Medical Care of Vulnerable and Underserved Populations

After years of documenting disparities in health and health care based on race, ethnicity, gender, education, and socioeconomic status, the medical community has shifted its focus to pursuing health equity or “striving for the highest possible standard of health for all people and giving special attention to the needs of those at greatest risk of poor health, based on social conditions.”

(Braveman, 2014) With publicly insured and uninsured patients making up about half of all outpatient visits in the US, and millions of previously uninsured patients continuing to access health care through Medicaid expansions, becoming an expert in caring for the complicated medical and social needs of vulnerable and underserved patients is crucial to every healthcare provider.

World-class experts and front-line practitioners from the Zuckerberg San Francisco General and the UCSF Center for Vulnerable Populations will present approaches to mitigate the challenges in caring for vulnerable populations and enhance the profound joy clinicians can experience when engaging with patients in greatest need. Topics to be covered will include updates in a broad range of diseases that disproportionately affect vulnerable patients, such as HIV, depression, PTSD, obesity, hepatitis and substance use. In addition, we discuss how clinicians can address social factors that complicate the management of medical illness, such as homelessness, school suspension, a history of trauma or of incarceration and food insecurity, etc. Each day we will feature a nationally renowned figure in the field of the care of vulnerable populations who will deliver pearls and impart wisdom with respect to how to stay engaged, connected, and inspired in this work.

GREENER MEETING

We're saving paper! The syllabus will be available prior to the course.

TARGET AUDIENCE

This activity is appropriate for all specialties, particularly for those health care providers that work with underserved patients in teaching, safety net, or community practices. Physicians, and subspecialists, advance practice providers, psychologists, public health practitioners, and nurses would all find our material educational.

OBJECTIVES

An attendee completing this course should be able to:

- Review the latest updates in research on health disparities and health equity;
- Describe an approach to considering social vulnerability in medical care;
- Review the care of transgender patients;
- Recognize the effect of food insecurity and homelessness on patient outcomes;
- Describe what is meant by Trauma Informed Care;
- Review the complexities and ways to enhance End-Of-Life discussion in patients with low literacy;
- Review updates in cervical cancer screening;
- Review updates on the treatment of patients with latent tuberculosis;
- Describe an approach to caring for immigrant patients;
- Discuss issues in prostate cancer diagnosis in the African American community;
- Describe prevention of suspension in school children as a medical issue.

HOLIDAY INN GOLDEN GATEWAY • San Francisco, CA

ACCREDITATION

The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

UCSF designates this live activity for a maximum of **24.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This CME activity meets the requirements under California Assembly Bill 1195, continuing education and cultural and linguistic competency.

Geriatric

The approved credits shown above include **3.75** credits toward meeting the requirement under California Assembly Bill 1820, Geriatric Medicine.

Pain Medicine

The approved credits shown above include **2.25** Pain Credits towards meeting the requirement under California Assembly Bill 487, Pain Management and Care for the Terminally Ill.

Nurses

For the purpose of recertification, the American Nurses Credentialing Center accepts *AMA PRA Category 1 Credit™* issued by organizations accredited by the ACCME.

Physician Assistants

AAPA accepts category 1 credit from AOACCME, Prescribed credit from AAFP, and *AMA PRA Category 1 Credit™* from organizations accredited by the ACCME.

Pharmacy

The California Board of Pharmacy accepts as continuing professional education those courses that meet the standard of relevance to pharmacy practice and have been approved for *AMA PRA Category 1 Credit™*.

Maintenance of Certification

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to **24.25** MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Family Physicians

Application for CME credit has been filed with the American Academy of Family Physicians.

Determination of credit is pending.

NEW THIS YEAR!

Treatment of Opioid Use Disorder Pre-Course

Wednesday, February 27th, 2019

In this pre-course, training will be provided by UCSF faculty in collaboration with the American Society of Addiction Medicine (ASAM). This training is for clinicians who plan to obtain a waiver to prescribe buprenorphine in office-based treatment of opioid use disorders. The course also covers all medications and treatments for opioid use disorder.

OBJECTIVES

Learners will be able to:

1. Describe the epidemiology, diagnostic criteria, and sequelae of opioid use disorder
2. Explain the risks and benefits of available treatments for opioid use disorder
3. Formulate and adjust treatment plans for patients with opioid use disorder
4. Complete the requirements to obtain the DATA Waiver from the DEA to be able to prescribe buprenorphine for the treatment of opioid use disorder.

G • Geriatric Credit **P** • Pain Credit

On-Site Registration: Generally we are able to accommodate on-site registration at our courses, however pre-registration is preferred to ensure that we have adequate course materials.

REFUND POLICY

Cancellations received in writing before the first day of each course will be refunded, less a **\$75** administrative fee. No refunds will be made on cancellations received after that date.

CONFERENCE LOCATION

Featuring chic décor, a new restaurant, and a central location, while still offering affordable rates compared to other San Francisco hotels, this full-service hotel is centered between Nob Hill, Fisherman's Wharf, and the Golden Gate Bridge, which offers an oasis for San Francisco hotel guests looking for a true city experience.

A block of guestrooms has been reserved at the special UCSF conference rate of **\$189/night**. You are urged to make your reservations early. The cut-off date is **January 30th, 2019** or until the group room block is filled. After this date, rooms will be

provided on a space-available basis only. To make hotel reservations on-line, please visit the conference website at cme.ucsf.edu and click on the hotel link in the Travel & Lodging section of the course page. If you prefer to telephone in your reservation, call **866-272-7098** and identify yourself as a member of this UCSF conference to receive the special rate.

By staying at the host hotel, you help UCSF meet its contractual obligations and keep registration fees reasonable.

AIR TRANSPORTATION AND RENTAL CAR

UCSF has negotiated special fares with airlines and car rental agencies. Please visit the TRAVEL AND LODGING section on the course webpage at cme.ucsf.edu for more information and discount codes.
