Pediatric Potpourri®: State of the Art 2022 **February 26 - March 4, 2022**

The American Academy of Pediatrics and California District IX, Chapter 2, AAP in association with Children's Hospital Los Angeles Medical Group are pleased to present **Pediatric Potpourri®: State of the Art 2022** on the island of Maui. This conference is intended to increase your knowledge and provide a comprehensive review of current issues and recent advances in selected pediatric subspecialty areas. Faculty members will discuss current clinical challenges via didactic presentations and roundtable discussions. Audience participation is encouraged throughout the course.

You should attend **Pediatric Potpourri®: State of the Art 2022** if you are a pediatrician, family physician or other health professional who cares for infants, children and adolescents and are interested in enhancing your understanding of and developing solutions for the clinical issues you encounter in your daily practice.

COURSE OBJECTIVES

At the conclusion of this activity participants will be able to identify, assess and manage common clinical issues in the areas of dermatology, infectious diseases, ophthalmology, urology, and adolescent medicine including:

- Discern which types of infantile hemangiomas should be considered for therapy based on risk for disfigurement or associated complications.
 - Develop rational strategies for empiric use of antimicrobials
 - Identify the current therapeutic options to slow the progression of myopia.
 - Recognize clinical findings suggestive of hypospadias or other abnormalities.
 - List actions clinicians, parents and communities can take to decrease teen usage of e-cigarettes and vaping.
- The overall learning need identified for this conference is for practical, evidence-based medicine that can be applied in the clinical setting.

ACCREDITATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Academy of Pediatrics (AAP) and the California District IX, Chapter 2 of the AAP. The American Academy of Pediatrics is accredited by the ACCME to provide continuing medical education for physicians.

The AAP designates this live activity for a maximum of 22.50 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 22.50 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the American Academy of Pediatrics.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn up to 22.5 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABP MOC credit.

The AAFP has reviewed Pediatric Potpourri®: State of the Art 2022 and deemed it acceptable for up to 22.50 In-Person, Live (could include online) AAFP Prescribed credit. Term of approval is from 02/26/2022 to 03/04/2022. Physicians should claim only the credit commensurate with the extent of their participation in the activity. Members of the College of Family Physicians of Canada are eligible to receive up to 22.50 Mainpro+® credits for participation in this activity due to reciprocal agreement with the American Academy of Family Physicians.

PAs may claim a maximum of 22.5 Category 1 credits for completing this activity. NCCPA accepts *AMA PRA Category 1 Credit*[™] from organizations accredited by ACCME or a recognized state medical society.

This program is accredited for 22.50 NAPNAP CE contact hours of which 0 contain pharmacology (Rx) content, (0 related to psychopharmacology) (0 related to controlled substances), per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

Disclosure of Financial Relationships and Mitigation of Conflicts of Interest

The AAP Policy on Disclosure of Financial Relationships and Mitigation of Conflicts of Interest is designed to ensure AAP CME activities are balanced, independent, objective, scientifically rigorous and support safe, effective patient care. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that they either have no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. All potential conflicts of interest are identified and mitigated prior to an individual's confirmation of service at an AAP CME activity. The AAP is committed to providing learners with commercially unbiased CME activities.

The content of this CME activity does not necessarily reflect the views or policies of the AAP.

Hyatt Regency Maui Resort

Located on popular Kaanapali Beach, the Hyatt Regency is one of Maui's leading luxury resorts. The grounds are a paradise of ponds, lagoons and tropical gardens inhabited by exotic swans, flamingos, penguins and parrots. The free-form swimming pool, one of Maui's largest, is lined with rope bridges, waterfalls, grottoes and waterslides. Guest rooms are comfortably appointed, each with a private lanai. Features such as a multi-million dollar art collection and a unique variety of boutiques and restaurants lend to the ambiance. Activities available include tennis, golf at Kaanapali's two courses and a fitness center. Children will enjoy a variety of daytime activities offered at Camp Hyatt. The location is ideal to visit Whaler's Village, a popular Kaanapali attraction, and nearby Lahaina Town, with its myriad of shops, restaurants and boutiques.

Regency Club - Upgrade to the Hyatt's Regency Club at special group rates. Regency Club privileges include continental breakfast, daily and evening buffet services, beverages and more.

Rental Car Reservations

To make the most of your visit to Maui, we highly recommend a rental car and we recommend that you make a reservation prior to arrival in Maui.

Please visit our travel website for additional information including any available discounted rates.

Note: While most flights arrive at Maui's main airport (code OGG), some arrive at the west Maui airport (code JHM). Be sure to select your correct arrival/departure airport when making your rental car reservations.

Flights

The main airport in Maui is the Kahului Airport (also known as the Maui International Airport), code OGG. This airport is 28 miles from the Hyatt Regency Maui Resort in Ka'anapali, about 45 minutes by car.

The much smaller Kapalua Airport in west Maui, code JHM, is served by commuter flights to and from Honolulu (code HNL). This airport is 5 miles from the Hyatt Regency Maui Resort, about 10 minutes by car.
