PROGRAM OBJECTIVES:

At the conclusion of this program participants will be able to:

1. Compare your organization's current survey process for accreditation compliance to The Joint Commission's Environment of Care (EC) chapter as presented in this program.
2. Implement The Joint Commission requirements for managing compliance with the six EC programs within your organization.
3. Integrate the EC Performance Monitoring and Staff Development standards into your organization's practices.
4. Compare your organization's EC data to the EC trends and updates presented in this program.

The Joint Commission is a private, not-for-profit organization dedicated to continuously improving the safety and quality of care provided to the public. Joint Commission Resources, Inc. (JCR), a wholly controlled, not-for-profit affiliate of The Joint Commission, is the official publisher and educator of The Joint Commission.
