawaii Symposium on Diagnostic and Therapeutic Modalities in Heart Failure**, with a beginning date of December 3, 2015 has been reviewed and is acceptable for up to **14.0** Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AMA: AAFP Prescribed credit is accepted by the American Medical Association as equivalent to *AMA PRA Category 1 Credit™* toward the AMA Physician's Recognition Award.

AANP: The American Academy of Nurse Practitioners accepts AAFP Prescribed credit. This program was planned in accordance with AANP CE Standards and Policies and AANP Commercial Support Standards.

ANCC: According to the ANCC, the continuing education hours approved by the AAFP meet the ANCC-accredited CNE criteria.

AAPA: The American Academy of Physician Assistants accepts AAFP Prescribed credit for AAPA Category 1 CME credit.

SYMPOSIUM OBJECTIVES

At the end of the meeting the participant will be better able to:

1. Implement effective therapy for treating patients with heart failure including the use of pharmacologic agents and devices.
2. Identify patients who would be candidates for new anticoagulants for treating atrial fibrillation and other CV diseases.
3. Evaluate and manage patients with acute heart failure.
4. Assess and follow patients with heart failure using devices for remote monitoring and with biomarkers.
5. Identify and modify risk in patients with atrial fibrillation.
6. Evaluate and manage patients with pulmonary hypertension.
7. Define indications for valve replacement surgery and to determine which patients are candidates for catheter based techniques for aortic valve replacement.
8. Identify patients who are candidates for ICDs (both external and internal) and BiV pacemakers.
9. Explore novel "biomarkers" such as heart rate, pulmonary pressure, serum potassium, apnea/hypopnea index, and how this will lead to new and effective targeted therapies.

NEEDS ASSESSMENT

Over five million Americans (two percent of the U.S.) are living with heart failure. An estimated 670,000 new cases of heart failure (HF) are diagnosed each year and this condition is a major cause of morbidity and mortality (80% of men and 70% of women less than 65 year of age who has HF will die within 8 years.) and is the number one cause of hospitalizations of the elderly in the US. HF is common, but unrecognized and often misdiagnosed. Recent data have shown that drugs and devices that have proven beneficial and are recommended in recent practice guidelines, (HFSA 2010 update of practice guidelines Lindelfield J et al J Cardiac Failure 2010;16: 475) are underutilized (Fonarow GC et al. Circulation 2010;122:585).

Despite important advances in treatment, patients with heart failure continue to experience unacceptably high rates of morbidity and mortality. This along with the enormous cost of caring for a growing number of heart failure patients has resulted in increased scrutiny of existing and emerging therapies. There is a need for education regarding cost effective use of diagnostic tools.

FACULTY DISCLOSURE It is our policy to ensure balance, independence, objectivity and scientific rigor. All persons involved in the selection, development and presentation of content are required to disclose any real or apparent conflicts of interest. All conflicts of interest will be resolved prior to an educational activity being delivered to learners through one of the following mechanisms 1) altering the financial relationship with the commercial interest, 2) altering the individual's control over CME content about the products or services of the commercial interest, and/or 3) validating the activity content through independent peer review. All persons are also required to disclose any discussions of off label/unapproved uses of drugs or devices. Persons who refuse or fail to disclose are disqualified from participating in the CME activity. Participants will be asked to evaluate whether the speaker's outside interests reflect a possible bias in the planning or presentation of the activity. This information is used to plan future activities.

PROGRAM

Thursday, December 3, 2015

8:20 **Welcome/Introduction - Drs. Barry Greenberg & Alan Maisel**

SESSION I AM Treating Risk Factors and Preventing Heart Failure

8:25-8:50 **Treating Hypercholesterolemia - What's the Right Level to Aim for and Will PCSK-9 Inhibition Help to Take Us There?**
Daniel Blanchard, MD

8:50-9:15 **Treating Hypertension in 2015: A Practical Approach**
Gregg Fonarow, MD

9:15-9:40 **Using Biomarkers for Early Detection of LV Dysfunction and Heart Failure: Implications for Management**
Lori Daniels, MD

9:40-10:00 **Q/A and Case Presentation - Lori Daniels, MD (Presenter)**
Drs. Fonarow, Blanchard, Greenberg and Sheryl Chow, PharmD (Discussants)

10:00-10:25 **Coffee Break/Visit Exhibits**

SESSION II Acute Heart Failure (AHF) - Alan Maisel, MD (Moderator)

10:25-10:50 **Use of Biomarkers to Diagnose Risk, Stratify and Guide Treatment of AHF**
Alan Maisel, MD

10:50-11:15 **Rethinking Acute Heart Failure Treatment Strategies to Achieve Better Long-Term Outcomes**
Barry Greenberg, MD

11:15-11:40 **Can Early Detection of Congestion Prevent Hospitalization?**
Gregg Fonarow, MD

11:40-12:05 **Q/A and Case Presentation - Barry Greenberg, MD (Presenter)**
Drs. Maisel and Elkayam, Maria Fe White, NP and Sheryl Chow, PharmD (Discussants)

12:05 **AM Sessions Adjourns**

SESSION III PM Transition from Hospital to Home - Uri Elkayam, MD (Moderator)

4:00-4:30 **Getting it Right from the Start: Optimizing Medical Management**
John Chin, MD

4:30-5:00 **Identifying Patients at Risk and Strategies to Prevent Readmission**
Maria Fe White, NP

5:00-5:30 **New Agents for Treating Hyperkalemia and Their Role in Optimizing RAAS Blockade**
Barry Greenberg, MD

5:30-6:00 **Case Presentations: Strategies to Prevent Readmission**
Brian Carlos, MD (Moderator), Drs. Fonarow, Maisel and Greenberg and Maria Fe White, NP and Michelle Schlueter, PharmD (Discussants)

6:00 **Adjourn**

Friday, December 4, 2015

7:15-8:15 **Breakfast** *Support provided by:*
Product Theatre - Janssen Pharmaceuticals Inc. *(non-CME)*

SESSION IV AM Evolving Treatment of Chronic Heart Failure

8:25-8:50 **Management of Atrial Fibrillation**
David Krummen, MD

8:50-9:15 **The Changing PARADIGM of Neurohormonal Blockade in Heart Failure**
Barry Greenberg, MD

9:15-9:40 **Preventing Cardiac Death With the Wearable Cardioverter Defibrillator (WCD) and ICD**
David Krummen, MD

9:40-10:00 **Case Discussion - John Chin, MD (Presenter)**
Drs. Krummen and Maisel and Sheryl Chow, PharmD and Maria Fe White, NP, (Discussants)

10:00-10:30 **Coffee Break/Visit Exhibits**

SESSION V End Stage Heart Failure - Eric Adler, MD (Moderator)

10:30-11:00 **Recognizing and Treating the End Stage Heart Failure Patient**
Eric Adler, MD

11:00-11:30 **Palliative and Hospice Care**
Maria Fe White, NP

11:30-12:05 **Case Presentations - Eric Adler, MD (Presenter)**
Drs. Greenberg, Carlos, Chin and Maria Fe White, NP and Michelle Schlueter, PharmD (Discussants)

12:05-1:05 **Lunch**
Product Theatre *(non-CME)*
Corlanor® (ivabradine): A Treatment Approach For Patients With Chronic Systolic Heart Failure
Support Provided by Amgen

SESSION VI PM Practical Approaches - Alan Maisel, MD (Moderator)

4:00-4:30 **CRT Update: Selecting the Right Patients and Optimizing the Response**
John Cogan, MD

4:30-5:00 **Managing HFpEF Patients: How Can We Keep Them Out of the Hospital?**
Lori Daniels, MD

5:00-6:00 **Panel: The Nuts and Bolts of the NOACs - Discussion of Illustrative Cases**
Sheryl Chow, PharmD (Presenter)
Drs. Krummen, Fonarow, Blanchard, Elkayam, Carlos and Cogan (Discussants)

6:00 **Adjourn**

Saturday, December 5, 2015

SESSION VII Topics in Heart Failure - Barry Greenberg, MD (Moderator)

8:25-8:50 **Hyponatremia in the Volume Overloaded Patient**
Gregg Fonarow, MD

8:50-9:15 **Safety of Alternative Medicines for Treating Heart Failure**
Sheryl Chow, PharmD

9:15-9:40 **Using Hydralazine and Nitrates in AA Patients - Rationale and Practice**
Uri Elkayam, MD

9:40-10:05 **Recognizing and Treating Pulmonary Hypertension**
Eric Adler, MD

10:05-10:25 **Q/A and Case Presentation - Eric Adler, MD (Presenter)**
Drs. Greenberg and Elkayam and Maria Fe White, NP and Michelle Schlueter, PharmD

10:25-10:45 **Coffee Break/Visit Exhibits**

SESSION VIII Topics in Heart Failure - Alan Maisel, MD (Moderator)

10:45-11:15 **Sleep Disordered Breathing - How to Spot It, How to Treat It**
Alan Maisel, MD

11:15-11:45 **Imaging – Echo Imaging Quiz**
Daniel Blanchard, MD

11:45-12:20 **Case Discussions - Putting it all Together**
Barry Greenberg, MD (Presenter)
Faculty and Audience (Discussants)

12:20 **Symposium Adjourns**
