WEBINAR

#7347 Hints for Helping with Horrible Handwriting

Instructor: Marti Smith, OTR/L

Audience: Occupational Therapists, and
Assistants, and related Healthcare
professionals.

Delivery Options:
Live Webinar or
Self-Study Options

SUMMARY: In this webinar, participants will gain usable techniques to help correct handwriting - one of the most referred concerns for the pediatric therapist. Marti wrote this course from her ten years of school experience where she had to get creative in regards to time and financial investment to maximize her goal outcomes. In this upbeat, practical session, participants will discuss common types of errors, age related norms, and activities to improve handwriting. This webinar includes Case studies and scenarios presented to clarify the solutions available. Course instruction method includes lecture, demonstrations, case studies, and question/answers.

PRESENTER: Marti is the author of the Trauma Focused OT book *The Connected Child; Regulating Through the Senses*. graduated from Indiana University in 1996. She is a Child Trauma Academy Fellow, a TBRI Practitioner and Travis County Collaborative participant, and co-founder of Simple Sparrow Farm, a non-profit where she collaborates with Jamie Tanner, Simple Sparrow owner and president, to help heal individuals through farm related activities. Marti began her OT career at the Covered Bridge Special Education Co-op where she specialized in autism, handwriting, and creative adaptive equipment provided on a minimal budget. She currently specializes in sensory regulation as it relates to trauma and has helped develop the sensory portions of the CTA's NMT and TCU's TBRI education. She has completed additional certification and training in Interactive Metronome, Therapeutic Listening, Wilbarger Deep Pressure Protocol, Therapeutic massage, Floor Time, Vestibular Dysfunction, Reflex Integration, Picky Eating, Athletic Training, CISM, and Rescue Scuba Diving. She has been an international speaker since 2004, sharing her passion to help children in creative, fun, inexpensive, and simple therapeutic ways. She resides in Austin, Texas with her husband and two children. She enjoys traveling, nature, photography, quilting, and spending time at Simple Sparrow Farm. The instructor(s) received an honorarium for teaching and does not have any financial and non-financial relationships to disclose. *Financial*— Received a teaching honorarium from Motivations Inc. *Nonfinancial*— No relevant nonfinancial relationship exists.

OBJECTIVES: Upon completion of this course, the participant will be able to:

1. Identify at least three common errors that make handwriting illegible and how to fix them.
2. List resources available for improving handwriting in during the pediatric years.
3. Identify activities presented that lead to improve handwriting solution through intervention

FORMAT: This is a 3 contact hour course equivalent to 3 CEU's or 0.3 CEUs offered as a live webinar or self-study.

For Live courses, the content is presented via an internet website displaying real time power points. Learners will receive a course instruction link. Instructors lecture through livestreaming internet on your computer. Questions may be asked during the webinar using the chat feature or the "raise hand" feature for live discussion.

For Recorded courses, learners will not be able to participate in real time with questions.

Motivations Inc. is an AOTA Approved Provider of professional development. Course approval ID# 04671. This Distance Learning-Interactive or Distance Learning-Independent activity is offered at 0.3 CEUs, Intermediate Level, Occupational Therapy Service Delivery/Foundational Knowledge. The assignment of AOTA CEU's does not imply endorsement of specific course content, products, or clinical procedures.

AGENDA:
