Pfiedler
ENTERPRISES

An official meeting of the AACMFs

AMERICAN ACADEMY
OF
CRANIO MAXILLOFACIAL
SURGEONS

Invited Expert and Facilitator

Robert E. Quinn, PhD

Margaret Elliott Tracy

Collegiate Professor in Business Administration

Professor of Management and Organizations

University of Michigan

Ann Arbor, Michigan

Doctor Quinn serves on the faculty of Organization and Management at the Ross Business School at the University of Michigan. He is one of the co-founders of the Center for Positive Organizations. Dr. Quinn's research and teaching interests focus on leadership, organizational change and effectiveness. He has published 18 books on these subjects. His best-selling book, *Deep Change* has sold over 100,000 copies. His book, *The Best Teacher in You*, won the Ben Franklin Award designating it the best book in education for 2015. His latest book is *The Positive Organization: Breaking Free of Conventional Cultures, Constraints and Beliefs*. He has thirty-five years of experience consulting with major corporations and government agencies. He is a fellow of the Academy of Management and World Business Academy. He was a co-recipient of the 2011 Marion F. Gislason Award, presented for life-long contributions to the field and practices of leadership. His paper on positive leadership was recently published in the *Harvard Business Review*.

Keynote Speaker

Robert A. Ord, DDS, MD, FRCS, FACS

Professor and Chair,

Oral and Maxillofacial Surgery

University of Maryland School of Medicine;

Greenebaum Cancer Center

Baltimore, Maryland

Dr. Ord's main clinical interest is in surgical oncology of the head and neck (ie, management of tumors of the head and neck.) Most of his surgeries are related to cancer of the oral cavity, jaws, sinuses and salivary glands. In addition, he has an interest in benign tumors of this region and reconstruction of the jaws and oral cavity. He has an ongoing interest in basic science and clinical research in head and neck malignancy. He is also active in chemoprevention trials for premalignant lesions.

Dr. Ord has a heavy commitment to graduate teaching at the residency and Fellowship level. In addition, he lectures widely at National and International Meetings. He is a former Examiner for the American Board of Oral and Maxillofacial Surgery, the Royal College of Surgeons of Edinburgh, and the University of Singapore.

He has published over 100 scientific papers, over 40 book chapters, co-edited 3 books *Oral Cancer*, *The Dentist's Role in Diagnosis, Management Rehabilitation and Prevention*, *Textbook and Color Atlas of Salivary Gland Pathology* and *Operative Maxillofacial surgery* 2nd edition. He is the Oncology Section Editor for the *International Journal of Oral and Maxillofacial Surgery*, and on the Editorial Board of the *European Journal of Cranio-Maxillofacial Surgery*, Oncology Section. He is also a member of the American Head and Neck Society.

Keynote Speaker

Rui P. Fernandes, MD, DMD

Associate Professor

Department of Oral and Maxillofacial Surgery

Division of Head and Neck Surgery

University of Florida College of Medicine

Jacksonville, Florida

Dr. Fernandes is a Board certified Oral and Maxillofacial Surgeon. He holds dual appointments in the Divisions of Oral and Maxillofacial Surgery and Surgical Oncology in the Department of Surgery at the University of Florida College of Medicine - Jacksonville. Currently, he serves as Chief of the Section of Head and Neck Surgery, Director of the Microvascular Reconstructive Surgery Fellowship and Residency Program Director for Oral and Maxillofacial surgery. Dr. Rui Fernandes is affiliated with Shands Jacksonville Medical Center. He received his medical degree from University of Alabama School of Medicine and has been in practice for 15 years. He has been a guest editor and published articles in peer review journals on the topic of maxillofacial surgery and head and neck reconstruction.

Overview and goal for the educational meeting

The mission of the AACMFS is to improve the health and quality of life of patients with congenital and acquired CMF disorders by the advancement of knowledge of the science and art of CMF surgery. The meeting will begin with a focus on change and how it impacts craniomaxillofacial surgeons. Dr. Quinn, an expert on organizational change will describe the impact on organizations as well as individuals. Two prominent members of the AACMFS will provide insight into how the concepts of change can benefit the members. The Scientific Session will also include member-presented abstracts for discussion and exchange of ideas in the areas of cleft/craniomaxillofacial surgery, trauma, head and neck oncology/reconstruction and education/training. Emphasis will be on implementation of ideas, energy and creativity within the AACMFS.

Target Audience

This scientific session is for oral and maxillofacial surgeon and dentists who are Fellows of the AACMFS and have come together to advance their field of practice and are interested in sharing experiences and setting future direction.

Professional Practice Gaps

Clinical and educational evidence based research is the basis for this scientific program. Fellows of the AACMFS present their research and exchange information that will enhance their practice as well as set forth guidelines for future research, education and training in the field of oral and maxillofacial surgery.

Assessment of Need

A survey conducted of the members of the American College of Maxillofacial Surgeons revealed that training programs are changing and there is a steady and continual erosion of the basic science curricula which present challenges related to competency in practice. Past evaluations summaries of the AACMFS indicate a need for continued research and study related to immunotherapy for head and neck cancer; new approaches to craniomaxillofacial reconstruction; and options for treatment of trauma patients. There is an expressed need to fulfill the mission of the AACMFS by implementing concepts of organizational change to increase the effectiveness of leadership and the society.

Methodology-Format

The format for this course includes interactive discussion lead by an expert in change theory and effectiveness as well as abstracts presented by Fellow members. Discussion and discourse is designed to move the specialty toward the future.

Objectives

Upon completion of this scientific session, the attendee should be able to:

1. Describe how a specialty organization can implement the concepts of organizational change.
2. Examine strategies for breaking free of conventional cultures, constraints and beliefs which are applicable to the AACMFS Fellows.
3. Discuss the recognition of oral and maxillofacial surgery as a surgical specialty by existing medical institutions, such as the American College of Surgeons.
4. Critique research studies as they relate to craniomaxillofacial patient populations and the implications for changes in practice.
5. Formulate a plan of action related to the challenges facing the field of dentistry and craniomaxillofacial surgeon training programs.

Accreditation

Pfiedler Enterprises is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation

Pfiedler Enterprises designates this live activity for a maximum of **11 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Planning Committee

Brent Ward, DDS, MD-President
Mark Wong, DDS-Immediate Past President
B. J. Costello, DMD, MD-President Elect
Eric J. Dierks, DMD, MD-Treasurer
Edward Ellis III, DDS, MS-Secretary

Keynote Speakers

Robert Quinn, PhD
Rui P. Fernandes, MD, DMD
Robert A. Ord, DDS, MD

Board of Trustee

Ramon L. Ruiz, DMD, MD
David Kim, DDS, MD
Robert Ord, MB, BCh, BDS
Steven Roser, DMD, MD
Martin Steed, DDS
Timothy A. Turvey, DDS

All faculty participating in continuing medical education activities sponsored by Pfiedler Enterprises are expected to disclose to the audience any real or apparent financial affiliations related to the content of their presentations. Detailed disclosure will appear in writing and be distributed on-site prior to the course and will also be made verbally prior to the faculty presentation at the live event.

Scientific Program

Friday and Saturday, May 20-21, 2016
University of Michigan Rackham Amphitheatre

Friday, May 20

7:15 – 7:45 am

7:45 – 8:00 am

8:00 – 12:00 noon

Private Meeting

The 2016 AACMFS Annual Meeting is a private meeting. The AACMFS has designated this meeting for those who are Fellows of the AACMFS.

Call For Abstracts

All Fellows of the AACMFS attending this meeting are invited to submit an abstract for presentation. Please provide an abstract(s) up to 300 words indicating which category you are interested in presenting to: julie@pfiedlerenterprises.com. Abstracts will be reviewed by the moderators of each category and you will be contacted regarding the presentation schedule. Deadline for submission is February 1, 2016.

The abstract presentation will be 5 minutes with 10 minutes for discussion.

Co-authors who are not AACMFS Fellows may present the abstract.

Abstract Guidelines:

1. Title of presentation
2. Authors/Presenter
3. Describe the purpose, methods and conclusions

Categories for abstracts:

1. Cleft/Craniofacial /Orthognathic Surgery
2. Trauma
3. Head and Neck Oncology/Reconstruction
4. Education/Training and Research
