AN **HMP** EVENT

The Tools Nurses Need in Today's Post-Acute Care Settings

Regardless of the post-acute care setting, long-term acute care, skilled nursing, home, or hospice, finding the optimal pathway to managing and treating wound and incontinence issues for patients/residents has become ever more challenging. The Post-Acute Care Symposium is designed exclusively to provide nurses the tools they need to meet today's day-to-day challenges with a curriculum that focuses on the strategies necessary for implementing clinical practice guidelines, protocols, and care pathways for wound and incontinence interventions.

The development team for the Post-Acute Care Symposium are wound and incontinence care experts with multiple years of experience providing practical and clinically relevant education for caregivers within Long-Term Acute Care, Long-Term Care, Home Care and Hospice settings.

What makes this 2-day event even more unique is the benefit of being co-located with the Symposium on Advanced Wound Care Spring meeting, offering attendees the opportunity to access the world's largest wound care exhibit hall, Industry-supported meal sessions, and receptions—all included with their Post-Acute Care Symposium registration.

Take advantage of all of the opportunities the Post-Acute Care Symposium has to offer that no other meeting can.

Explore

Post-acute care case studies and practical approaches.

Participate

In five interactive panel discussions with master educators.

Engage

In curriculum based off of the nursing process method.

Access

The world's largest wound care exhibit hall (SAWC Spring).

Network

With colleagues dedicated to the field of post-acute care.

Implement

What you learn on Monday morning.

Co-Chairs

“

As the post-acute setting is now the front and center of our healthcare delivery system, the time has come to provide a practical conference to nursing professionals focusing on day to day realities of the patient with wound and incontinence issues. The Post-Acute Care Symposium delivers.”

CATHERINE T. MILNE, MSN, APRN, CWOCN-AP
ADVANCED PRACTICE NURSE
WOUND, OSTOMY, AND CONTINENCE
CONNECTICUT CLINICAL NURSING ASSOCIATES
BRISTOL, CONNECTICUT

“

The new Post-Acute Care Symposium, designed exclusively for nurses across the continuum of post-acute care, brings together a diverse faculty with broad experiences, paradigm cases, and practical insights in a truly interactive setting.”

DIANE L. KRASNER, PHD, RN, FAAN

Agenda

MAY 8

WEDNESDAY

SAWC Spring Grand Opening Exhibits/Cocktail Reception

5:30 PM–8:30 PM

MAY 9

DAY 1 | THURSDAY

Industry-Supported Breakfast Symposium

7:30 AM–9:00 AM

Welcoming Remarks

9:10 AM–9:20 AM

DIANE L. KRASNER;
CATHERINE T. MILNE

SESSION 1

Holistic Prevention and Care

9:20 AM–10:10 AM

Preventing chronic wounds and providing optimal care may help reduce the immense toll that chronic wounds take on patients, caregivers, the healthcare system, and society. Nurses should not “simply” prevent or treat wounds, but care for the whole person and his/her circle of care. This overview session will provide practical, holistic, and patient-centered approaches to wound prevention and care.

DIANE L. KRASNER;
LAURIE MCNICHOL

SESSION 2

Skin/Wound and Incontinence Assessment

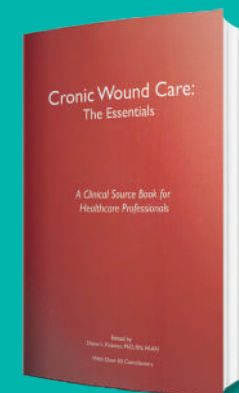

10:10 AM–11:00 AM

Pressure ulcers/injuries and incontinence often occur together. Nurses must assess continence/incontinence status, related skin alterations, including pressure ulcers/injuries, and damage from exposure to urine or stool to determine the appropriate plan of care. This session will outline critical elements for skin/wound assessment and continence/incontinence and while providing practical tips.

JANICE M. BEITZ; DONNA Z. BLISS

B R E A K

11:00 AM–11:10 AM

First 200 paid registrants receive a **free download** of *Chronic Wound Care: The Essentials* e-Book.

SESSION 3

Interventions for Wound and Incontinence

11:10 AM–12:00 PM

Despite growing evidence and bundles for pressure ulcer/injury prevention, including continence management, implementation of preventive strategies is often suboptimal. Given the complexity of pressure ulcer/injury and incontinence care, implementing nursing interventions may be daunting. This session will discuss the clinical-effectiveness, cost-effectiveness, and efficacy of various patient-centered incontinence and pressure ulcer/injury prevention plans of care.

DONNA Z. BLISS; MARTHA R. KELSO; BRYCE E. SCHUSTER

Lunch with Exhibitors

12:00 PM–2:15 PM

SESSION 4

Challenging Cases Panel Discussion: Pressure Ulcers/ Injuries and Incontinence

2:15 PM–2:45 PM

Join this discussion and have your questions about Pressure Ulcers/Injuries and Incontinence answered during this panel led by our faculty.

JANICE M. BEITZ; DONNA Z. BLISS; MARTHA R. KELSO; DIANE L. KRASNER; LAURIE MCNICHOL; CATHERINE T. MILNE; BRYCE E. SCHUSTER

SESSION 5

Translating Evidence-Based Practice for Wound and Incontinence Care to the Bedside

2:45 PM–3:35 PM

Translating research evidence to clinical practice is necessary for efficiency, cost-effectiveness, and optimizing outcomes. This session will explore nursing strategies for implementing clinical practice

guidelines, protocols, and care pathways for wound and incontinence interventions.

JANICE M. BEITZ; DONNA Z. BLISS

B R E A K

3:35 PM–3:45 PM

SESSION 6

Preventive Legal Care

3:45 PM–4:35 PM

The threat of medical-legal action and lawsuits is ever-present in healthcare. Wound care providers are at an increased risk of litigation. All documents, policies, procedures, and staff entries into the medical record have legal consequences. This session will explore wound-related legal issues and present strategies that nurses and other wound care team members can implement for preventive legal care to minimize risk.

DIANE L. KRASNER; LAURIE MCNICHOL; BRYCE E. SCHUSTER

SESSION 7

Ask the Experts: Your Questions About Translating Evidence- Based Practice for Wounds and Incontinence and Preventive Legal Care

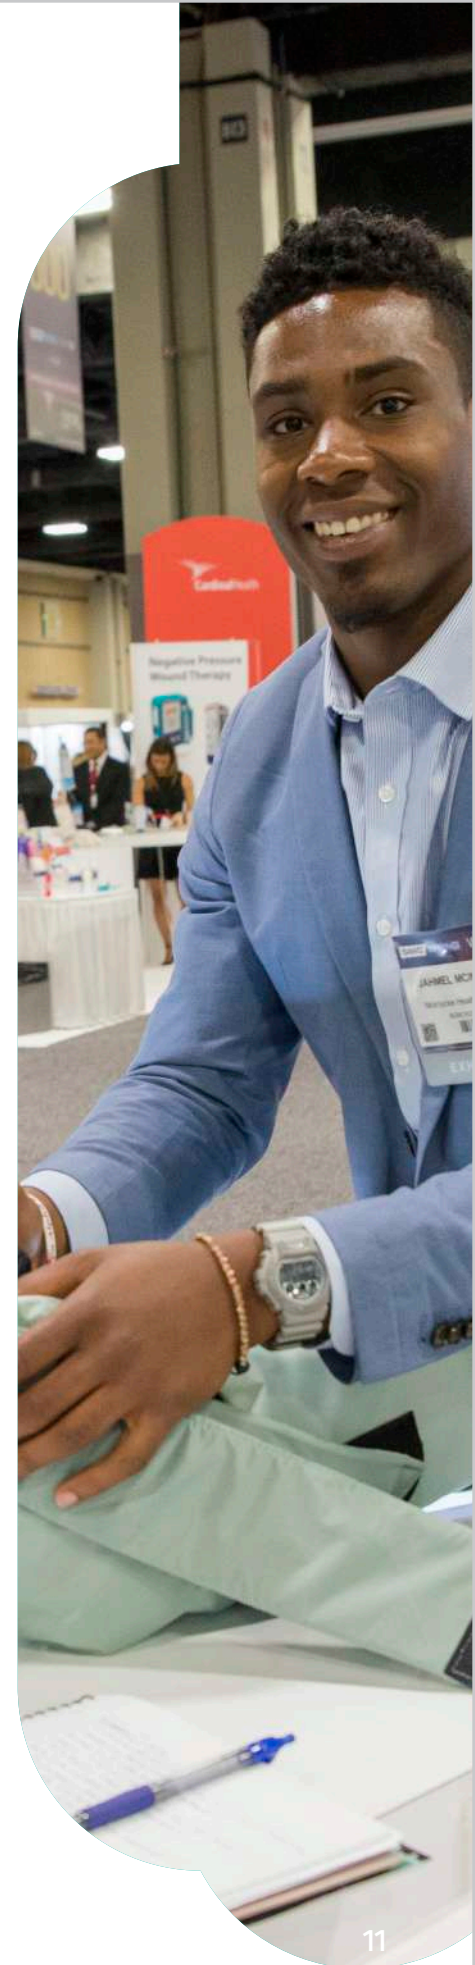

4:35 PM–5:00 PM

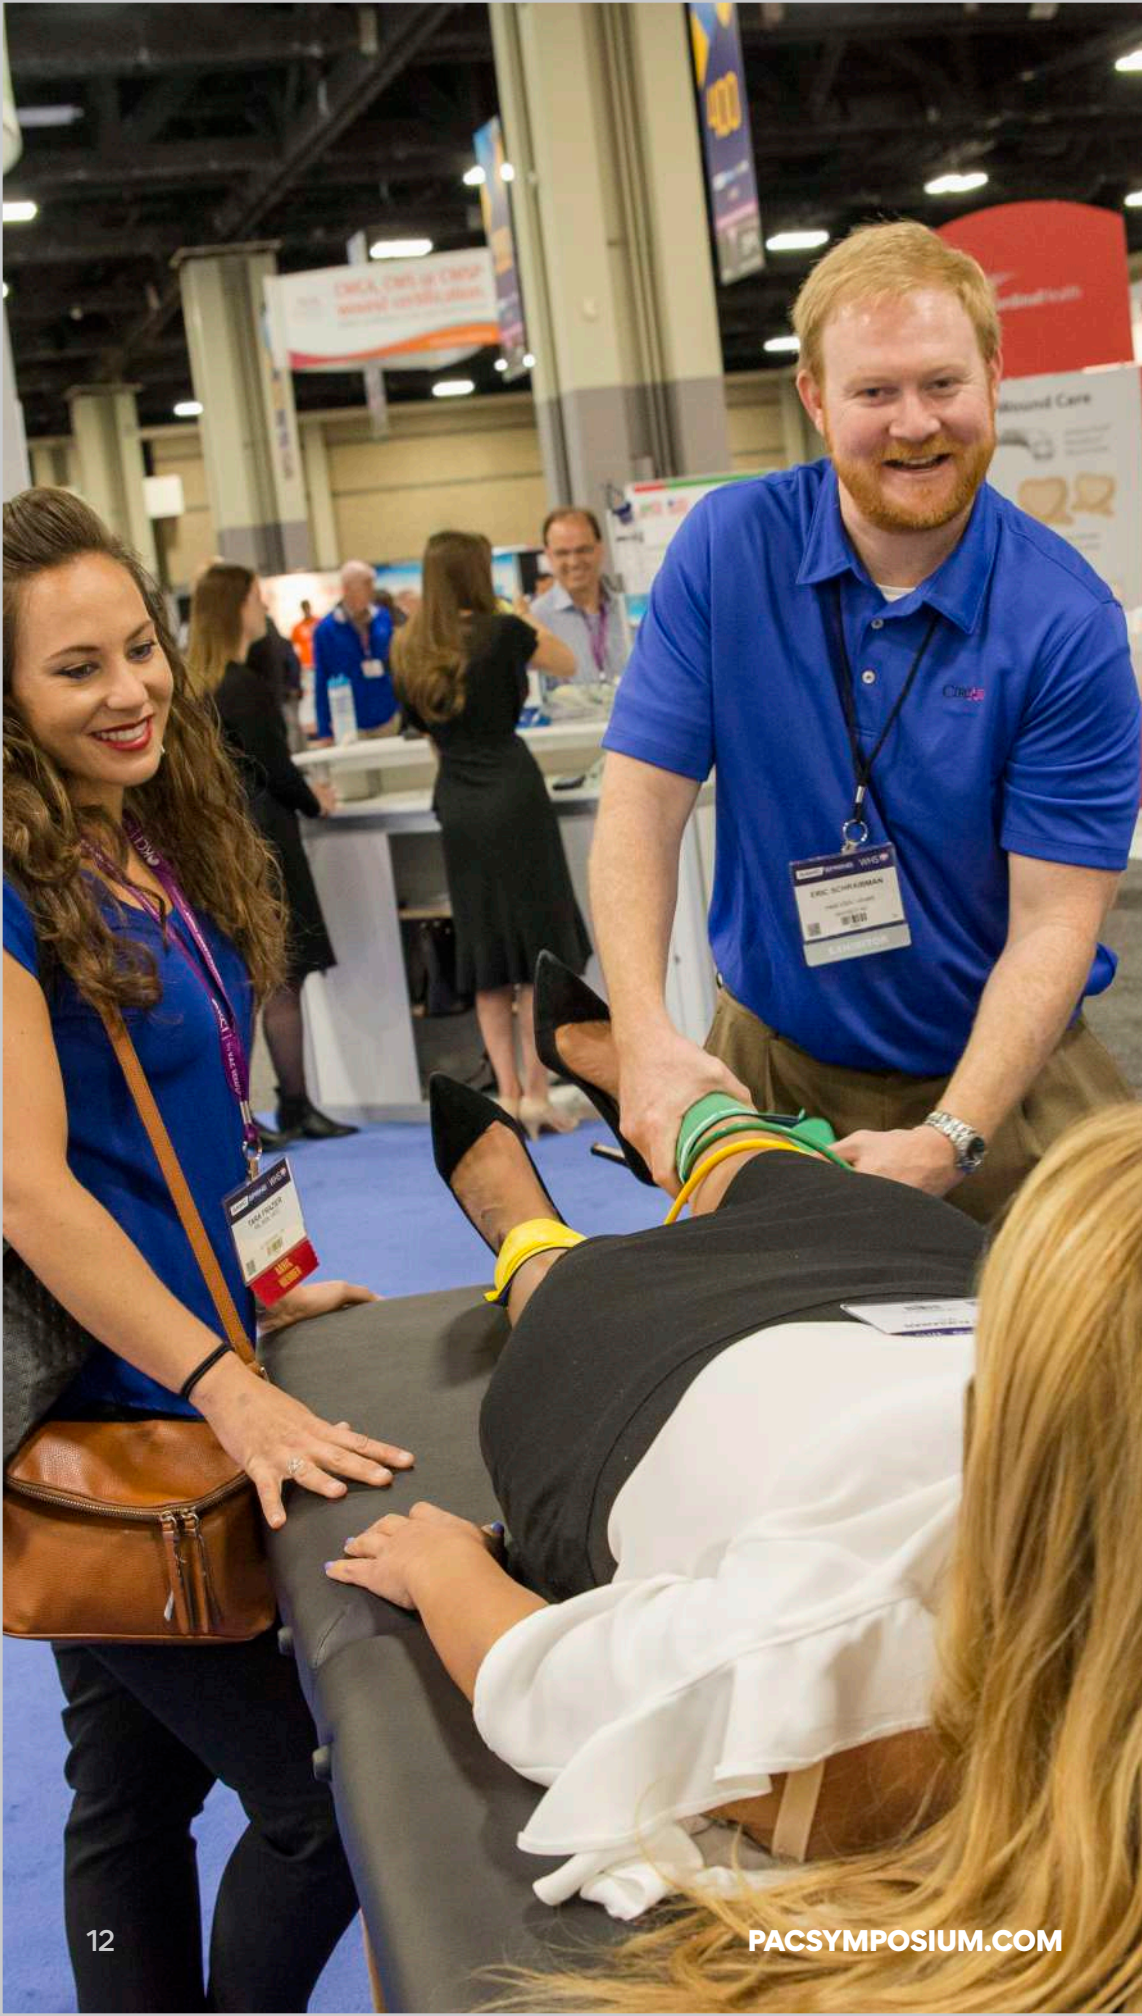

Join this discussion and have your questions answered during this panel led by our faculty.

JANICE M. BEITZ; DONNA Z. BLISS; MARTHA R. KELSO; DIANE L. KRASNER; LAURIE MCNICHOL; CATHERINE T. MILNE; BRYCE E. SCHUSTER

SAWC Spring Poster Gala Reception

7:15 PM–8:45 PM

MAY 10

DAY 2 | FRIDAY

Industry-Supported Breakfast Symposium

7:30 AM-9:00 AM

SESSION 8

Managing Bioburden: Wound Cleansing, Topical Dressings, Debridement, and Negative Pressure Wound Therapy (NPWT)

9:10 AM-10:00 AM

As pressure mounts for organizations to participate in antibiotic stewardship programs, post-acute nurses find a myriad of challenges in managing acute and chronic wounds without antibiotics. Explore the role of wound cleansing, topical dressings, debridement, and NPWT in promoting strong stewardship programs.

CATHERINE T. MILNE;
BRYCE E. SCHUSTER

SESSION 9

Guidelines, Staff Education, and Certification

10:00 AM-10:50 AM

The need for trained, competent, and certified nurses who can help optimize the care for persons with, or at risk of, chronic wounds is immense. In addition to current estimates about the size of the affected population, the number of persons at risk for these wounds is increasing daily across all age groups and the continuum of care. This session will address resources for nurses, including guidelines and tools for nursing staff education. Various options for wound, skin, and continence nursing certifications will be presented with recommendations for how to choose the right path for you and your nursing colleagues.

JANICE M. BEITZ;
LAURIE MCNICHOL

B R E A K

10:50 AM-11:00 AM

SESSION 10

Challenging Cases Panel: Diabetic Foot Ulcers and Lower Leg Wounds

11:00 AM-11:50 AM

Join this lively discussion featuring our faculty who will discuss their approaches for managing diabetic foot ulcers and lower leg wounds in their various post-acute practice settings and answer your questions.

JANICE M. BEITZ; MARTHA R.
KELSO; DIANE L. KRASNER; LAURIE
MCNICHOL; CATHERINE T. MILNE;
BRYCE E. SCHUSTER

Lunch with Exhibitors

12:00 PM-2:15 PM

SESSION 11

Avoidable, Unavoidable, End-of-Life, and Palliative Care Wounds

2:15 PM–2:55 PM

Given the clinical complexities and myriad of comorbidities of patients today, not all pressure ulcers/injuries or wounds are avoidable. This session will explore nursing plans of care, interventions, outcomes, and documentation for avoidable, unavoidable, end-of-life, and palliative wound care.

DIANE L. KRASNER;
BRYCE E. SCHUSTER

SESSION 12

Challenging Cases in the Avoidable, Unavoidable, End-of-Life, or Palliative Wound Care Patients

2:55 PM–3:25 PM

Our faculty will present their most challenging cases of avoidable, unavoidable, end-of-life, and palliative wound patients and discuss what worked and what did not. Come and compare what they did to what you think you would have done!

JANICE M. BEITZ; MARTHA R. KELSO; DIANE L. KRASNER; LAURIE MCNICHOL; CATHERINE T. MILNE; BRYCE E. SCHUSTER

BREAK

3:25 PM–3:35 PM

SESSION 13

Transitioning Wound Care Patients Across the Continuum of Care

3:35 PM–4:25 PM

The coordination of wound care throughout the continuum from acute to various post-acute settings requires true collaboration of interprofessional wound care team members. Seamless transitions from one setting to another are challenging. Some wound patients experience an endless cycle of admissions and discharges. Providers are faced with an onslaught of economic and regulatory consequences when patients are needlessly readmitted. This session will focus on strategies nurses can utilize for better communication, accountability, and documentation to facilitate transitions of wound care patients in post-acute settings.

MARTHA R. KELSO;
CATHERINE T. MILNE

SESSION 14

Rapid Fire: Day-to-Day Practice Tips from the Faculty

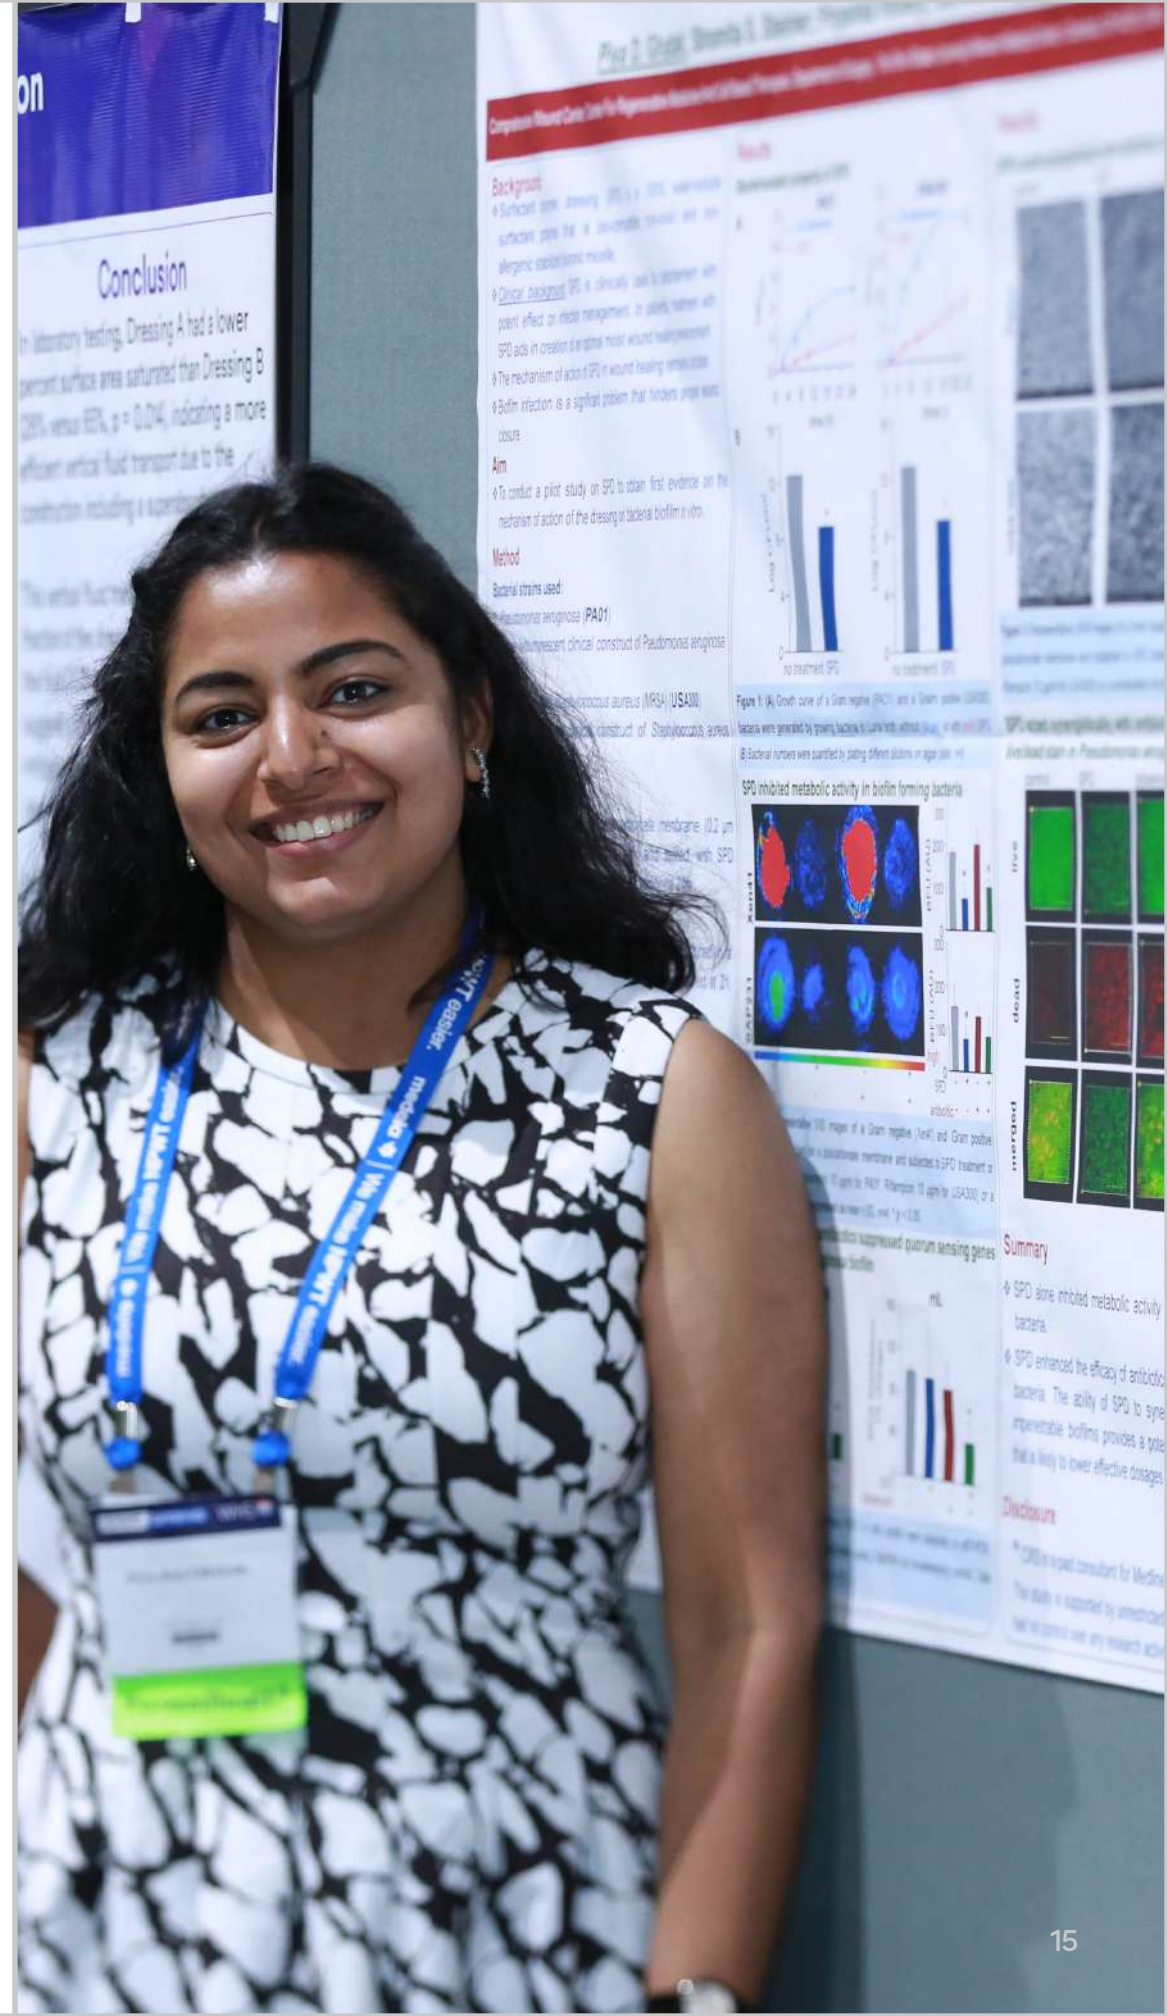

4:25 PM–4:55 PM

The faculty will share their experience-based insights from their day-to-day practices to optimize the outcomes for patients with wounds.

MARTHA R. KELSO; DIANE L. KRASNER;
LAURIE MCNICHOL; CATHERINE T. MILNE; BRYCE E. SCHUSTER

Intended Learners

This conference is designed for nurses within the post-acute care settings.

Learning Objectives

After attending the Symposium on Post-Acute Care, participants should be able to:

- Implement prevention and nursing care interventions for the patient with wound and incontinence issues
- Analyze care interventions for pressure ulcers/injuries, incontinence, diabetic foot, and lower extremity ulcers
- Distinguish between wounds that are avoidable, unavoidable, end-of-life, or palliative

Accreditation Information

In support of improving patient care, North American Center for Continuing Medical Education (NACCME) is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Nurses: This continuing nursing education activity awards 10.00 contact hours.

Provider approved by the California Board of Registered Nursing, Provider Number 13255 for 10.00 contact hours.

For questions regarding this educational activity, please call 609-371-1137.

Hardware/Software Requirements

All educational activities are accessible via a PC (Windows 2000/XP/Vista/7) or Mac (Mac OS 10.x or later) computer with current versions of the following browsers: Internet Explorer, Mozilla Firefox, Google Chrome, or Safari. Windows Media Player or compatible alternative, sound card, and speakers are required for streamed audio. The latest version of the Adobe Flash Player is suggested for video programs. A PDF reader is required for print publications. Please direct technical questions to webmaster@naccme.com.

Requirements for Credit

To be eligible for documentation of credit for each session attended, participants must participate in the full activity and complete the online general survey and the online evaluation form for each session by June 10, 2019. Once forms are completed online, participants may immediately print documentation of credit.

Master Your Field. Master Your Future.

With chronic wounds affecting approximately 6.5 million Americans and more than \$25 billion spent annually on the treatment of chronic wounds, having a master level knowledge of wound care is in demand now more than ever. Wound Certification Prep Course (WCPC) will arm you with a better understanding of wound care, prepare for the Certified Wound Care Associate (CWCA®), Certified Wound Specialist (CWS®), or Certified Wound Specialist Physician (CWSP®) examinations, or become re-certified.

2019 Dates and Locations

San Francisco, CA MARCH 16-17	Chicago, IL AUGUST 17-18
Raleigh-Durham, NC APRIL 6-7	Portland, OR SEPTEMBER 14-15
Tampa, FL APRIL 13-14	Las Vegas, NV OCTOBER 10-11
San Antonio, TX MAY 6-7	Cleveland, OH OCTOBER 19-20
Philadelphia, PA JUNE 1-2	Flushing, NY NOVEMBER 9-10
Nashville, TN JUNE 29-30	Oklahoma City, OK DECEMBER 7-8

Benefits include:

- Covers the essentials to become wound care-certified
- Earn up to 17 CME/CE/CECHs
- Taught by an interdisciplinary panel of ABWM Certified Wound Specialists
- Improves chances of passing the CWCA®, CWS®, or CWSP® board certification exam
- Recertification every 10 years
- Convenient 2-day format

Faculty View full faculty at woundprepcourse.com.

INTENDED LEARNERS

Physicians, Podiatrists, Wound Care Surgeons, Physical Therapists and PTAs, Occupational Therapists and OTAs, Nurse Practitioners, Physician Assistants, Master's-Prepared Nurses, Registered Nurses, Associate Degree Nurses, Dietitians, and Sales and Marketing Specialists within wound care.

LEARNING OBJECTIVES

After completing this activity, participants should be able to:

- Outline the etiology of chronic wounds and extrinsic factors that contribute to and affect wound healing outcomes.
- Describe the phases of wound healing and the associated microenvironment, cellular components and their functions in wound healing.
- Identify the anatomy of the skin and other important structures.
- Assess research and evidence related to wound management.
- Describe specific diagnostic tests, examination tests, lab tests and measures related to wound assessment and management.
- Identify the components of wound assessment and documentation.
- Identify methods for recognizing soft tissue and bone infections, bioburden management and treatment of local and systemic infections.

• Discuss nutritional factors and the underlying deficiencies that impact wound healing.

• Relate the psychosocial and cognitive aspects to patient outcomes in wound repair.

• Describe specific treatment interventions for chronic wounds including debridement, topical therapies, and biophysical agents.

ACTIVITY OVERVIEW

To be eligible for documentation of credit for this live event, participants must attend the full activity and submit a completed evaluation form. To access the online evaluation, participants must first register online at www.naccme.com. Completed evaluations must be received within 30 days of the live event. Participants must complete the evaluation form online at http://www.naccme.com/program/2017-731 and will immediately receive documentation of credit.

For questions regarding this educational activity, please call 609-371-1137.

ACCREDITATION In support of improving patient care, North American Center for Continuing Medical Education (NACCME) is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

PHYSICIANS NACCME designates this live activity for a maximum of 17.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NURSES This continuing nursing education activity awards 17.0 contact hours. Provider approved by the California Board of Registered Nursing, Provider Number 13255 for 17.0 contact hours.

DIETITIANS North American Center for Continuing Medical Education, LLC (NACCME) is a Continuing Professional Education (CPE) Accredited Provider with the Commission on Dietetic

Registration (CDR). CDR-credentialed Practitioners will receive 17 Continuing Professional Education units (CPEUs) for completion of this activity/material. CDR Accredited Provider #HM001

PHYSICAL THERAPISTS North American Center for Continuing Medical Education, LLC (NACCME), has been approved to offer Physical Therapy credit for this activity from the Louisiana, North Carolina, Ohio, Maryland, and California state boards.

NACCME has also applied for pre-approved physical therapy credits from the following state boards and is awaiting approval: Florida, New Jersey, Nevada and Texas. If you practice in any other state, please consult its PT Board.

REQUIREMENTS FOR CREDIT To be eligible for documentation of credit for this live event, participants must attend the full activity and submit a completed evaluation form.

Participants who complete the evaluation form online will immediately receive documentation of credit.

For questions regarding this educational activity, please call 609-371-1137.

ADA STATEMENT North American Center for Continuing Medical Education

complies with the legal requirements of the Americans with Disabilities Act (ADA) and the rules and regulations thereof. If any participant in this educational activity is in need of accommodations, please call 609-371-1137.

CANCELLATION POLICY Please note that the cutoff date for cancellations is 30 business days prior to the event. All cancellations must be received in writing (mailed or emailed) and postmarked by that date. Full registration will be refunded, minus a \$100 processing fee, only to cancellations received in writing before that date. Registrants wishing to cancel may send someone to take their place without penalty if they send a written request with the replacement's name seven (7) days before the course.

Hotel & Travel

Hotel Reservations

Registration for the Post-Acute Care Symposium must be completed before hotel reservations will be accepted. Once you have completed the registration process, you will be directed to secure your hotel room. Please note that hotels will not accept reservations directly.

Hotel Information and Options

Remember, the deadline to reserve a room at the discounted rate is Friday, April 5, 2019. A limited number of rooms will be available at each hotel. Be sure to book within our block. One night's room plus tax is required to hold your reservation and is non-refundable for any cancellation. Additional guest charges may apply for more than two occupants per room.

Grand Hyatt San Antonio

600 E. Market Street, San Antonio, TX

Signature of Cardholder (required)

NACCME will appear as the business name on your bank or credit card statement.

Cancellation Policy: Cancellation requests must be received in writing and postmarked by March 26, 2019. All cancellations via email must be submitted by this date to sdonato@hmpglobal.com. Cancellations received by March 26, 2019 will receive a refund minus a \$100 processing fee. Registrants wishing to cancel may send someone to take their place without penalty if they send a written request with the replacement person's name by April 29, 2019. No refunds will be issued after March 26, 2019. If you do not cancel and do not attend the event, you are still responsible for the full payment. Payments made may not be applied toward tuition for future Post-Acute Care Symposium conferences, nor other meetings or products offered by NACCME.

Cancellations for hotel and transportation reservations must be handled by the individual registrant directly with the hotel, airline, and/or other company.

No refunds are offered for classes that may be suspended or shortened due to weather or other conditions or circumstances beyond HMP's control.

Pre-Registration: Seating in certain sessions may be limited, so be sure to register early. Registrations will be accepted by fax, mail, and the internet. Registrations cannot be done through the phone. Fax and internet registrations are for credit card payments only. Register online at www.sawcfall.com or complete the enclosed registration form and return it with your credit card payment or check made payable to HMP.

All registration forms received without a method of payment will not be considered pre-registered and you will be required to register on-site.

Advancing Quality Outcomes Through Wound & Incontinence Education

May 9-10, 2019
