Welcome

INVITATION & WELCOME MESSAGE

UEARS 2020 welcomes attendees, speakers, Sponsors and partners from all over the world. We are delighted to invite you all to attend and register for the “**5th Upper Egypt Assisted Reproduction Conference**”, which is going to be held during February 19 2020 ,21- at Hilton Cairo Heliopolis (EX Fairmont) Hotel, Egypt .The organizing committee invited many distinguished international and national presenters who will undoubtedly stimulate vigorous debate at the conference & gearing up for an exciting and informative conference program includes a wide range of Keynote presentations, plenary talks, Symposia, Workshops on a variety of topics, Exhibitions, Poster presentations and Career development programs for participants from all over the world. We invite you to join us at **UEARS 2020**, where you will be sure to have a meaningful experience with scholars from around the world. All members of **UEARS 2020** organizing committee look forward to meeting you.

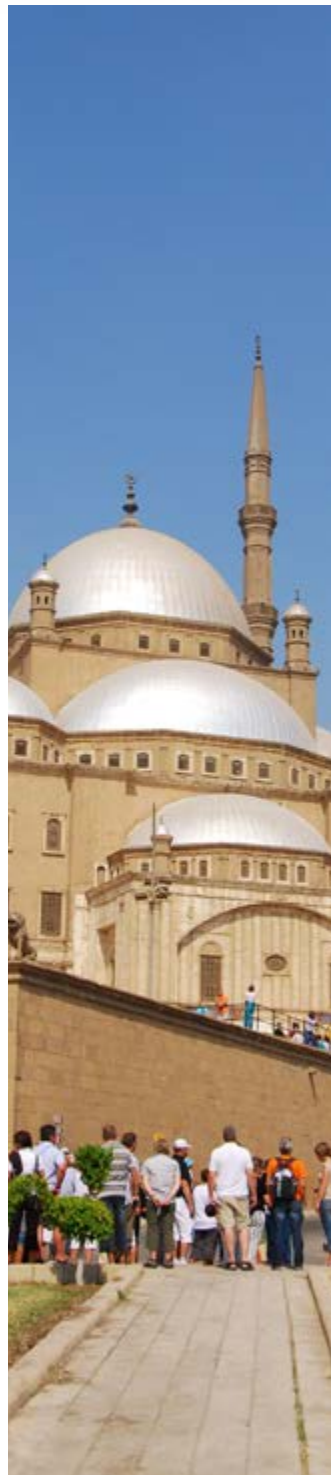

This is an excellent opportunity for the delegates from universities and institutes to interact with the world class scientists and eminent personalities. The intending participants can confirm their participation by registering for the conference along with their colleagues. The main theme of the conference is:
“Improving performance- improving outcomes: Experts Insights”.

We have developed a program with your interests in mind. We have not only increased the number of opportunities for you to network with colleagues from across the world but also introduced more focused sessions that will feature cutting edge presentations, special panel discussions, and livelier interaction with industry leaders and experts.

Life is full of give and take. Make it count in your professional life. Attend **UEARS 2020** to network with your peers, exchange expertise and experiences, and arm yourself with the latest information to take your department to the next level.

We look forward to personally welcoming you to Egypt February 2020

Sincerely,
UEARS 2020
Organizing Committee

(UPPER EGYPT ASSISTED REPRODUCTION CONFERENCE)

Was founded to improve knowledge and awareness of ART and infertility-related services, with ultimate aim of improving the quality of patient care.

AIMS: Bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results on all aspects of Fertility, Reproductive Medicine and Health. It also provides a premier interdisciplinary platform for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Fertility, Reproductive Medicine and Health.

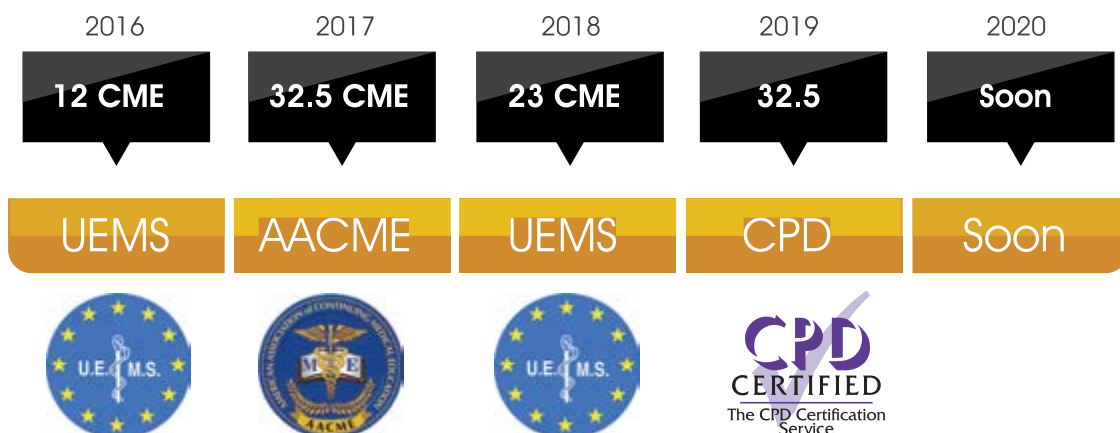

COMMITMENT TO THE HIGHEST STANDARDS IN CME/CPD

We are committed to delivering within the platform of the conference valuable knowledge based on independent, transparent, and effective CME/CPD educational programs by:

- Championing best practice in CME
- Maintaining and improving standards
- Mentoring and educating
- Working in collaboration with critical stakeholders

INTERNATIONAL CME ACCREDITATION:

An application for CME credit will be made once the scientific program is finalized. Further details will be Available via the official Conference website.
