

Continuing Education Accreditations & Approvals Requested and/or Received by Organization

Updated: 02/27/25

*DISCLAIMER: The list of state CE requirements and approved IAOM-US courses are updated periodically every year to serve as a resource. However, **we strongly recommend that participants directly verify the most up-to-date CEU requirements with their state licensing agency.** If IAOM-US does not offer a course in your state, and you would like to take an out-of-state course, you can contact your state board or local chapter of the APTA to find out about applying for state approval on your own. IAOM-US is happy to provide all the documentation you may need to support your CE application. If your course/state is not listed below, please contact info@iaom-us.com*

Athletic Trainers

IAOM-US is recognized by the Board of Certification, Inc. to offer continuing education for certified athletic trainers

IAOM-US is recognized by the Florida Board of Athletic Training as an approved provider. CE Broker 50-16973. Don't hesitate to get in touch with info@iaom-us.com **to inform us what course you are interested in.**

Occupational Therapist

IAOM-US is approved to offer IOTA approved continuing education as a Full Status Approved Provider (#2025002), for 2 years (from 1/25/2025 to 1/25/2027) on all content relevant to occupational therapy practitioners.

IAOM-US is an approved CE Provider #0540 by the American Occupational Therapy Association.

IAOM-US is an AOTA Approved Provider of professional development for the course entitled: “ **A Systematic Approach to Examination, Diagnosis and Manual Therapy of the Wrist I**” **Course approval ID# 04750**.
