Registration Deadline
September 12, 2016

Dear Members of the Midwest Society for Pediatric Research,

We are pleased to announce the 57th Annual Meeting of the Midwest Society for Pediatric Research to be held September 22-23, 2016 at the Ann & Robert H. Lurie Children's Hospital of Chicago in Chicago, Illinois. This meeting traditionally provides a wonderful setting in which to present and hear about outstanding pediatric research performed at the major research universities throughout the Midwest. We trust that there will be topics of interest for everyone!

Each day's session will present a distinguished keynote speaker presentation. On Thursday, September 22, Dr. Susan Quaggin, Chief of Nephrology in the Department of Medicine at the Northwestern University Feinberg School of Medicine will give a State-of-the-Art talk on Pediatric Glaucoma. On Friday September 23rd, Dr. Frank Greer, Professor Emeritus, University of Wisconsin-Madison will speak on *What is New in Infant Nutrition*. At the Trainee Breakfast on Friday September 23rd Dr. Thomas Shanley, Chair of Pediatrics, Lurie Children's, will speak on *Professional Societies and Networking*. **The Final program will be posted to our Website one month prior to the meeting.** <https://www.aps-spr.org/regions/mwspr/>

We plan to present our Founder's Award (for a senior pediatric investigator who has made major contributions to pediatric research in the Midwest) and the James Sutherland Award (for the best abstract presented by a junior faculty member no more than 5 years out of fellowship training as of June 30, 2016) at a special luncheon (free of charge) on Thursday, September 22 from 12:00 to 1:30 pm.

We will also present the Frederic M. Kenny Award and the Jack Metcalf Award for the best-presented abstracts of work completed in residency or fellowship. We will present the Segar Award for best clinical research presentation by a trainee. In addition, the Cleveland Clinic best Student Research Award will be given. A Stanley Phillips Award for best poster presentation will also be given. These awards will be presented at the luncheon (free of charge) on Friday, September 23 from noon to 1:00 pm. Please choose the award that you wish to apply for on the pull down menu on the electronic abstract submission form.

We will underwrite a substantial portion of the travel expenses for medical students, residents, and fellows as first authors who present their work at our meeting. When you designate your trainee status on your abstract, we will send you a "trainee form" to bring to the meeting for the Treasurer to utilize in order to reimburse you. The form will request trainee's social security number to process these travel awards, which are issued after the meeting.

Submit your best abstracts now by going to www.medpubinc.com. The abstract deadline is **Friday, June 10, 2016 - 11:59 PM (midnight) EST**. Remember, this meeting is particularly supportive of trainees and junior faculty and represents a great opportunity to meet other pediatric research scientists from throughout the region.

We look forward to seeing you in Chicago, Illinois this fall!

Sincerely,

Heather Bartlett, MD

Important Information:

This abstract brochure is for the 2016 Midwest Society for Pediatric Research scientific meeting to be held in conjunction with the Department of Pediatrics at Ann & Robert H. Lurie Children's Hospital of Chicago in Chicago, Illinois. Included in the Call for Abstracts brochure is information unique to this meeting. Please use the appropriate electronic submission form. It is **REQUIRED** that you submit your abstract electronically. If you encounter problems submitting your abstract electronically, please e-mail admin@medpubinc.com or call 734-699-1217 for assistance. The abstract deadline is **June 10, 2016 (11:59 pm EST)**. For Meeting Registration and Abstract Submission, please go to Proceed to <http://www.medpubinc.com>. **Please note:** The abstract fee is separate from the registration fee. On the same site, you must register to attend the meeting and can do so at the link "Meeting Registration." The deadline for pre-registration of meeting registration is **September 12, 2016**.

Abstract Policies:

No revisions or changes will be accepted to submitted abstracts after the deadline

1. All abstracts are peer-reviewed and ranked on the basis of scientific merit by experts in the category selected. The Program Committees use these rankings to develop the final meeting program. Abstracts submitted for presentation will be accepted at the discretion of the Program Committees. The decisions of the Program Committees are final. MWSRP Abstract Scoring Guidelines: www.medpubinc.com/pdf/MWSPR_Abstract_Scoring_Guidelines.pdf *Abstracts will not be reviewed if received after the abstract deadline.*
2. MWSPR requires a **nonrefundable** abstract fee of \$90.00 to cover the costs of processing and review. This is **separate** from the *registration fee*. You must also register to attend the meeting. Include separate payment with each abstract submitted. Payment must be made by credit card (MasterCard, Visa, American Express). Upon filling out the credit card information, please note that your credit card will be charged at that time. By submitting this form with your credit card information, you authorize MedPub, Inc. to charge your credit card for the amount as indicated above. Your credit card statement will show the charge from MedPub, Inc. and **not** from MWSPR.
3. **INFORMED CONSENT AND DISCLOSURE:** Investigators should consider and disclose potential conflicts of interest in connection with papers presented at the regional meetings. Each abstract **must** comply with the following: (1) personal responsibility for ensuring that at the time of the meeting for which it is being considered, the material herein will not have been published or presented at any national meeting; (2) that if accepted, an eligible author is prepared to present it; (3) that any animal studies conform with the "Guiding Principles in the Care and Use of Animals" of the American Physiological Society; (4) that any human experimentation was conducted according to a protocol approved by an Institutional Review Board on ethics of human investigation (if no such Board exists, please state in a separate letter what standards were used to assess the ethical property of the protocol); and (5) that potential conflicts of interest will be disclosed at time of presentation of abstract. All potential conflicts of interest should be detailed in a separate letter and sent via e-mail with your abstract. Such information will not be available to the abstract review committee and will not prejudice review of the abstract.

Abstract Preparation Instructions for Formatting

1. Format abstract in a MSWord document. **Abstract limit is 400 words.** One figure or table may be included and counts as 75 words.
2. **Title and Authors.** The title should be brief, clearly indicating the nature of the study. **CAPITALIZE ENTIRE TITLE.** State all authors' initials and last names followed by their institutional affiliations, city, and state. **BOLD presenting author only.** **Do not** include degrees, institutional appointments, street address or zip codes on the abstract.
3. **Body.** Organize the body of the abstract to include a purpose of study, methods used, summary of results, conclusions reached, and clinical correlation. *Do not skip a line* between the title and body of the abstract.
4. **Abbreviations.** Place nonstandard abbreviations in parentheses after the full word the first time it appears. **Do not use abbreviations in the abstract title.**

SAMPLE: RADIATION-INDUCED OSTEOSARCOMA FOLLOWING OSTEOSARCOMA AND LI-FRAUMENI SYNDROME. C Shih, K Bringelsen, The Childrens Hospital, The Cleveland Clinic, Cleveland, OH.

Osteosarcoma is the most serious late complication following ionizing radiation to bone in children. The majority of secondary osteosarcomas occur following radiation of other solid tumors: Ewing's sarcoma

Step-by-Step Instructions for Electronic Submission:

Abstracts must conform exactly to the following instructions. Those that do not may be rejected.
FAXED ABSTRACTS WILL NOT BE ACCEPTED.

1. Establish a connection to the Internet. Proceed to <http://www.medpubinc.com>
2. Click the link at the top of the page **Submit Abstract**. It will take you to the next page where you choose the appropriate meeting for which you are submitting an abstract. Choose the meeting of choice then "Create a New Account" or Log in as an "Existing User" if you have submitted an abstract in the past. On the following screen click on **Submit Abstract** and fill out the form.
3. If you are the **presenting author**, be sure to include your full name and e-mail address on the submission form. Trainee Awards are chosen based on the presenting author information, including rank (Junior faculty, student, fellow, or resident). Select your rank from the pull-down menu. Travel award qualification (student, fellow, or resident) is also determined by the presenting author. Enter the full title of your abstract in UPPER CASE. Select the appropriate category and if you only want to be considered for a poster. If you change the title of the abstract from the time you fill out the submission form online to the time you upload your abstract, please go back online and change it so that they both match. The information on the submission form online is what will be printed in the program. You will need to do this by the abstract deadline.
4. Have your credit card and/or purchase order number available before you begin filling out the form. Once you have completed the entire form, including your credit card and/or purchase order information, press the **submit** button. If you leave this page open too long it will time-out and you will have to begin again. Once this is completed, you will be prompted to print a receipt and a confirmation email will be sent that your abstract was uploaded.
