19TH GLOBAL NURSING AND PATIENT SAFETY SUMMIT AND EXHIBITION

We are delighted to bring together healthcare professionals, researchers, and experts from around the world to share knowledge, exchange ideas, and advance excellence in nursing and patient safety.

WELCOME MESSAGE

**DR. AL
MOBARAKH**

Best Regards

I am Dr. Mohammad Almobarak, a consultant physician with extensive experience in clinical medicine and healthcare leadership. I earned my medical degree and board certification from the University of Vienna, where I received comprehensive training that laid the foundation for my career.

Upon returning to Saudi Arabia, I served in various capacities within the Ministry of Health, ultimately becoming the CEO of King Abdulaziz General Hospital, a 500-bed facility, a role I held with dedication and pride. Though now retired from public service, I remain actively engaged in healthcare through consulting and advisory work, sharing my expertise to advance patient care and organizational excellence.

It is my pleasure to invite you to the 19th Global Nursing and Patient Safety Summit and Exhibition will take place from December 8-9, 2026 at Kuala Lumpur, Malaysia.

This premier event unites global leaders, researchers, and practitioners to exchange knowledge, explore cutting-edge innovations, and shape the future of healthcare, nursing, and patient safety. Join us for a transformative experience that promises insight, collaboration, and inspiration.

I look forward to having you as part of this brilliant event

EARN 30 CPD CREDITS

**Your Growth Starts with
30 CPD & CME Credits**

The term continuing, or continuous, professional development (CPD), is used to refer to any form of learning you do to better your knowledge, comprehension, and experiences in a certain field. It is an acronym for continuous and planned learning and development. It emphasizes what you learn and how you grow, but it could also involve a formal method for documenting it.

Past Event Report

Utilitarian Conference Gathering successfully hosted its 18th series on “18th Global Healthcare, Preventive Medicine & Public Health Summit & Exhibition”, held in Dubai, UAE. The conference was organized with a theme focused on “Advancing Global Healthcare through Preventive Strategies and Public Health Innovation.” The event was a remarkable success, where eminent keynote speakers from various universities and organizations addressed the gathering and shared their valuable insights.

The generous response and active participation of the Organizing Committee Members played a major role in the success of this global healthcare event. We extend our sincere gratitude to all esteemed guests, keynote speakers, poster presenters, and delegates for dedicating their time and sharing their valuable research within our global scientific network.

The Organizing Committee would also like to thank everyone who attended the conference for making the sessions a worthwhile and enriching experience. We express our special appreciation to the moderators of the conference sessions and all contributors who ensured the smooth functioning of the event...(click here for more)
