**Dear Friends & Colleagues,**

It is my privilege to welcome you to the annual conference of Indian Society of Electrocardiology, ISECON 2017.

We promise you an exciting and informative event over the span of the two days with rich scientific content provided through plenary lectures, discussions, symposia and workshops by global experts. The theme of this year's conference is **"ECG Diagnosis Made Easy"**. The programme aims to offer a complete spectrum of opportunities ranging from cardiology education, focus on new technology and research along with case based presentation and discussion.

ISECON 2017 will be hosted at New Delhi which has emerged as a vibrant hub for medical specialists and professionals. I look forward to welcoming you to ISECON 2017 and wish for an academic feast at the meeting with interesting discussions and exchange of ideas.

**Dr Vanita Arora**

Organising Secretary
