MY KIND OF CONFERENCE

DEAR COLLEAGUE,

We're very excited to invite you to attend **EndoFest® 2015—the Ultimate Endoscopy Event**, which takes place at the elegant Fairmont Chicago Millennium Park hotel in downtown Chicago. As previous attendees have come to expect, EndoFest® 2015 will provide an educational experience that is comprehensive, intensive and interactive, all in a casual and collegial atmosphere. EndoFest sessions on upper GI, colon cancer screening, pancreaticobiliary disease, GI bleeding, Barrett's ablation, managing perforations, advanced imaging and much more, all combine to provide you with the best education in endoscopy by the field's top names.

ENDOFEST® 2015 HIGHLIGHTS

- Interactive formats of debates, panel discussions and "Experts in the Hot Seat," all of which are designed to foster meaningful dialogue on hot topics.
- Hands-on workshops in emergency endoscopy skills and resection and closure techniques.
- Customized "Ask-the-Expert" hands-on sessions on more than 15 specific, cutting-edge techniques with expert faculty members.
- NEW! Optional add-on: half-day MOC course.
- NEW FOR FELLOWS! Optional add on: half-day course for 2nd and 3rd year fellows.
- NEW! Optional add-on: half-day course, "Endoscopic Bariatric Therapies: Position Your Practice for the Future."

EndoFest includes a variety of didactic, scientific and hands-on sessions by the industry's leading experts. With a focus on interactive and practical sessions, participants will be able to explore with the experts how to handle the complex scenarios that arise in everyday practice.

This brochure provides all of the details about the conference that you will need to plan your trip to the Windy City, or you can visit www.asge.org/endoFest for more information. Register soon to save with early registration discounts. We look forward to having you join us in Chicago for EndoFest 2015.

FEEDBACK

Since EndoFest's inception in 2010...

- 97% of surveyed EndoFest attendees have rated the event as "Excellent."
- 95% say they would recommend EndoFest to a colleague.

WHO SHOULD ATTEND

EndoFest is designed for all physicians, trainees and health care providers involved with practicing endoscopy, including GI physicians, surgeons, nurses, technicians and other members of the GI health care team.

LEARNING OBJECTIVES

Upon completion of this educational activity, participants will be able to:

- Integrate the latest scientific advances and practice guidelines in specific clinical areas into their practice;
- Apply advanced endoscopic skills and techniques into their performance in endoscopy;
- Recognize the potential pitfalls related to specific advanced endoscopic skills and techniques; and
- Evaluate the benefits, applications, and limitations of advanced endoscopic devices.

EndoFest registration includes a complete didactic and scientific program with optional hands-on sessions available to suit each attendee's needs.

The faculty were world experts talking about very pertinent real-life, everyday topics in a smaller, not-intimidating environment.

—2014 ATTENDEE

ASGE LEARNING CENTER

In addition to an extensive exhibit hall, filled with the latest technologies and devices, EndoFest® 2015 will also feature ASGE's "Learning Center," where participants can view the latest and most popular educational DVDs from the ASGE Endoscopic Learning Library in their entirety for free, all while earning additional CME.

PRE-CONFERENCE COURSES (\$)

THURSDAY, SEPTEMBER 24

1:00 – 6:00 pm

Endoscopic Bariatric Therapies: Position Your Practice For the Future (\$)

Course Director: Steven A. Edmundowicz, MD, FASGE

Come early to EndoFest to learn how endoscopic bariatric therapies are going to affect us all. Expert faculty will discuss the therapies' principles and provide hands-on demonstrations of the therapies' available and soon-to-be available devices. Designed for intimate interactions with the faculty and attendees, this course is limited to 40 attendees.

FRIDAY, SEPTEMBER 25

8:00 am – Noon

Maintenance of Certification (MOC) Course (\$)

Course Directors: Gottumukkala S. Raju, MD, FASGE; Jason B. Klapman, MD, FASGE

This four-hour module will take participants through at least 45 self-assessment questions in endoscopy, and will offer participants 15 MOC points through the American Board of Internal Medicine. Breakfast is included.

8:00 am – Noon

Senior Fellows Hands-On Course (\$)

Course Director: Robert E. Sedlack, MD, MPHE, FASGE

This half-day session offers 2nd and 3rd-year fellows an opportunity to hone their hands-on skills and gain clinical tips from the expert faculty. Breakfast is included.

(\$) Denotes ticketed sessions. Separate fee required to attend.

CONFERENCE PROGRAM

SCIENTIFIC AND VIDEO-BASED SESSIONS

FRIDAY, SEPTEMBER 25

1:00 – 2:45 pm

On the Couch with the Experts: Challenges and Controversies in Upper Endoscopy

Moderators: John A. Martin, MD, FASGE; Andrew S. Ross, MD, FASGE

Experts: Douglas O. Faigel, MD, FASGE; John J. Vargo, MD, MPH, FASGE;

Brenna W. Casey, MD, FASGE

The moderators will explore unknown cases with our panel of experts in a talk-show format with input from the audience. Cases will include:

- Gastric polyps
- Esophageal strictures
- Intestinal metaplasia
- Microscopic neuroendocrine tumors

The ASGE Education Achievement Program is designed to recognize and reward endoscopists who are dedicated to their own professional development and furthering their ability to provide the most effective patient care. Participants in this program will receive discounts on ASGE courses, products, as well as a Certificate of Achievement in Endoscopy Education. For additional information on the criteria and application process, please visit the Education webpage at www.asge.org.

3:15 – 4:15 pm

Clinical Updates for Your Practice: What You Need to Know Now

Moderator: Robert Sedlack, MD, MPHE, FASGE

This session will provide the key updates that are applicable to your clinical practice today.

3:15 – 3:35 pm

Chromoendoscopy in IBD

Klaus Mönkemüller, MD, PhD, FASGE

Scott Zarrow Memorial Lecture, Supported by The Maxine and Jack Zarrow Family Foundation

3:35 – 3:55 pm

Updates in Colon Cancer Screening

Douglas K. Rex, MD, FASGE

3:55 – 4:15 pm

Updates in Anticoagulation

Michelle A. Anderson, MD, FASGE

4:15 – 5:45 pm

Experts in the Hot Seat: Managing Difficult Cases

Moderator: Michael J. Levy, MD

Experts will provide their opinions on unknown real-world cases while being unaware of the audience's and the other expert's views. Following individual case management decisions, all faculty opinions will be revealed in comparison to the audience response, and a spontaneous discussion on the pros and cons of these approaches will follow.

4:15 – 5:00 pm

Pancreas Cases

Experts: Sreeni S. Jonnalagadda, MD, FASGE; Vanessa M. Shami, MD, FASGE

5:00 – 5:45 pm

Biliary Cases; Stricture Management

Experts: M. Brian Fennerty, MD, FASGE; David R. Lichtenstein, MD, FASGE

SATURDAY, SEPTEMBER 26

Saturday will offer a complete program including general didactic sessions for all attendees, as well as a choice between scientific breakout sessions and hands-on workshops (additional fee). The hands-on workshops were designed to complement the scientific breakout sessions, and these are noted where appropriate.

8:00 – 9:00 am

General Session: The Great Polyp Debates: Watch the Experts Go Head to Head

Moderator: Thomas M. Deas Jr., MD, MMM, FASGE

Each debater will be given ten minutes to present their side of the debate, and two minutes to rebut their opponent's argument. At the end, the faculty members in the audience will vote on the winner of the debate.

8:00 – 8:30 am

Small Polyps: Leave in or Take Out?

Debaters: Douglas K. Rex, MD, FASGE vs M. Brian Fennerty, MD, FASGE

8:30 – 9:00 am

Large Polyps: Resect or Refer?

Debaters: Sergey V. Kantsevov, MD vs Jeffrey M. Marks, MD, FASGE

9:30 – 11:30 am

Scientific Breakout Session: Common and Emerging Issues for the Practicing Endoscopist

Moderator: Kevin A. Waschke, MD, FASGE

9:30 – 10:00 am

This popular forum will feature top selected peer-reviewed videos presented live by the authors. Experts will facilitate interactive discussion and provide take-home teaching points following each presentation.

HANDS-ON WORKSHOPS AND SESSIONS (\$)

EndoFest will offer two hands-on workshops where participants will rotate between several stations over the course of two hours, interacting with multiple faculty, technologies and techniques.

SATURDAY, SEPTEMBER 26

9:30 – 11:30 am

Hands-on Workshop: Resection and Closure Techniques (\$)

Director: Vanessa M. Shami, MD, FASGE

This session will include stations with techniques and devices related to polypectomy, endoscopic mucosal resection, clips (including over-the-scope clips) and suturing.

3:00 – 5:00 pm

Hands-on Workshop: Emergency Endoscopy Skills (\$)

Director: Andrew S. Ross, MD, FASGE

This session will cover all endoscopy that wakes you up in the middle of the night. Participants will band, inject, and place balloons for tamponade; use clipping, cautery, and injection therapy for non-variceal bleeding; and perform foreign body removal using the latest accessories.

(\$) Denotes ticketed sessions. Separate fee required to attend.

Educational programming through the ASGE Institute for Training and Technology is supported, in part, by the ASGE Foundation. To donate, visit www.asge.org.

ASK THE EXPERT HANDS-ON SESSIONS (\$)

These customized one-hour sessions will allow participants to have in-depth interaction with an expert faculty member at stations dedicated to specific techniques or technologies. Stations will be limited to four participants per session.

Photography Waiver: ASGE periodically takes photographs and/or video during our educational courses, and reproduces them in ASGE educational, news or promotional material, whether in print, electronic or other media, including the ASGE website. By participating in this course, you grant the right to use your name and photograph for such purposes to ASGE. All postings become property of ASGE.

CONTINUING MEDICAL EDUCATION

The American Society for Gastrointestinal Endoscopy (ASGE) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. ASGE designates this live activity for a maximum of 23 AMA PRA Category 1 Credits™ (including the MOC and Bariatrics course). Physicians should claim only the credit commensurate with the extent of their participation in the activity. The MOC course will offer 3.75 CME credits, the Bariatrics course will offer 4.5 CME credits, and EndoFest will offer up to 14.75 CME credits including hands-on sessions. Additional credit may be claimed separately for viewing DVDs through the ASGE Learning Center on-site.

GENERAL INFORMATION AND CONTINUING EDUCATION FOR NURSES

All nurse participants will receive a certificate of attendance specifying hours of education accredited for AMA PRA Category 1 Credit™. This certificate can be used toward nursing requirements.

ASGE CONFLICT OF INTEREST POLICY

ASGE requires all individuals who are in a position to control the content of an educational activity to disclose all relevant financial relationships with any commercial interest, which is any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. Disclosures are made in written form prior to the start of the educational activity and any potential conflicts of interest that exist are resolved prior to the start of the activity through the ASGE Conflict of Interest Resolution Policy Process. All disclosures are made available and communicated to the learner prior to the activity starting.

REGISTRATION INFORMATION

EndoFest registration includes access to all general sessions and didactic breakout sessions, as well as the exhibits, Learning Center, two receptions and lunch on Saturday. All participants must be registrants of EndoFest (overall conference fee) to register for hands-on sessions or add-on courses.

Registrations received on or before Thursday, August 20, will receive the early bird discount.

REGISTRATION ONLINE: ASGE strongly recommends that you register online. If you register online, your spot in each session will be automatically reserved. Register online at www.asge.org/endofest.

Other options for registration are listed below. Please note that space is limited in hands-on sessions and your registration in each session can only be confirmed upon receipt of your registration form and payment. You will be sent a confirmation once your registration has been received and processed.
