WELCOME MESSAGE

Dear Colleagues,

On behalf of King's College Hospital London in Dubai, we would like to invite you to our conference entitled, **“Recent Medical Advancements: A 360° Approach to Patient Management”**, which is planned for **21st-22nd March, 2019** at the Address Hotel Dubai Mall.

The programme aims to discuss the latest evidence in the management and treatment of common problems in Fetal Medicine Haematology + Women's Health, Diabetes + Metabolic Management, Pain Management, Chronic Liver Disease, Genetics and Antimicrobial Stewardship offering a unique opportunity for physicians across the UAE and the region to meet, network, and learn new scientific developments. The speakers are world-renowned coming from the UK and Middle East.

The conference will highlight improving patient outcomes through innovation and intelligent integration, provides an excellent opportunity to share views, exchange knowledge and establish collaborations & networking. The two-day event consists of plenary lectures + talks, and will give you the opportunity to meet with the experts formally and informally.

We believe the event will be of interest to all varying specialties including Nurses and Allied Health Professionals.

We look forward to welcoming you in Dubai.

Dr. Gowri Ramanathan

MBBS, FRCOG, CCT
