Dear Colleague,

Thank you for your interest in the Cleveland Clinic's *30th Annual Intensive Review of Internal Medicine*. We are committed to making this the finest available comprehensive review of internal medicine for physicians preparing for board certification or recertification and for physicians desiring a review of state-of-the-art developments in internal medicine.

The symposium will be conducted by distinguished members of the Cleveland Clinic staff and eminent visiting lecturers who are renowned in their fields of interest.

The symposium has been updated to reflect new developments in the field and incorporate suggestions from prior symposium participants. It will again feature an interactive, computerized audience response system, which will be employed to facilitate audience participation in most lectures.

Topics will cover current concepts and board-related issues using an organ system approach with emphasis placed on relevant clinical information. Lectures will be supplemented by board simulation sessions integrating relevant clinical cases, pathology, and imaging studies.

You will find our comprehensive review of internal medicine to be an outstanding educational experience. If you have any questions regarding the symposium, please contact us directly at the Cleveland Clinic. We will be happy to help.

Sincerely yours,

Adarsh Bhimraj, MD

Rendell Ashton, MD

Andrei Brateanu, MD

Who Should Attend

- Physicians preparing for Internal Medicine Board Certification or recertification
- Physicians desiring a review of state-of-the-art developments in internal medicine

By Attending You Will Be Able To:

- Review advances in internal medicine and discuss their clinical implications
- Review essential concepts to prepare for the Internal Medicine Board Certification Examination
- Assess areas of relative personal strength in internal medicine
- Acquire enhanced test-taking skills using an interactive system of board simulation

Symposium Directors

Adarsh Bhimraj, MD

Head, Section of Neurologic Infectious Disease
Department of Infectious Disease
Respiratory Institute
Cleveland Clinic

Rendell Ashton, MD

Departments of Critical Care and
Pulmonary Medicine
Respiratory Institute
Medicine Institute
Cleveland Clinic

Andrei Brateanu, MD

Cleveland Clinic

Comments from Past Attendees

*"A comprehensive survey of
Internal Medicine."*

*"An enlightenment on areas that I
need to focus on for the boards."*

*"Overall excellent. Well presented,
well researched lectures."*

"Will attend the meeting again!"

Lectures presented by Cleveland Clinic Professional Staff and Visiting Lecturers

Symposium Schedule

Monday, June 4, 2018

6:30 am Registration, Continental Breakfast, and Exhibits

7:30 am – 6:15 pm General Session

12:00 pm – 1:00 pm Lunch

• Cardiology

- Strategies for Taking the Boards
- Board Simulation in Cardiology I
- STEMI
- Unstable Angina and Non-ST- Segment and Elevation Myocardial Infarction (NSTEMI)
- Management of Stable Coronary Artery Disease
- Aortic valve Stenosis and Regurgitation
- Mitral valve Stenosis and Regurgitation
- ECG Interpretation - A Case Based Review

• Infectious Disease

- Board Simulation in Biostatistics
- HIV Infection and AIDS
- Common Ambulatory Infections
- Endocarditis and Vascular Device Infections
- Sexually Transmitted Diseases
- Skin Infections and Mimics
- Board Simulation in Infectious Disease
- Selection and Management of Antimicrobial Therapy
- Neurologic Infections
- Mycobacterial Infections

Tuesday, June 5, 2018

7:00 am Registration, Continental Breakfast, and Exhibits

7:30 am – 6:45 pm General Session

12:25 pm – 1:25 pm Lunch

• Rheumatology

- Board Simulation in General Rheumatology
- Approach to Acute Arthritis
- Chronic Arthritis: Diagnosis and Treatment
- Systemic Autoimmune Disorders
- Systemic Vasculitis

• Pulmonary and Critical Care Medicine

- Board Simulation in Pulmonary Medicine
- Interstitial Lung Disease
- Deep Venous Thrombophlebitis and Pulmonary Embolism
- Chronic Obstructive Pulmonary Disease (COPD)
- Asthma
- Pleural Disease
- Lung Cancer
- Board Simulation in Critical Care Medicine
- Board Simulation in Occupational Medicine

Wednesday, June 6, 2018

7:00 am Registration, Continental Breakfast, and Exhibits

7:30 am – 6:15 pm General Session

12:20 pm – 1:20 pm Lunch

• Endocrinology

- Pituitary Disorders: Mini-Board Simulation
- Androgenic and Reproductive Disorders
- Diabetes Mellitus: Mini-Board Simulation
- Thyroid Disorders
- Hyper and Hypocalcemia and Osteoporosis Evaluation and Treatment
- Adrenal Disorders: Mini-Board Simulation
- Board Simulation in Endocrinology

• Gastroenterology

- Esophageal Diseases
- Colon Cancer
- Diarrhea and Malabsorption
- Inflammatory Bowel Disease
- Pancreatic Diseases
- Liver Diseases
- Board Simulation in Hepatology
- Board Simulation in Gastroenterology

Thursday, June 7, 2018

7:00 am Registration, Continental Breakfast, and Exhibits

7:30 am – 6:15 pm General Session

12:10 pm – 1:10 pm Lunch

• Hematology and Medical Oncology

- Genitourinary Malignancies – Female
- Breast Cancer
- Anemia
- Bleeding Disorders and Platelet Disorders
- Genitourinary Malignancies – Male
- Leukemias
- Palliative Medicine
- Oncologic Emergencies
- Lymphomas

• Nephrology and Hypertension

- Chronic Kidney Disease: Assessment and Treatment
- Acute Kidney Injury: Diagnosis and Treatment
- Hallmarks of Essential and Secondary Hypertension
- Acid-based Disorders in Medicine
- Critical Fluid and Electrolyte Abnormalities in Clinical Practice
- Board Simulation in Nephrology

Friday, June 8, 2018

7:00 am Registration, Continental Breakfast, and Exhibits

7:30 am – 5:20 pm General Session

12:05 pm – 1:05 pm Lunch

• Cardiology

- Atrial Fibrillation and Other Supra Ventricular Tachycardias
- Ventricular Tachycardia and Sudden Cardiac Death
- Congestive Heart Failure
- Cardiomyopathies
- Preoperative Cardiac Risk Assessment
- Coronary Artery Disease Risk Assessment and Prevention Dyslipidemia
- Board Simulation in Cardiology II

• Selected Topics

- Board Simulation in Women's Health and Health Screening
- Board Simulation in Geriatrics
- Board Simulation in Neurology
- Board Simulation in Dermatology
- Board Simulation in Hematology/Oncology
- Board Simulation in Hematology: Cellular Morphology

Topics subject to change.

REGISTER ONLINE: ccfcme.org/GolRIM

Cleveland Clinic employee fees and registration are available online only.

Fees

Full Registration Fee includes: Continental breakfasts, five lunches, refreshment breaks, and faculty presentations via mobile app or laptop.

Faculty Disclosure

The Cleveland Clinic Foundation Center for Continuing Education has implemented a policy to comply with the current Accreditation Council for Continuing Medical Education Standards for Commercial Support requiring resolution of all faculty conflicts of interest. Faculty declaring a relevant commercial interest will be identified in the activity syllabus.

Americans with Disabilities Act

The Cleveland Clinic Foundation Center for Continuing Education fully intends to comply with the legal requirements of the Americans with Disabilities Act. If you need assistance, please notify us at least two weeks prior to the activity.

Accreditation

The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this live activity for a maximum of 45 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association for Category 2 credit.

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to [XX] MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

MOC is available for full course registration only.

Other Health Care Professionals

A certificate of attendance will be provided to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

Recording or reproducing of this symposium in any format is prohibited.
