CLINICAL PEARLS

Pediatrics in the Islands...Clinical Pearls 2018 June 30-July 6, 2018

The American Academy of Pediatrics and California District IX, Chapter 2 in association with Children's Hospital Los Angeles Medical Group are pleased to sponsor **Pediatrics in the Islands...Clinical Pearls 2018** on the island of Maui, Hawaii. This conference is intended to increase your knowledge and provide a comprehensive review of current issues and recent advances in selected pediatric subspecialty areas. Faculty members will discuss current clinical challenges via didactic presentations and roundtable discussions. Audience participation is encouraged throughout the course.

You should attend **Pediatrics in the Islands...Clinical Pearls 2018** if you are a pediatrician, family physician or other health professional who cares for infants, children and adolescents and are interested in enhancing your understanding of and developing solutions for the clinical issues you encounter in your daily practice.

COURSE OBJECTIVES

At the conclusion of this activity participants should be able to identify, assess and manage common clinical issues in the areas of dermatology, infectious diseases, orthopedic surgery & sports medicine, rheumatology and urology including:

- Distinguish infantile hemangiomas that warrant immediate and active intervention and initiate first steps in treatment.
- Diagnose and manage Lyme disease, Rocky Mountain spotted fever, Tularemia and other tick-borne diseases.
- Cite the differential diagnosis for a limping child and determine when additional evaluation and referral is needed.
- Recognize ophthalmologic manifestations of common pediatric rheumatologic diseases.
- Apply the most up-to-date evidence-based medicine in evaluating and treating pediatric urinary tract infections.

A complete listing of course objectives and materials will be available at the Pediatrics in the Islands...Clinical Pearls 2018 conference.

ACCREDITATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Academy of Pediatrics (AAP) and the California District IX, Chapter 2. The American Academy of Pediatrics is accredited by the ACCME to provide continuing medical education for physicians.

The AAP designates this live activity for a maximum of 22.50 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 22.50 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the American Academy of Pediatrics.

Successful completion of this CME activity, which includes participation in the activity, with individual assessments of the participant and feedback to the participant, enables the participant to earn 22 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABP MOC credit.

This Live activity, **Pediatrics in the Islands...Clinical Pearls 2018**, with a beginning date of June 30, 2018, has been reviewed and is acceptable for up to 22.50 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity. The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit*[™] from organizations accredited by ACCME. Physician assistants may receive a maximum of 22.50 hours of Category 1 credit for completing this program.

This program is accredited for 22.50 NAPNAP CE contact hours of which 0 contain pharmacology (Rx) content, (0 related to psychopharmacology) (0 related to controlled substances), content per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

Disclosure of Financial Relationships and Resolution of Conflicts of Interest

The AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that they either have no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. All potential conflicts of interest are identified and resolved prior to an individual's confirmation of service at an AAP CME activity. Beyond disclosure of financial relationships, AAP CME faculty are required to disclose to the AAP and to learners when they plan to discuss or demonstrate pharmaceuticals and/or medical devices and/or medical or surgical procedures that involve "off-label" use of a device or pharmaceutical. The AAP is committed to providing learners with commercially unbiased CME activities. **The content of this CME activity does not necessarily reflect the views or policies of the AAP.**
