Vulvovaginal Disease Update 2017

March 17, 2017

Texas Children's Hospital Pavilion for Women
Houston, Texas

Co-Sponsored by:

The North American Chapter of The International Society
for the Study of Vulvovaginal Disease and
The Vulvovaginal Health Clinic Baylor College of Medicine at
Texas Children's Hospital Pavilion for Women
Continuing Medical Education Credit
is provided through joint providership of
The American College of Obstetricians and Gynecologists

*The BEST, TRIED & TRUE take away strategies for
diagnosing and treating common vulvar conditions.*

Course Location

The ISSVD Vulvovaginal Disease Update 2017 will be held in conjunction with the Baylor College of Medicine Vulvovaginal Health Clinic. The one-day course will be held at the Pavilion Conference Center which is located on the fourth floor of the Texas Children's Hospital Pavilion for Women building at 6651 Main Street, Houston, TX 77030. The Vulvovaginal Health Clinic at Baylor College of Medicine specializes in the care and treatment of women suffering from diseases of the vulva and vagina including vulvodynia, vulvovaginal skin diseases such as lichen sclerosus and lichen planus, and complicated vaginitis.

Baylor holds a special place in history for the ISSVD, as Dr. Ray Kaufman, founding member and past president of the ISSVD, and Dr. Dale Brown, past president and former secretary general of the ISSVD, held the longest running vulvovaginal course in the United States at Baylor before passing this institution on to the ISSVD in 2008. This course is now held in Chicago in the Fall on even years, carrying on the tradition. We hope to see you for the 24th Biennial Course in September of 2018. The ISSVD is pleased to be back in Houston and at Baylor.

Travel Information & Hotel Registration

The venue is about 25 minutes from the William P. Hobby Airport, and about 35 minutes from the George Bush Intercontinental Airport. If you have a car, you will want to park at the TCH Pavilion for Women Garage. The parking fee for a full day is \$12. We will be using the Medical Center Marriott as our course hotel and have a group rate of \$129 arranged. The Marriott is located at 6580 Fannin Street which is only .2 miles from the venue. There are many other nearby hotels listed on our website at which you may choose to stay. Please book your accommodations early, as these rates are not guaranteed. (Visit our website at www.issvd.org for hotels, maps, and more detailed information.)

Course Information

Our faculty are among the most well known vulvologists world-wide, and are speakers who are committed to teaching clinicians who treat patients with persistent or recurrent vulvar symptoms not explained by simple yeast or bacterial vaginosis. This course will cover many topics pertaining to vulvovaginal health including recurrent vaginal infections, dermatoses, premalignant disease and pain syndromes of the vulva. This course is open to any practitioner with an interest in recent advances in research for vulvovaginal disease.

Learning Objectives

Upon completion of this course, participants will:

- Increase their current knowledge of vulvovaginal conditions
- Recognize the normal and abnormal anatomy of the vulva and vagina
- Gain awareness of the pathophysiology and treatment of benign vulvar conditions
- Understand the multiple contributions of the wet mount and be able to associate various vaginal conditions with their wet mount appearances
- Recognize and treat resistant vulvovaginitis
- Recognize the association of chronic vulvar dermatoses and vulvar intraepithelial neoplasia and squamous carcinoma
- Understand what is known about desquamative inflammatory vaginitis and atrophic vaginitis
- Gain insight into dermatoses of the vulva
- Have knowledge of treatment for pruritic conditions of the vulva
- Become more comfortable evaluating vulvar ulcerative conditions
- Understand the diagnosis and treatment of vulvar pain
- Gain understanding to how pelvic floor myalgia or vaginismus contributes to vulvar pain and sexual dysfunction
- Test their knowledge of various vulvovaginal diseases with lectures, cases and question and answer sessions.

ACCME Accreditation

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The American College of Obstetricians and Gynecologists and The International Society for the Study of Vulvovaginal Disease (ISSVD). The American College of Obstetricians and Gynecologists is accredited by the ACCME to provide continuing medical education for physicians.

AMA PRA Category 1 Credit(s)™

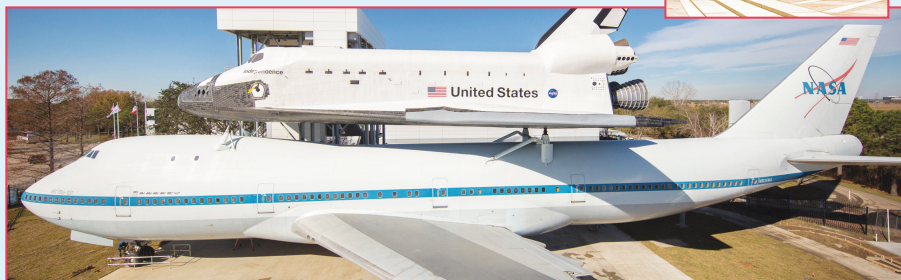

The American College of Obstetricians and Gynecologists designates this live activity for a maximum of 8 **AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

College Cognate Credit(s)

The American College of Obstetricians and Gynecologists designates this live activity for a maximum of 8 Category 1 College Cognate Credits. The College has a reciprocity agreement with the AMA that allows **AMA PRA Category 1 Credits™** to be equivalent to College Cognate Credits.

Friday, March 17, 2017 • 8:00 a.m.-5:00 p.m.

- Basic Principles of Diagnosis and Therapy of Chronic Vulvovaginal Symptoms, Wet Mount
