

**ANNUAL
MEETING**

**Seminars
in Pathology**

**November 28 –
December 2, 2023**

**Hyatt Regency
San Francisco**

Welcome Message

Dear Pathology Attendees,

Warm Greetings!

It is with great pleasure and excitement that I extend a warm welcome to all attendees of the 76th Annual California Society of Pathologists (CSP) Annual Meeting: Seminars in Pathology, to be held in the captivating city of San Francisco from November 28th to December 2nd, at the Hyatt Regency Embarcadero in downtown San Francisco, California. Our highly anticipated 2023 meeting promises to be an enriching and unforgettable experience for all who participate. We have thoughtfully curated a diverse and engaging program, aiming to foster an atmosphere of knowledge-sharing, collaboration, and professional growth. Our dedication to providing top-quality educational content and networking opportunities has led us to assemble an exceptional lineup of events.

During the conference, we will be featuring comprehensive video tutorials that cover a wide spectrum of surgical pathology topics, designed to enhance your expertise and understanding in this dynamic field. Moreover, we have planned numerous short courses focusing on essential areas such as GI, breast, soft tissue, GYN, and molecular topics, ensuring that you will gain valuable insights and practical skills.

One of the highlights of this year's meeting will be a special course on AI and pathology, where experts in the field will explore the fascinating intersection between artificial intelligence and pathology, presenting its potential impact on our practices and patient care.

Of course, no CSP Annual Meeting would be complete without our traditional CSP business meeting and the CAP Update Luncheon, where we will discuss the latest developments in the field and address the future direction of our society.

Beyond the educational aspects, we hope you take some time to relish the enchanting atmosphere of San Francisco during the holiday season. This picturesque city has a lot to offer, from its iconic landmarks to its rich cultural heritage, making it the perfect backdrop for building cherished memories with friends and colleagues.

The CSP Annual Meeting is not only an opportunity to expand your professional horizons but also a chance to reconnect with old friends, forge new connections, and engage with leading vendors in the pathology industry. We encourage you to embrace the camaraderie and spirit of collaboration that this event fosters.

For more information on the meeting schedule, registration details, and accommodation options, please visit our website at calpath.org.

Thank you for choosing to be a part of this significant gathering. Your presence and contributions will undoubtedly enrich the conference experience for everyone involved. We eagerly anticipate your arrival and look forward to the 76th Annual California Society of Pathologists Annual Meeting: Seminars in Pathology being a resounding success.

See you soon in San Francisco!

Best regards,

James Harris, M.D.
CSP President

Education Committee

Balaram Puligandia, MD, FCAP, Chair

Manju Aron, MD

Shikha Bose, MD

Oluwole Fadare, MD

Teri Longacre, MD

Steven Long, MD

Alfred Lui, MD

Learning Objectives

After attending this conference, participants should be able to:

- Appropriately stage malignancies in several organs;
- Apply diagnostic criteria and report accurately lesions of several organs;
- Apply cytopathologic criteria to distinguish benign from malignant lesions; and
- Describe technologies, current and emerging, impacting the field of pathology.

Continuing Medical Education

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the College of American Pathologists and California Society of Pathologists. The College of American Pathologists is accredited by the ACCME to provide continuing medical education for physicians.

CREDIT DESIGNATION STATEMENT

The College of American Pathologists designates this live educational activity for a maximum of 25.5 **AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only credit commensurate with the extent of their participation in the activity.

DISCLAIMER: The content of this accredited CE (CME) activity does not necessarily reflect the view or policies of the College of American Pathologists.

Commercial Support: Commercial support for this meeting is being sought. Any support secured will be announced in the meeting materials.

Hotel Information

Located on the Embarcadero waterfront, **Hyatt Regency San Francisco** offers easy access to many exciting San Francisco attractions. Enjoy shopping at Union Square and Embarcadero Center. Explore the museums and attractions in Golden Gate Park. And don't forget to check out the city's top landmarks, like the Golden Gate Bridge, Fisherman's Wharf, and Alcatraz.

Hyatt Regency San Francisco

5 Embarcadero Center
San Francisco, CA 94111

Room Rate: \$289 single/double plus tax

Reservations: (888) 421-1442 and ask for the CSP rate

Check-in: 4:00 pm / **Check-Out:** 12:00 pm

Book Your Room Online

Reservation Cut-Off Date: November 6, 2023

All rooms are limited and are reserved on a first-come, first-served basis. After the cut-off date, reservations are subject to availability with no guarantee that the conference rate will apply. All rates are per room per night and are subject to state and local taxes.

Parking

Hyatt Regency San Francisco has parking available to overnight guests for a current charge of \$72 per day. In and out privileges are available to those who bill their parking charges to their guest room. *All prices subject to change without notice.*

Alternate Parking Options:

Clay Street - \$34/day

Bay Area Rapid Transit (BART) connects San Francisco Airport to Downtown San Francisco. Ticket cost is approximately \$10 each way. The Hyatt Regency San Francisco is located steps away from the Embarcadero BART Station.

All prices subject to change without notice.

Program Schedule

Tuesday, November 28, 2023

4:00 – 6:00 pm

Registration Open

VIDEO TUTORIALS

3:00 – 4:00 pm

Head and Neck Cytopathology

Brittany Holmes, MD

3:00 – 4:00 pm

Oral Pathology

Richard Jordan, MD

Wednesday, November 29, 2023

7:00 am – 5:00 pm

Registration Open

7:30 – 9:00 am

Continental Breakfast with Exhibitors

GENERAL SESSIONS

8:00 – 9:00 am

Practical Solutions to Controversies in Reporting

Cervical Cancer

Kay Park, MD

9:00 – 9:15 am

Exhibit Break

9:15 – 10:15 am

Practical Solutions to Controversies in Reporting

Endometrial Cancer

Joseph Rabban, MD, MPH

10:15 – 10:30 am

Exhibit Break

10:30 am – 12:30 pm

Breast Core Needle Biopsies: Pitfalls and Pearls

Prognostic and Predictive Markers in Breast Cancer

Hannah Wen, MD, PhD

12:30 – 2:00 pm

Lunch On Your Own

Gather some of your colleagues and create your own lunchtime soiree.

VIDEO TUTORIALS

2:00 – 3:00 pm

Endometrial Biopsies: Strategies to Manage Pitfalls, Problems, and Dilemmas

Joseph Rabban, MD, MPH

3:00 – 3:30 pm

Exhibit Break

3:30 – 4:30 pm

Practical Thoracic Pathology:

Working with Small Biopsies

Kirk Jones, MD

4:45 – 5:45 pm

Brain and Pituitary Tumors– Conquering Grey Areas and Pitfalls

William Yong, MD

5:00 – 6:30 pm

Welcome Reception with Exhibitors

Thursday, November 30, 2023

7:00 am – 5:00 pm

Registration Open

7:30 – 9:00 am

Continental Breakfast with Exhibitors

GENERAL SESSIONS

8:00 – 9:00 am

A Practical Approach to Lipomatous Neoplasms

Karen Fritchie, MD

9:00 – 9:15 am

Exhibit Break

9:15 – 10:15 am

The Utility of Molecular Testing in Soft Tissue Pathology

Karen Fritchie, MD

10:15 – 10:30 am

Exhibit Break

10:30 am – 12:30 pm

HNS

Justin Bishop, MD

Program Schedule

12:30 – 2:00 pm

Lunch on Your Own

Don't eat solo! Invite some friends for a noontime nosh extravaganza.

VIDEO TUTORIALS

2:00 – 3:00 pm

Common Acral Soft Tissue Tumors and Their Mimics

Karen Fritchie, MD

3:00 – 3:30 pm

Exhibit Break

3:30 – 4:30 pm

Special Histologic Subtypes of Triple

Negative Breast Cancer

Hannah Wen, MD, PhD

4:45 – 5:45 pm

Gastrointestinal

Vikram Deshpande, MBBS

Friday, December 1, 2023

7:00 am – 5:00 pm

Registration Open

7:30 – 9:00 am

Continental Breakfast

GENERAL SESSIONS

8:00 – 9:00 am

Panc/Biliary/GI

Vikram Deshpande, MBBS

9:00 – 9:15 am

Exhibit Break

9:15 – 10:15 am

What To Do When It Isn't Sprue

Nicole Panarelli, MD

10:15 – 10:30 am

Exhibit Break

VIDEO TUTORIALS

10:30 – 11:30 pm

Hemepath

Kamran Mirza, MD, PhD

11:45 – 12:45 pm

Urinary Bladder Path

Manju Aron, MD

12:45 – 2:15 pm

CSP Business Meeting and CAP

Update Luncheon (RSVP required)

12:45 – 2:15 pm

Lunch On Your Own

Meet up with friends for food and networking

SPECIAL LECTURE

2:30 – 4:00 pm

AI and Pathology

Hooman H. Rashidi, MD, MS, FCAP;

Eric Glassy, MD, FCAP

VIDEO TUTORIALS

4:15 – 5:15 pm

HNS

Justin Bishop, MD

5:30 – 7:00 pm

Resident Reception (invitation only)

Saturday, December 2, 2023

7:00 am – 12:00 pm

Registration Open

7:30 – 8:30 am

Continental Breakfast

8:30 – 10:00 am | 10:30 am – 12:00 pm

Diagnostic Problems in Surgical Pathology

Karen Fritchie, MD; Soo-jin Cho, MD; Nicole Panarelli,

MD; Kamran Mirza, MD, PhD; Nicholas Ladwig,

Moderator: Oluwole Fadare, MD

Registration and General Conference Information

3 Ways to Register:

- **ONLINE:** <http://www.calpath.org/events.php>
- **FAX:** Fax completed registration form with payment to 916-444-7462
- **MAIL:** Send completed form and payment to: California Society of Pathologists (CSP)
One Capitol Mall, Suite 800
Sacramento, CA 95814

Pre-Registration Deadline: Friday, November 17, 2023.

Onsite Registration Fees: \$50 additional. Individual course fees remain the same.

On-Site Registration Hours:

Tuesday, November 28, 2023	4:00 pm – 6:00 pm
Wednesday, November 29, 2023	7:00 am – 5:00 pm
Thursday, November 30, 2023	7:00 am – 5:00 pm
Friday, December 1, 2023	7:00 am – 5:00 pm
Saturday, December 2, 2023	7:00 am – 12:00 pm

Confirmation: Acknowledgement of your registration and receipt will be emailed you. Review this confirmation immediately for notice of program changes or other pertinent information. Contact CSP if you have not received confirmation by November 6, 2023.

Cancellation Policy: Full refunds, less \$100 processing fee, when received on or before November 6, 2023. No refunds will be given for cancellations after this date. All requests for refund must be received in writing.

Weather: San Francisco average temperature for November is between 60 and 66 °F, with nighttime temperatures between 48 and 52 °F.

Conference Attire: Room temperatures vary greatly within each meeting room. For your comfort bring a sweater or jacket to be prepared for fluctuations in temperature. Attire is business casual.

Special Assistance: If you require reasonable accommodation to participate in this event, please contact the CSP Office at 916.446.6001.

DISCLOSURE STATEMENT: This program has been planned and implemented in accordance with ACCME essentials and standards. The Loma Linda University School of Medicine Office of Continuing Medical Education relies on its CME faculty to provide program content that is free of commercial bias. Therefore, in accordance with ACCME standards, any faculty and/or provider industry relationships will be disclosed and resolved.

Seminar Objectives: At the conclusion of this seminar, attendees will be able to:

1. Recognize features of metastatic malignancies and benign lesions of the gastrointestinal tract that simulate primary malignancy
2. Formulate a differential diagnosis for epithelioid mesenchymal tumors of the gastrointestinal tract
3. Understand mast cell disorders that affect the gastrointestinal tract and their features in biopsy samples

Materials: (“Attendance Only” includes items 1 and 2)

1. 6 hour lecture (Cover seminar objectives, correlate clinical histories, discuss the role of special studies in diagnosis, therapy, and counseling, and project photographs of the study cases and other illustrative materials)
2. Comprehensive syllabus that includes diagnoses, discussion, and appropriate references from pertinent medical literature
3. Glass slides of representative tumors (provided with the Full package only)
