Due to the nature of this program and the included tours,  
you **MUST** stay at this hotel to attend the program.

**Casa Maria Hotel** Escape from the ordinary high rise hotel. Get close to nature and enjoy the refreshing caress of the Caribbean breeze. Escape from fast food and bland fare and enjoy locally prepared Jamaican cuisine. Retreat from the hustle of the "Tourist Center" and meet the ordinary Jamaican. Enjoy a small historic boutique inn reflecting the simple charms of a Jamaica of long ago. Snorkel nearby in the clear waters along one of the best reefs in Jamaica. There are many scenic sights close to the hotel and opportunities to meet the locals. Experience the history of the area: Ian Fleming wrote his 007 books here. Sean Connery enjoyed drinking and dining at Casa Maria, as did Katherine Hepburn, Erroll Flynn, Jane Russell, Noel Coward, Gregory Peck, Vivian Leigh, and many other stars of the 50's. Ocho Rios is only a 30 minute taxi ride away.

**WHAT THIS PROGRAM IS ALL ABOUT: This is a small hotel—not a resort.** This trip is designed to let you get to know Jamaica and enjoy a unique small group atmosphere while spending a week with the fun faculty. You will enjoy new and unusual foods and meet genuine Jamaicans. RAP in Jamaica is planned to let you experience new things in your life.

**HOTEL FEE INCLUDES:** Round-trip airport to hotel transfers (80 miles), from Montego Bay (Saturday only), seven nights stay at Casa Maria Hotel, wireless internet access, Government Room and Food Tax, all meals and beverages at hotel including open bar (local brands only), rafting on the Rio Grande River, a day of Ocho Rios shopping (we know the best stores for great discounts), beach access, climbing Dunn's River Falls, and Botanical Garden tour. Optional excursions such as sailboat cruise, fishing, etc. are available (fee applies).

4th person pricing may be available. Please call (800) 222-6927 for more information.

**No children under age 6.** Children aged 6–12 are \$675 each. Deviation from Saturday arrival or departure or airport other than Montego Bay Airport will incur additional \$75 per person transportation charge each way. **This hotel is not suitable for young children nor handicapped.**

**DEPOSIT REQUIRED:** \$500 per room required within 10 days of booking.

**FULL PAYMENT REQUIRED** no later than August 20, 2016, and your credit card will be charged automatically.

**CANCELLATIONS:** Cancellation of room reservation accepted without penalty until August 20, 2016. \$500 if canceled between August 20, 2016 and September 20, 2016. No refund if canceled after September 20, 2016 for any reason. **Trip insurance is recommended. Travel at your own risk.**

**COURSE DIRECTOR:** Tracy Leigh LeGros, MD, Clinical Assistant Professor of Surgery, Tulane University Medical Center, New Orleans, Clinical Assistant Professor of Medicine, Fellowship Program Director, Undersea and Hyperbaric Medicine Fellowship, Louisiana State University Health Sciences Center, New Orleans, Louisiana

**MEDICAL DIRECTOR:** Mark Murphy, MD, MSN Education, Austin, Texas and Northwest Seminars, Pasco, Washington

**TARGET AUDIENCE:** This course is designed for physicians, physician assistants, registered nurses, paramedics, pre-hospital emergency medicine care providers and all other medical care providers who must maintain state-of-the-art knowledge of not only the specialty, but also of additional related disciplines which both impact and are impacted by it.

**PROGRAM PURPOSE:** The practitioner of emergency medicine must possess evidence-based scientific background for competent clinical practice; maintain state-of-the-art knowledge of the specialty and all additional related disciplines; maintain an up-to-the-minute armamentarium of knowledge and skills for the selection and use of complex equipment, pharmacological agents, and procedures; manage self and colleagues to function toward common goals in providing consistent care in all settings in which emergency care is provided; serve as an expert in matters involving quality, safe and equitable health care delivery and support of other service providers, departments, institutions, and organizations dependent upon professional expertise. Presentations are designed to facilitate the acquisition of cognitive and technical skills as defined through evidenced based data translated to best practice standards by the pertinent governmental and professional organizations including the American College of Emergency Physicians, American College of Surgeons and the Emergency Nurses Association and abilities in one or more of the disciplines vital to the practicing professional.

**OBJECTIVES:** At the conclusion of this activity, the participant will be able to:

**Apply** the pertinent physical and behavioral sciences as they impact and are affected by the planning, delivery, and monitoring of services inherent in the professions

**Explain** the selection, dosing considerations with methods of administration, safe use, contraindications and precautions of drugs based on their chemical and pharmacologic properties

**Outline** comprehensive patient management plans for the special patient population

**Apply** the principles of safety and asepsis in the performance of all aspects of patient care regardless of the clinical environment in which the practice resides

**Incorporate** the published tenets of pertinent, recognized external organizations, institutions, and professional groups defining medical, legal, philosophical, ethical, and health care management standards.

**ACCREDITATION:** This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the A. Webb Roberts Center for Continuing Medical Education of Baylor Health Care System, Dallas and Northwest Seminars. The A. Webb Roberts Center for Continuing Medical Education of Baylor Health Care System, Dallas is accredited by the ACCME to provide continuing medical education for physicians.

The A. Webb Roberts Center for Continuing Medical Education of Baylor Health Care System, Dallas, designates this live activity for a maximum of 20 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**American Board of Anesthesiology:** CME credit will be sent directly to The American Board of Anesthesiology to fulfill the Part 2 requirement for the Maintenance of Certification in Anesthesiology Program (MOCA®).

**Anesthesiologist Assistants:** The National Commission for Certification of Anesthesiologist Assistants (NCCAA) will accept CME credit for programs approved for continuing medical education by the AMA, AAPA, and ACCME.

**Canadian Physicians:** This activity is eligible for Section 1 credits in the Royal College's Maintenance of Certification (MOC) Program. Participants must log into MAINPORT to claim this activity.

**Certified Registered Nurse Anesthetists:** See our website [www.northwestseminars.com](http://www.northwestseminars.com) for CEC approval information.

**Nurse Practitioners:** The American Academy of Nurse Practitioners Certification Program (AANPCP) and the American Nurses Credentialing Center (ANCC) accept CME from organizations accredited by the ACCME.

**Osteopathic Physicians:** This program is eligible for Category 2 credit with the American Osteopathic Association (AOA).

**Physician Assistants:** The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit™* from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 20 hours of Category 1 credit for completing this program.

“Jamaica offers beautiful aquamarine waters excellent for swimming and snorkeling.”

**Port Maria, Jamaica** A world away from the bustling crowd. With its colorful land, communities, and people, Jamaica is a tropical island retreat sure to capture your imagination. Experience a unique culture, new foods, marvelous sights, and incredible experiences you could never have at home, just 600 miles south of Miami.

Jamaica offers beautiful aquamarine waters excellent for swimming and snorkeling, as well as a multitude of other adventures. Try the exotic flavors of local cuisine—goat curry, fried dumplings, jerk chicken, and salt fish are favorites of locals and visitors alike.

English is the language, so getting around is “no problem.” It's a phrase you will hear often, and it means just that; so relax, chill out, slow down, and everything will happen in good time.

For shopping and entertainment, the tourist center of Ocho Rios is only 30 minutes away. Other nearby attractions include the Dunn River Falls, Sun Valley Plantation, Reggae Beach, Boston Bay, Rafting on the Rio Grande, and Fort Haldane.
